

NROTC APPLICATION GUIDE

Naval Reserve Officers Training Corps (NROTC) Midshipmen should inform their Chain of Command of their desire to attend SEAL Officer Assessment and Selection (SOAS) as their 1/C Summer Cruise and seek out current and former SEALs for mentorship.

Midshipmen must submit package during their 2/C year. This package is for consideration to attend SOAS and for the subsequent final Selection Panel held annually in September.

Applications are submitted via the Midshipman's Chain of Command and processed by Naval Service Training Command (NSTC)/OD4. The Midshipman's application is then routed to the SEAL OCM. **Midshipmen are notified by NSTC in the fall of their 1/C year as to final selection.** The SEAL OCM and Detailer will follow-up with selectees with additional information.
