Process Name: TDY Travel Claim Settlement SOP			BACK
Document ID: End to End			
Document Owner:	Approval:	Revision Date:	
MNCC HRSC, Navy Personnel Command	Navy Pay and Personnel Support Center (NPPSC)		3-Oct-23

#### PURPOSE:

The purpose of this Standard Operating Procedure (SOP) is to provide a common process for Customer Commands and Travel Processing Center (TPCs)/Travel Offices (TOs)/Transaction Service Centers (TSCs) to follow to support Temporary Duty (TDY) Travel Claim Settlement Processing.

## Roles / Responsibilities:

- Examiner: The individual primarily responsible for the overall processing of travel payments. When logged into IATS in the Examiner View mode, a user may log incoming claims, process advances and settlements, post accrued per diem payments, and process collections. In addition, examiners may have the capability to create traveler accounts and create travel order records. These functions, however, are dependent upon the privileges that have been established for the user by the System Administrator.
- Auditor: An Auditor/Certifier is appointed as a Certifying Official after completing the required annual training. Their job is to validate the validity of the claim and to ensure the examiner has
  entered the claim into WinIATS properly and that they are paying the traveler only the entitlements they are entitled to, based on the supporting KSDs provided in the travel claim package and the
  regulations set forth in the JTR based on the travelers statuses. They also validate that the examiner is allocating all funds to the proper line of accounting provided on the orders. The
  Auditor/Certifier conducts 100% audit and certification of all submitted claims. Once they are complete, they place the travel claim in awaiting release for the Releaser/Final Certifier to transmit the
  batch of travel claims worked that production day to DFAS for payment after a 10% random audit of that daily production batch.
- Disbursing Clerk: An individual with Disbursing Function capabilities is responsible for preparing a block of processed claims for payment. In addition, this individual must release the processed blocks to the Disbursing module and perform the following functions depending on the way IATS is configured for the particular travel office:
- o Assign Disbursing Office Voucher (DOV) Numbers o Process Checks o Create EFT Interface Files o Generate Disbursing Reports
- System Administrator: The individual responsible for the overall operation of IATS and controlling the workflow throughout the system. System Administrators are responsible for the set-up and configuration of IATS for the particular travel office. In addition, System Administrators perform the following additional functions:
- o Performing system maintenance o Establishing user accounts o Assigning/re-assigning blocks and claims o Deleting completed blocks o Deleting unneeded traveler or travel order details o Debt management o Importing and updating system rates files
- o Processing interfaces between accounting, disbursing, and personnel systems o Generating management reports o Running utility programs
- Super User: When user accounts are created by the System Administrator, a View mode must be established. The functions a user may perform are dependent upon the View mode associated with their user ID. Because some travel offices are small and may be operated by only one individual, IATS includes a Super User View mode. The Super User View allows the user to switch between various View modes without logging out and logging back in with a different user ID. When the Super User logs-in initially, their View mode defaults to System Administrator. A Super User may access the View menu, however, and change the View to Examiner, Auditor, or Disbursing functions as desired.

Note: Although the title of this particular View is Super User, this does not infer that a user under this View has the ability to perform any desired function. All privileges for every View are established in the Maintenance module by the System Administrator and may be restricted as needed. The Super User View is unique, however, because a Super User has the ability to change View modes, without having to log out and then log back in with a different password in order to perform a different function.

- · Command Leadership: CO/XO/CMC and key representatives (may include DHs, Dept LCPO, DIVOs, LCPOs, LPOs depending on organizational structure of the command
- CPPA: Serves as the primary customer service link between command members and the supporting TSC or Regional Support Center (RSC). Duties and responsibilities are defined in MPM 1000-021. The term CPPA identifies personnel assigned the Navy Enlisted Classification (NEC) code of 791F, but for the purposes of this SOP may include Admin representatives who liaise directly with the ship's Personnel Office/TSC.

Note: Recent and future NSIPS programming releases will continue to expand CPPA roles and capabilities within NSIPS. As such, CPPAs may accomplish TSC Clerk assigned steps within this SOP consistent with expanded NSIPS roles and capabilities and servicing TSC/RSC authorization.

- Authorizing Official: Designated representative to whom final authority to issue travel orders is delegated in writing by a DoD Component, by organizational title, and/or by name. He or she directs travel and is responsible for funding. This is the same as Authorizing/Order-Issuing Official. The Authorizing Official is the person at the operational level who has the responsibility for the command mission and the authority to obligate funds to support TDY travel for the mission.
- Approving Official: Individuals in the chain of command of organizations not operating under the Defense Travel System (DTS) that specifically have been designated in writing to approve Temporary Duty (TDY) travel orders and approve travel claims.
- Traveler: Civilian or Military Member performing the travel.
- Commercial Travel Office (CTO): The CTO (SATO) is the organization responsible to book commercial airline reservations, issue tickets, book hotel/lodging accommodations and make rental-car reservations for personnel on official government travel.

## **BEST PRACTICES**

#### Traveler

- Review all Remarks/Additional Comments and Instructions on TDY Orders (Block 16 on DD1610/Block 21 on NAVPERS 1320/16) to verify completion of all actions required by the Traveler prior to execution of orders.
- Review your travel order and familiarize yourself with items that have or have not been authorized, including number of travel days.
- Obtain a local signature (usually your supervisor) in Block 18 of DD1610.
- Obtain an Authorizing Official signature in Block 20 of DD1610/Block 23 of NAVPERS 1320/16.
- Provide a copy of your travel order to your local CTO (SATO)/travel office before proceeding on TDY travel. Your e-ticket for airfare will not be purchased unless you provide a copy of your order to your CTO (SATO)/travel office.
- Use your local CTO (SATO)/travel office for travel and lodging reservations.
- Check the following web site for TAX EXEMPTION on Hotel Taxes. This will depend upon the STATE of the TDY. Web site is:

https://smartpay.gsa.gov/content/specific-state-tax-information. Print out the form and deliver to your Hotel at Check-In.

- Do Not make your own travel reservations for lodging, rental cars, or e-tickets. You must use your local SATO/travel office for all reservations. NACC will not amend your order to authorize the reimbursement of expenses when travelers fail to use their SATO/travel office.
- Do Not proceed on TDY without having an order in-hand and providing a copy of the order to your CTO (SATO)/travel office.
- Do not amend or modify your travel order. If an amendment or modification is needed, contact your CPPA/AO to request the amendment.

## **CPPA**

- Use references provided on the NPC CPPA Resources webpage: https://www.mynavyhr.navy.mil/Support-Services/MyNavy-Career-Center/Pers-Pay-Support/CPPA-Resources/
- Maintain access to current forms and utilize NPPSC TDY Traveler Checklist (NPPSC 1300/2) and EFT Form (NPPSC 7000/1) at https://www.mynavyhr.navy.mil/References/Forms/NPPSC-Forms/
- Provide a copy of travel order to local CTO (SATO)/travel office before member's TDY travel. E-ticket for airfare will not be purchased unless a copy
  of orders is provided to CTO (SATO)/travel office.
- Submit travel claim to local TSC Travel Office/Travel Processing Center (TPC) to be settled and for reimbursement by DFAS within five working days
  upon completion of travel.
- Common Command/CPPA Travel Claim Settlement Issues include:
- o Travel Itinerary does not match orders and intermediate stops.
- o DD 1351-2 is incomplete, includes inaccurate information, and/or is not properly signed.
- o Missing Original and/or any modifications of TDY orders.
- o Missing orders endorsements from detaching and/or receiving commands.
- o Missing Stamp/Endorsement indicating "single quarters" are not assigned from the BEQ/BOQ.
- o eCRM case is not forwarded to the TPC/Travel Office within five working days of Traveler's completion of TDY.
- o For long term TDY (> 30 days) eCRM case is not forwarded to the TPC/Travel Office within five working days of Traveler's 30 calendar day TDY period. Travelers whose TDY extends beyond 30 days are required to file travel claims within five working days after the end of every 30 calendar day period.
- o Travel claim packages should be scanned as one attachment and submitted to the TSC Travel section supporting claims processing or respective Travel Processing Center (TPC) in eCRM as required.

## **BEST PRACTICES**

## Approving Official:

- Per PPIB 16-09, Approving Official (AO) will utilize the NPPSC 1300/2 TDY Traveler Checklist as a supporting document to ensure travel claims are completed correctly and comply with the intent of the orders before submitting for disbursement processing. Further the AO will complete and retain the checklist and supporting documents for each claim.
- Per PPIB 17-01 re-statement of travel voucher processing requirements, Approving/Authorizing Officials are required to review and approve travel vouchers prior to submitting for reimbursement. AO approval is required, and approval must be documented in Blocks 21, a through d, of DD form 1351-2.
- The AO will be formally appointed as a Departmental Accountable Official in Block 6 of the DD577, and their specific duties will be delineated in Block 7 on the DD577.
- Per PPIB 16-09 and PPIB 17-01, AO will meet the qualification, certification and training requirements identified in DoD FMR Vol 5 Chapter 5. Departmental Accountable Official training will be completed within the first two weeks of appointment and prior to approving any travel documents. Departmental Accountable Official refresher training will be completed and documented/ maintained annually.
- Per PPIB 17-01, appointing authorities are responsible for the retention and termination of DD Form 577. Fillable version of DD Form 577 can be downloaded at: http://www.esd.whs.mil/Portals/54/Documents/DD/forms/dd/dd0577.pdf
- Per PPIB 16-09, all commands will perform annual verification of the existence, validity, and currency of all AO DD577's.

### Travel Office:

- Important Internal Control Action: MMPA verification steps within this SOP reflect important internal control actions that cannot be over-emphasized. This applies to the entire transaction process from its initiation and authorization through the final verification of the proper processing of the transaction in summary records. These particular SOP process steps are built-in management design control activities to ensure that all transactions are properly completed and accurately recorded.
- Logging in-coming requests is optional, but it is a good business practice for record keeping since it provides for better workflow, tracking and accountability. By logging the in-coming requests, users can easily determine if a request has been received when responding to an inquiry.
- Use Automated Block Ticketing. Most travel offices control settlement requests by using block ticket numbers. As requests are received, they are grouped
  together in batches of 10-15 claims and assigned a number for control purposes. Throughout the workflow process, the requests will normally remain in the batch.
  Because the blocking process is common in most travel offices, IATS simulates this process. With automatic block ticket numbering activated, users enter the
  word "NEW" when creating a new block ticket. IATS generates the next available number based on the parameters established in program maintenance.
- If the travel account does not initially display when entering traveler's SSN, double check traveler's account by entering travel name. Sometimes the incorrect SSN may have been provided or entered for the traveler, and this allows for a second check of the traveler account. Examiner should then reconcile discrepant SSN and Name data.
- When completing Travel Order tabs in WINIATS (e.g., Travel Order Description tab). The information to complete the fields should come from the Travel Order and not the claim, unless directed otherwise.
- Travel Order Number (TONO)/Standard Document Number (SDN) is a 15-digit entry. The Examiner needs to be careful to select and enter the correct TONO/SDN per the orders. Read the Orders and use the appropriate Line of Accounting (LOA) based upon the orders when entering accounting data.
- Examiners should be familiar with the various elements that comprise the LOA in the orders. Refer to PPIB 17-23 and PPIB 17-28 for modified Line of Accounting (LOA) and Standard Document Number (SDN) format effective 01 October 2017 and beyond.
- Users should review the Calculations tab before adding the accounting lines to the settlement. This will assist the user in ensuring that the appropriate accounting lines are added.

#### All:

• All personnel are required to comply with all PII/CUI policy guidance per required annual GMT. For further information, refer to the DON CIO website: https://www.doncio.navy.mil/

		Systems: BACK -
#	System	Description
1.	NSIPS/ESR	<ul> <li>Navy Standard Integrated Personnel System (NSIPS) enables authorized personnel to submit pay and personnel transactions for officers and enlisted, Active and Reserve.</li> <li>The NSIPS Electronic Service Record (ESR) provides a display of an individual's pay and personnel information.</li> <li>Login to NSIPS and ESR at https://www.nsips.cloud.navy.mil/my.policy using CAC and CAC-enabled computer.</li> <li>When asked to verify your PKI, choose the DoD CA-XX certificate, not the email certificate.</li> </ul>
2.	DJMS MMPA	<ul> <li>The Defense Joint Military Pay System (DJMS) Master Military Pay Account (MMPA) is a database file that contains current and historical data pertaining to a Service Member's pay. All leave and pay activity for active duty Service Members is recorded in this file. The individual accounts contain current entitlements, deductions (including allotments), payments, leave balances, collections, status information, and 11 months' history. MMPA enables authorized users to monitor and verify the status of requested pay and personnel actions submitted by the TSC for processing.</li> <li>MMPA Read Only View enables authorized users to verify the status of requested pay and personnel actions submitted to the TSC for processing.</li> <li>Login to MMPA via the Multi-Host Internet Access Portal (MIAP) at https://miap.csd.disa.mil/portal.html using CAC and CAC-enabled computer.</li> </ul>
3.	WINIATS	<ul> <li>Windows Integrated Automated Travel System (WINIATS) is a screen oriented, menu driven financial computation system. It was initially designed as a simple management system for processing travel claims.</li> <li>WINIATS is an automated travel computation system used by Travel Office personnel to compute travel entitlements for both Military and Civilian travelers.</li> <li>WINIATS interfaces with DFAS systems, such as the Automatic Disbursing System (ADS), to automate payment from the field to the central site.</li> <li>WINIATS computes a variety of travel claims such as temporary duty travel (TDY), permanent change of station (PCS), local travel, and do it yourself travel (DITY). The WINIATS production environment is operating at all DFAS sites. In addition, multiple U.S. Army, U.S. Navy, U.S Air Force, U.S. Marine Corps, and U.S. Army Corps of Engineers sites use WINIATS worldwide.</li> </ul>
4.	Enterprise Customer Relations Management eCRM	<ul> <li>eCRM Console enables designated command personnel to communicate safely and efficiently with the supporting TSC or TPC via the Internet. Customer commands submit, track, and receive feedback on pay, personnel, and travel related transactions.</li> <li>eCRM Console uses secure network protocol to protect Service Members' Personally Identifiable Information (PII) when transferring personnel documents used to update corporate systems.</li> <li>Login to eCRM at https://navynpc.my.salesforce.mil/ using CAC and CAC-enabled computer.</li> </ul>
5.	EDA	<ul> <li>The Electronic Document Access (EDA) program is one of the Defense Logistics Agency (DLA) Sourcing Environment programs. EDA supports the goals of the DLA to simplify and standardize the methods that DoD uses to interact with commercial and government suppliers in the acquisition of catalog, stock, as well as made-to-order and engineer-to-order goods and services initiatives to increase the application of Electronic Business/Electronic Commerce (EB/EC) across the Department of Defense (DoD). The EDA is a web-based system that provides secure online access, storage, and retrieval of Contracts, Contract modifications, Government Bills of Lading (GBLs), Government Transportation Requests, Signature Cards, SF44 Purchase Orders, DFAS Transactions for Others (E110), Contract Officer/Grant Officer Warrants, Military Interdepartmental Purchase Requests (MIPRs), Vouchers, and Contract Deficiency Reports to authorized users throughout the DoD. EDA provides for the online creation of Contract Deficiency Reports (CDRs) and the CDR Workflow.</li> <li>EDA offers two concurrent operating sites (Ogden UT and Columbus OH). Standard operating procedure mirrors data between sites (usually within 10 minutes).</li> </ul>
6.	TWMS	Total Workforce Management Service (TWMS) system     Login to TWMS at https://twms.dc3n.navy.mil/my.policy using CAC and CAC-enabled computer.

TRAVELER	1	Receive TDY Orders and Make Travel Arrangements	Receive TDY Orders and Make Travel Arrangements  The purpose of this Standard Operating Procedure (SOP) is to provide a common process for Customer Commands and Travel Processing Center (TPCs)/Travel Offices (TOs)/Personnel Support Detachments (TSCs) to follow to accomplish TDY Travel Claim Settlement processing within WINIATS.  Note regarding the use of the Defense Travel System (DTS).  DTS is the DoD mandated electronic travel system that must be used for all official TDY travel functions. Use of DTS for official travel has been mandatory per NAVADMIN 315/08 since November 2008 with the following minimal exceptions:  Permanent Duty Travel (PDT). PDT for military members, civilian employees, and dependents shall be processed through the traditional order writing and voucher processing systems until such time DTS can accommodate PDT functionality.  Evacuation Travel. Evacuation travel for military dependents and Navy civilians and their dependents shall continue to be processed using existing order writing and claim processing systems until such time DTS can accommodate this functionality. Note: Military members' evacuation travel claims are processed in DTS. Refer to applicable MPA/PPIB for specific guidance when processing TDY Evacuation Travel Orders (e.g., Line of Accounting (LOA), Geographic Area of Interest (GAOI), authorized duration/period of evacuation travel, etc.).  Reserve Travel. Members of the Navy Reserve are currently exempt from using DTS for Annual Training, Active Duty for Training, Active Duty for Other than Training and Inactive Duty Training travel until DTS can import travel authorizations from the Navy Reserve Order Writing System.  Travel funded by any entity using a financial system not linked to DTS.  Any non-DTS TDY travel claim presented for settlement that does not meet the existing exception criteria will be returned to the submitting activity for DTS processing. If the activity feels that the travel meets exception criteria, they should contact (via their chain of command) the DT	
	1.1	Submit TDY Travel Request	Traveler/CPPA submits TDY Travel Request  Many commands have automated processes/systems to support TDY travel requests.  Traveler/CPPA follow local procedures to complete Travel Request/Worksheet.  If special accommodations are required, annotate in the comments section of your request/worksheet.

			Traveler completes foreign clearance requirements including, if applicable, that an APACS request was submitted.	
		Complete foreign	DoD traveler obtains the appropriate travel clearances and force protection training prior to traveling overseas.	
	1.8	clearance requirements	This conditional rule for pre-approval routing/reviewing officials (whomever the organization determines that person or persons to be) must be completed before the authorization request is routed to the Approving Official (AO).	
			Authorizing Officials (AOs) should ensure all requirements are met and documented in the travel authorization before they approve. This includes ensuring the APACS ID number is included in the Travel Order as part of a preaudit remark or other comment to the AO.	
	1.10	Receive TDY Travel Orders	Traveler receives TDY Travel Orders	
TRAVELER	1.10.1	Are travel reservations required?	Traveler and CPPA read and review travel orders.  Traveler must thoroughly READ ORDERS as soon as received. Step-by-step travel and destination information is contained in the orders as well as valuable point of contact (POC) information.  Review your travel order and familiarize yourself with items that have or have not been authorized, including number of days of travel.  Verify local signature (usually your supervisor) in block 18 of your DD1610.  REMINDER - Changes to Travel Itinerary / Lodging / Transportation are NOT AUTHORIZED without proper prior approval from the AO.  Are travel reservations required?  If Yes, go to 1.10.3  If No, go to 1.11	
	1.10.5	Determine and arrange transportation and lodging	CTO determines and arranges transportation and lodging.  Refer to orders.  Ordinarily, airfare will be authorized for travel over 400 miles from residence to TDY location. Travel less than 400 miles will require Rental Car or POV.  Per the JTR: Arranging and Determining Transportation Modes  NOTE: PDTATAC has determined that POC (automobile or motorcycle only) use on TDY is to the Government's advantage for TDY to locations within 800 miles (round-trip) of the PDS as determined from DTOD (for DoD) and from appropriate distance sources for the non-DoD Services. There is no requirement for any cost comparison. A command may authorize POC (automobile or motorcycle only) use for TDY travel of 800 miles or less round-trip (400 miles one-way) at its discretion.

			Traveler/CPPA/CTO make lodging reservations.
	1.10.5.3	Make lodging reservations	When government lodging exists at the TDY location, military Service Members/CPPA contact the BOQ or Navy Lodge for billeting accommodations. If Government Quarters are available, traveler will receive a confirmation number. If not, traveler will receive a non-availability number and then should contact CTO (SATO)/travel office for commercial lodging arrangements.
			The command cannot require a civilian traveler to stay in Government Quarters, regardless it may be mandated as a condition of using Travel Funding. If a civilian traveler chooses to stay in commercial lodging when Government Quarters are available and does not obtain a non-availability number, reimbursement will only be at the Government Quarters rate.
			Traveler/CPPA determines tax exemption for hotel lodging, if required
	1.10.5.4	Determine tax exemption for hotel lodging, if required	For Commercial Lodging only: Travelers will be required to check the following web site for a TAX EXEMPTION on Hotel Taxes. This will depend upon the STATE in which the TDY occurs. Web site is: <a href="https://smartpay.gsa.gov/content/specific-state-tax-information">https://smartpay.gsa.gov/content/specific-state-tax-information</a>
			Print out the form and deliver to your Hotel at Check-In.
TRAVELER			Is an amendment to orders required?
	1.11		If you require an increase in funding or other changes to your orders, traveler/CPPA must request an amendment. If an amendment is required, and approved, command prepares memo endorsement/amendment to orders and modifies travel and lodging reservations, as required.
			Note: Partial tickets, miscellaneous charge orders, and other documents which represent a refund due to DoN will be submitted with their travel claim to the TSC Travel Office/TPC responsible for processing the claim.
			If Yes, go to 1.7 If No, go to 1.12
			Are TDY travel orders canceled?
	1.12	canceled?	Orders may be canceled for any number of reasons. Traveler/CPPA is responsible to make notifications to avoid/minimize expenditure of funds.
			If Yes, go to 1.13 If No, go to 1.14

	1.4		Is TDY travel request approved?  If Yes, go to 1.5  If No, go to Stop	
СРРА	1.5	Determine Travel Order necessity	CPPA determines Travel Order necessity.  Generally, an order is necessary except when same day in and around local travel with no lodging requirement is involved.  An order is not necessary when:  Travel is performed at/in the immediate vicinity of the PDS (local travel), and  The travel claim only involves reimbursement for transportation expenses authorized/approved as being in the Government's interest.  If an order is not issued for local travel, voucher approval is sufficient for reimbursement purposes.  Definition of Local Area: Service/DoD Agency designated officials may authorize/approve transportation expense reimbursement incurred by a traveler conducting official business in the PDS/TDY local area.  The local area is:  Within the PDS/TDY limits and the metropolitan area around the PDS/TDY area served by local public transit systems;  Within a local commuting area of the PDS/TDY station determined by the AO/Local Service/DoD Agency in a written directive. Note: An arbitrary distance radius must not be established to define a local commuting area, or  C. Separate cities, towns, or installations adjacent/close to each other, between which the commuting public travels during normal business hours on a daily basis.  For DoD, the installation/base/senior commander establishes the local area for all DoD personnel, even if the personnel are from more than one command, unit, installation, or Agency.	
	1.6		Is TDY Travel Order Required?  If Yes, go to 1.7  If No, go to 1.14  CONTINUE TO NEXT PAGE

	1.10	Receive TDY Travel Orders	Traveler receives TDY Travel Orders
			CTO determines and arranges transportation and lodging.
			Refer to orders.
		Determine and	Ordinarily, airfare will be authorized for travel over 400 miles from residence to TDY location. Travel less than 400 miles will require Rental Car or POV.
	1.10.5	arrange transportation and lodging	Per the <u>JTR</u> : Arranging and Determining Transportation Modes
		3 3	NOTE: PDTATAC has determined that POC (automobile or motorcycle only) use on TDY is to the Government's advantage for TDY to locations within 800 miles (round-trip) of the PDS as determined from DTOD (for DoD) and from appropriate distance sources for the non-DoD Services. There is no requirement for any cost comparison. A command may authorize POC (automobile or motorcycle only) use for TDY travel of 800 miles or less round-trip (400 miles one-way) at its discretion.
			CTO arranges air transportation for traveler, as required.
СТО	1.10.5.1	Arrange air transportation reservations for traveler, as required	Common carrier air transportation is ordinarily the most cost efficient and expeditious way to travel for travel of over 400 miles one way from the PDS.
			Note 1: There is no requirement for any cost comparison if the command has determined that POC (automobile or motorcycle only) use on TDY is to the Government's advantage for TDY to locations within 800 miles (roundtrip) of the PDS as determined from DTOD (for DoD) and from appropriate distance sources for the non-DoD Services.
			Note 2: A traveler on official business may keep promotional material, including frequent traveler benefits, for personal use (e.g., points, miles, upgrades, or access to carrier clubs/facilities).
			Note 3: When making airline reservations refer to the authorized travel order to determine if Centrally Billed Account (CBA, order accounting data) is to be used for funding. If not specified, please check with your SATO/ or travel office and ask if they will be charging your airfare to a Centrally Billed Account (CBA) or will bill to your Government Travel Credit Card – Individual Billed Account (IBA).
			1) When using a CBA, the traveler must provide a copy of their travel order to their local SATO or travel office so that airline tickets can be purchased using that account number. When CBA is used, travelers will NOT claim the airfare as a reimbursable expense.
			2) When using your Government Travel Credit Card – Individual Billed Account (GTCC IBA) to purchase your airfare make sure it is authorized on travel orders. If so, the airfare should be claimed as a Reimbursable Expense when you file your travel claim.

			Traveler/AO complete travel voucher and provide documentation/ receipts to CPPA.
			Refer to NP2 What's New For You (WNFY) Sailor Travel Voucher Guide, specifically the eight step Sailor procedure for "Completing a Travel Voucher": <a href="https://my.navy.mil/np2.html">https://my.navy.mil/np2.html</a>
			Refer to NAVADMIN 129/22, NAVADMIN 291/22 and Ops Alert 001/23 for most recent policy regarding use of the GTCC for PCS travel and Travel Advances. Refer to subject NAVADMINs for exceptions, as required.
	2.5.2.3		On 01 Jan 2022, Phase I of the mandatory use of the MyPCS Travel Voucher and GTCC for PCS travel was implemented for all Active Duty (AD) and Training and Administration of the Reserve (TAR) in paygrades E-9 and O-6 and above. Per NAVADMIN 129/22, mandatory use of the MyPCS Travel Voucher and GTCC for PCS will expand to other paygrades as reflected below:
		Complete travel voucher and provide documentation/receipt s to CPPA	a. MyPCS Travel Voucher: 01 Jul 2022, all AD and TAR Service Members in all paygrades are required to use the MyPCS Travel Voucher for submission of PCS travel claims, except for members reporting to commands listed in paragraph 10c. Mandated use of the MyPCS Travel Voucher was previously expanded to include Selected Reservists executing Active Duty for Operational Support and Officer Recall PCS orders.
			b. GTCC Phase II: 01 Jul 2022, all Service Members in paygrades E-7 and above and O-4 and above will be required to use the GTCC for PCS travel expenses.
			c. GTCC Phase III: 01 Jan 2023, all Service Members in all paygrades will be required to use the GTCC for PCS travel expenses. (This requirement is on hold. Refer to NAVADMIN 291/22)
AO			The MyPCS Travel Voucher is available via MyPCS Mobile on the Navy App Locker at <a href="https://www.applocker.navy.mil/#!/apps">https://www.applocker.navy.mil/#!/apps</a> or MyNavy Portal (MNP) website at <a href="https://my.navy.mil/">https://my.navy.mil/</a> .
			Service Member will need the following:
			<ul> <li>Stamped Orders</li> <li>All lodging receipts and other receipts over \$75.00 (not required for food)</li> </ul>
			Amount of advance travel (if applicable)
			· Gas receipts for rental car if rental car authorized for use under orders
			Per PPIB 17-01 re-statement of travel voucher processing requirements, Approving/Authorizing Officials are required to review and approve travel vouchers prior to submitting for reimbursement. AO approval is required, and approval must be documented in Blocks 21, a through d, of DD form 1351-2.
			Provide CPPA with the following:
			· Completed <u>DD1351-2</u> , Travel Voucher, and <u>DD1351-2C</u> , Travel Voucher Continuation Sheet, if applicable
			<ul> <li>All lodging receipts and other receipts over \$75.00 (Not required for food)</li> <li>Gas receipts for rental car if rental car authorized for use under orders</li> </ul>
			For long term TDY:
			The initial partial 30-day claim will cover the period from 0001 on day of departure from HOR/PDS through 2400 of the 30 <sup>th</sup> day following departure from HOR/PDS. Subsequent claims will be submitted for every 30-day period at the TDY command thereafter, if applicable.
			The final partial claim at the TDY command will cover the period from 0001 from the day after the prior 30-day travel claim through 2400 the day the Traveler arrives at his or her HOR/PDS.

Click the OK button to proceed  CAC enabled  Select correct cert for log in  Click the OK button to proceed.  Note: It is recommended that you copy and paste password from either Microsoft Word or the Notepad feature in Outlook to avoid entering in the incorrect password and locking your account. If this occurs, you will need to contact NPPSC HQ to reset your password.  Accept License/Terms of Use will display  Click the Yes, Proceed Button.  You are now connected to WINIATS. Your Username and assigned travel office will appear at the top of the screen.
	4.2	Log Request(s)	Examiner logs Request(s)  After logging into IATS as an Examiner or changing the view to Examiner Functions, the first step in the request processing cycle is to log the incoming requests into IATS. This step is completed through the logging module and consists of creating the traveler's account and travel order (if they don't already exist) and entering the dates of the trip.  At the Examiner View screen, click on the Log Requests button. The Block Selection screen appears.  Note: Logging incoming requests is optional, but it is a good business practice for recordkeeping since it provides for better workflow tracking and accountability. By logging the in-coming requests, users can easily determine if a request has been received when responding to an inquiry.  Remove Step. Logging block is not part of the process. 			Examiner initiates a New Block Number or selects an existing Block Number, as applicable.  Double click on an existing block or click the New button to create a new block. If the New button is clicked, the Create New Block screen appears next.			
	4.2.1	Initiate a New Block Number or select an existing Block	Tip: At the Block Selection screen, any block in the status "Logged", that is not already assigned to an Examiner is listed. Requests may be added to an existing block, if any, or a new block may be created by clicking the New button.			
		Number	Note: Most travel offices control settlement requests by using block ticket numbers. As requests are received, block tickets are not to exceed five claims per block. Throughout the workflow process, the requests will normally remain in the batch. Because the blocking process is common in most travel offices, IATS simulates this process. With automatic block ticket numbering activated, users enter the word "NEW" when creating a new block ticket. IATS generates the next available number once a claim has been saved on the NEW block.			
			Examiner selects Settlement Request at the Block Type field.			
	4.2.2	Select Settlement Request	At the Block Type field, the default value is Settlement. When Settlement is displayed, press Enter or Tab to continue.			
EXAMINER			Examiner logs Settlement Request			
	4.2.3	Log Settlement Request	After selecting an existing block or creating a new block, the Logging of Requests screen appears.			
	4.2.3.1	Verify traveler's account	Examiner verifies traveler's account			
	4.2.3.1.1		Examiner enters traveler's SSN.			
		4.2.3.1.1 Enter traveler's SSN	Type the traveler's SSN at the SSN/ID field and press Enter.			
			If the traveler's account exists, the name and SSN appears in the Name field, and the cursor moves to the TONO/SDN field.			
			If the travel account does not exist, a message appears asking if you wish to create a new traveler profile. At this point Select No in order to verify the traveler's name. Sometimes the incorrect SSN may have been provided or entered for the traveler, and this allows for a second check of the traveler account.

ROLE	STEP#	FLOW TEXT	ADDITIONAL TEXT				
			Examiner completes the appropriate fields for the Itinerary based upon the DD 1351-2:				
			1. Depart Date: The departure date on the first line of the itinerary automatically defaults from the Begin Date entered when the travel order was created. Press Enter to continue or type a different date, in MMDDYY format, if necessary.				
			2. Depart Location: At this field, the Location Selection screen automatically appears. At the State/Country field, type the first two letters of the state or country name. If necessary, click the Up/Down arrows until the desired name is displayed. Click on the highlighted name or press Enter to make the selection.				
			3. At the City/Locality field, type the first two letters of the city/locality name. This displays a listing of city/locality names, for the previously selected state or country, beginning with those letters. Use the procedures described in step (2) above to make the selection.				
			Tip: If the traveler is departing from an OCONUS location, click in the Locality field and use the procedures described in step (3) above to make the Locality selection.				
			4. When the correct State/Country and City/Locality is selected, click on the DTOD button if you wish to have IATS look-up and automatically populate the Miles field in the itinerary with the official distance from the Defense Official Table of Distances.  5. If you wish to bypass the DTOD Location screen click the OK button or press Enter to continue.				
			6. Transportation: At this field, a drop-down listing of various transportation modes appears. Click the Up/Down arrows until the desired mode is displayed and then click on the correct mode to make a selection. Refer to DD 1351-2 back page or WINIATS Help Topics for appropriate two letter mode of Transportation Codes, if required				
			7. Local: When the mode PA is selected for the transportation, a prompt asking if travel was to/from a local transportation terminal appears. If so, click in this box. If not, press				
			Enter to continue.  8. Arrival Date: The date at the previous Departure Date field defaults to the Arrival Date field. Press Enter to accept this date or type a new date, in MMDDYY format, if				
			necessary.  9. Arrive Location: This is the location where the traveler stops to perform official duty, change modes of transportation, or to rest overnight. Use the same method explained at the Depart Location field to select the arrival and DTOD locations.				
		Complete the appropriate fields for the Itinerary based upon the DD 1351-2	10. Reason for Stop: When completing a TDY Itinerary, a Reason for Stop code is required on each arrival line. A table appears at the Reason for Stop field displaying a variety of codes that may be used. The purpose of the code is to determine what action must be taken by the travel computation system and what allowances are applicable.				
			The default value for this field is TD - Temporary Duty. Press Enter if this is correct. If not, click the Up/Down arrows until the desired reason is displayed. Click on the correct reason to make a selection. Refer to DD 1351-2 back page or WINIATS Help Topics for Reason for Stop Codes				
EXAMINER	4.4.4.5.3		11. Duty Day: A check mark automatically defaults to this field. If this day is an official day of duty, press Enter to continue. If this day is not an official day of duty, however, click this box to remove the check mark.				
			12. Method: A Method of Reimbursement code is used to determine what per diem entitlement rule is applicable for the trip. When completing an Itinerary, a Method of Reimbursement code is required on each arrival line where the reason for stop code is TD, AD, or ES. A listing appears at the Method field displaying a variety of codes that may be used. The default value for this field is LDP - Lodgings Plus. Press Enter if this is correct. If not, click the Up/Down arrows until the desired method is displayed. Click on the correct method to make a selection.				
			For partial travel claim processing the Examiner selects LDP or FFLT (Flat Rate Long Term TDY), as appropriate per the JTR. Refer to JTR Paragraph 4250 as required.				
			13. Lodging: At this field, a drop-down listing of various lodging types appears. The default value for this field is CQ - Commercial Lodging. Press Enter if this is correct. If not, click the Up/Down arrows until the desired type is displayed. Click on the correct type to make a selection.				
			14. Meals: At this field, a drop-down listing of various meal types appears. The default value for this field is CM - Commercial Meals. Press Enter if this is correct. If not, click the				
			Up/Down arrows until the desired type is displayed. Click on the correct type to make a selection.  15. A/E % (Actual Expense Percentage): For TDY travel less than 30 days or at multiple locations (multiple intermediates) the Method should be LDP (see above Item 12), and				
			the corresponding percentage should be 100%. For Long Term TDY Rates refer to orders and enter the appropriate percentage as follows:				
			A reduced flat rate per diem applies when a traveler is assigned long term TDY (more than 30 days at one location)				
			· Long term TDY for a duration of 31-180 days at a single location is authorized at a flat rate of 75% of the locality rate, payable for each full day of TDY at that location.				
			Long term TDY for a duration of 181 days or more at a single location is authorized at a flat rate of 55% of the locality rate, payable for each full day of TDY at that location.				
			16. Lodging Cost: At this field, type the dollar amount for the daily lodging cost at the location where the traveler remained overnight.				
			17. Taxes: If the TDY location is within CONUS, Alaska, Hawaii, or a US territory, the user is prompted to enter the daily lodging taxes amount. IATS will automatically reduce the taxes by the appropriate percentage when the claimed amount for lodging exceeds the authorized amount. If these taxes are entered into the itinerary, do not enter them again at the Reimburgables tab. The amount coloulated for the taxes will appear an the Coloulations tab offer the trip has been completely entered.				
			the Reimbursables tab. The amount calculated for the taxes will appear on the Calculations tab after the trip has been completely entered.				
			18. Miles: If not automatically populated by the DTOD look-up feature, type the number of miles claimed by the traveler if a privately owned vehicle was used.				
			Note: Use the procedures previously explained to complete the return travel leg or additional travel legs for the itinerary, as required.				
			When finished with the itinerary, the Constructed Itinerary or Reimbursables tab appears next.

ROLE	STEP#	FLOW TEXT	ADDITIONAL TEXT		
	4.4.4.5.4	Is a Constructed Itinerary required?	Is a Constructed Itinerary required?  Refer to the Help topics, "Constructed Itinerary - tab" or the WINIATS User Manual for additional instructions, if required.  There are three situations that cause the Constructed Itinerary tab to appear after completing the traveler's actual itinerary:  Privately owned conveyance was used for the travel to and from the official locations.  The authorized mode of travel was POC Limited to Cost of Constructed Travel.  The travel was performed by mixed modes; a combination of privately owned and commercial or government procured transportation.  At this screen the legs of the traveler's actual itinerary are displayed. The user must either enter the cost of government procured travel or the official mileage depending on the authorized mode of travel. IATS will then either perform a cost comparison or limit the mileage reimbursement to the official distance.		
			If No, go to 4.4.4.5.8		
EXAMINER	4.4.4.5.5	What type of Constructed Itinerary is required?	What type of Constructed Itinerary is required?  If POC Limited to Cost of Constructed Travel, go to 4.4.4.5.6  If POC More Advantageous, go to 4.4.4.5.7  Note: Mixed Mode will not be applicable for TDY orders		
	4.4.4.5.6	Complete the Constructed Itinerary tab for "POC Limited to Cost of Constructed Travel"	Examiner completes the Constructed Itinerary tab for "POC Limited to Cost of Constructed Travel".  Refer to the Help topic, "Constructed Itinerary - tab" in the WINIATS User Manual for additional instructions, if required.  Use the following steps to "complete" the Constructed Itinerary tab when the authorized mode of travel was "POC Limited to Cost of Constructed Travel"  1. Mem GTR: - Click in this field for the first leg of travel. At this field, type the dollar amount for government procured transportation to include estimated taxes and press Enter.  2. From Date: - The date at this field should be the date the traveler would have departed if the transportation were procured by the government. The default value at this field is the date of departure on the actual itinerary. If this is the correct date, press Enter to continue. If not, type the correct date and press Enter.  3. To Date: - The date at this field should be the date the traveler would have arrived if the transportation were procured by the government. The default value at this field is the date of arrival on the actual itinerary. If this is the correct date, press Enter to continue. If not, type the correct date and press Enter.  4. Repeat steps 1-3 above for any additional legs of travel displayed at this screen.  After pressing Enter at the final To Date field, the Reimbursables tab appears.  CONTINUE TO NEXT PAGE

ROLE	STEP#	FLOW TEXT	ADDITIONAL TEXT			
	4.4.4.5.7	Complete the Constructed Itinerary tab for "POC More Advantageous to the Government"	Examiner completes the Constructed Itinerary tab for "POC More Advantageous to the Government".  Refer to the Help topic, "Constructed Itinerary - tab" in the WINIATS User Manual for additional instructions, if required.  This tab should be prepopulated. Examiner should verify entries. Otherwise use the following steps to "complete" the Constructed Itinerary tab when the authorized mode of travel was "POC More Advantageous to the Government":  1. Click in the Auth Miles field for the first leg of travel.  2. Type the number of miles for the ordered travel from the Official Table of Distances and press Enter.  3. At the Auth Miles field for the second leg of travel, type the number of miles for the ordered travel from the Official Table of Distances and press Enter.  4. Repeat steps 1-3 above for any additional legs of travel displayed at this screen.  After pressing Enter at the final Auth Miles field, the Reimbursables tab appears.			
EXAMINER	4.4.4.5.8	Complete the Settlement Reimbursables tab	Examiner completes the Settlement Reimbursables tab.  Refer to the Help topic "Reimbursables - tab" or the WINIATS User Manual for additional instructions, if required.  Use the following steps to "complete" the Reimbursables tab:  1. Date: The default value at this field is the departure date from the actual itinerary. If this is the correct date for the expense, press Enter. If not, type the correct date in MMDDYY format and press Enter.  2. Nature of Expense: At this field, a drop-down listing appears displaying the common expenses that have been entered into the Reimbursable Descriptions table in the IATS Maintenance module. Click the Up/Down arrows until the desired expense item is displayed. If the user types the first letter of the description, IATS scrolls the listing until locating the first item beginning with this letter. The user may then use the Up/Down arrows to display the exact item. Once the correct item is displayed, click on this item to make a selection. If the expense claimed by the traveler is not listed, simply type the description in this field and press Enter.  3. Type: At this field, a drop-down listing appears displaying various expense categories. Since a code for the expenses was previously entered into the Reimbursable Descriptions table in the IATS Maintenance module, IATS will default to the specified category. If the correct category is highlighted, press Enter. If not, click the Up/Down arrows until the desired category is displayed and press Enter.  4. Amount Claimed: At this field, type the dollar amount claimed by the traveler.  5. Amount Approved: IATS automatically populates this field with the amount entered at the Amount Claimed field. If this amount is allowable, press Enter. If not, type the allowable amount and press Enter.  6. Split: Click in the check box if you wish to have the expense added to the computed amount for a split payment to the Government credit card company. The Computed Split amount will appear on the Financial tab.  7. IBOP: At this field, a drop-do

4.4.4.5.9  EXAMINER	Review the Daily Exceptions	Examiner reviews the Daily Exceptions  Refer to the Help topic, "Daily Exceptions", for additional instructions.  The Exceptions to Daily Expenses screen displays each day of the trip and the default values for the meals and daily lodging costs based on the entries made in the itinerary.  The purpose of this screen is to allow the user to make changes to the meal type or the lodging cost for a particular day if necessary (e.g., weekend rate changes). In addition, this screen must be used for settlement requests involving actual expenses. For an actual expense settlement, the user must enter the daily expenses for meals and incidental expenses itemized by the traveler.  Use the following steps to "make changes" to the Exceptions to Daily Expenses screen:  1. Press Enter Tab or click in the desired field to highlight the item you wish to change.  2. In the Lodg. Cost field, simply type the new dollar amount for the lodging on that particular day, if a change is necessary.  3. In the Lodg. Taxes field, simply type the new dollar amount for the lodging taxes on that particular day, if a change is necessary.  4. For the meals fields on the middle travel days, click on the down arrow button, a drop-down listing appears displaying various meal types. Click on the desired type to make the change.  5. When finished viewing or making changes at this screen, click the OK button.  Refer also to the Help topic, "Actual Expense", for instructions on entering the itemized expenses at the Exceptions to Daily Expenses screen.  After reviewing and editing, if necessary, the Daily Exceptions screen, users should proceed to the Calculations tab to review the calculated amounts before adding the accounting lines.		
4.4.4.6	Review Settlement Calculations	Examiner reviews Settlement Calculations  Refer to the Help topic, "Calculations - tab" or the WINIATS User Manual for additional instructions, if required.  After completing the Reimbursables tab (and Daily Exceptions), IATS returns to the Request for Settlement Against an Order screen. To view a summary of the calculations for the settlement request, click on the Calculations tab.		

4.4.4.7.1 Split Payment field will be populated with the computed amount.  3. Split Payment: - Click in this field and type the dollar amount specified by the traveler to be sent directly to the company providing the Government Travel Credit Card. This information would be indicated in Line 1 of the DD 1351-2. This option is only available if the method of payment is EFT.  4. Release Obligation: - If a Transportation Request was issued for the performed travel, a charge may still be pending for payment of the transportation, and the funds should not be de-obligated. If the travel was not performed by government procured transportation, however, click in this box to send a code to the accounting system that will allow the obligation to be released.		EXAMINER CONTINUED					
Refer to the Help topic, "Financial - tab", or the WINIATS User manual for additional instructions, if required.  The Financial tab is used to specify the method of payment, a split payment amount, and to add the accounting information.  Examiner determines Method of Payment  Use the following steps to "select" Method of Payment  1. Method of Payment: Press the Up/Down arrows on the keyboard to scroll through a list of payment options or click on the down arrow to the right of this field. Select EFT unless otherwise directed.  2. Computed Split: - The amount displayed at the Computed Split field is a combination of the Lodging expense entered into the itinerary and the reimbursable expense items entered at the Reimbursables tab that were selected for a split payment. If you double click in the Computed Split field, the Split Payment field will be populated with the computed amount.  3. Split Payment: - Click in this field and type the dollar amount specified by the traveler to be sent directly to the company providing the Government Travel Credit Card. This information would be indicated in Line 1 of the DD 1351-2. This option is only available if the method of payment is EFT.  4. ROLE	STEP#	FLOW TEXT	Examiner manually enters Accounting Information to the appropriate fields in the Navy Accounting screen.  The Examiner selects the "Modify Accounting" button which opens the Navy accounting screen and manually enters the transactional Line of Accounting from the orders.  Refer to PPIB 17-23 and PPIB 17-28 for modified Line of Accounting (LOA) and Standard Document Number (SDN) format effective of October 2017 and beyond.  Note1: Read the Orders and use the appropriate Line of Accounting based upon the orders. For long-term TDY ensure proper fiscal year.  Note 2: Examiners should be familiar with the various elements that comprise the LOA in the orders. If not, contact Supervisor for assistance.  Enter the Line of Account elements in the appropriate fields:		
EXAMINER	4.4.4.7.2	4.4.4.7.2	Manually enter Accounting Information to the appropriate fields in the Navy Accounting screen	<ul> <li>BCN: At this field, type the Bureau Control Number code associated with the travel order and then press Enter.</li> <li>Note: After pressing Enter at the BCN field, IATS will automatically populate most of the remaining fields if the BCN Code matche an accounting appropriation loaded into the CMET table in the Maintenance module.</li> <li>SbHd: If the BCN entered matches an appropriation loaded into the CMET table in the Maintenance module, IATS automatically populates this field. If not, type the SubHead code associated with the travel order and then press Enter.</li> <li>AAA: If the BCN entered matches an appropriation loaded into the CMET table in the Maintenance module, IATS automatically populates this field. If not, type the AAA code associated with the travel order and then press Enter.</li> <li>ACRN: The letters AA default to this field. If this is correct press Enter. If not, type the correct Accounting Classification Reference Number associated with the travel order and then press Enter.</li> <li>GA: If not already automatically populated, type the correct two-digit code for the Gaining Agency as shown on the travel order and press Enter.</li> <li>Y: At the Fiscal Year field, a drop-down listing of various fiscal years appears. If the default value that appears at this field is correct, press Enter to continue. If not, click on the Up/Down arrows or press the Up/Down arrows on the keyboard to display mor choices. When the correct year is shown, click on the desired year to make a selection and then press Enter to continue.</li> </ul>	
			Appr: If the BCN entered matches an appropriation loaded into the CMET table in the Maintenance module, IATS automatically populates this field. If not, type the APPR code associated with the travel order and then press Enter.  O/C: Three zeros default to this field. If this is correct press Enter. If not, type the correct Object Class code as shown on the travel order and press Enter.  SA: The number zero defaults to this field. If this is correct press Enter. If not, type the correct Sub Allotment code as show on the travel order and press Enter.  TT: The Transaction Type code 2D defaults to this field. If this is correct press Enter to continue. If not, type the correct TT code, as shown on the travel order, and press Enter.  PAA/Tn: At this field, type the Property Accounting Activity code, as shown on the travel order, and press Enter.  Cost Code: At this field, type the Cost Code as shown on the travel order and press Enter.  Amount: IATS automatically populates this field with the total dollar amount for the debits or credits depending on the code entered at the D/C field. If the correct amount is displayed, press Enter.  Repeat steps above for additional accounting lines if necessary.  Select Ok, which returns Examiner to the Request for Settlement Against an Order screen.  After completing the Accounting lines, click the OK button to save the entries. IATS returns to the Financial tab.		

			EXAMINER CONTINUED BACK
ROLE	STEP#	FLOW TEXT	ADDITIONAL TEXT
	4.4.4.7.3		Examiner verifies proper entry of Line of Accounting (LOA)  The Line of Accounting will now appear in the Classification Field under the Financial tab.  Refer to PPIB 17-23 and PPIB 17-28 for modified Line of Accounting (LOA) and Standard Document Number (SDN) format effective 01 October 2017 and beyond.  Examiners verifies the WINIATS displayed LOA against the LOA in the orders. If corrections are required, Examiner makes corrections and re-verifies LOA against orders.  If desired, click on the Next button or the Remarks tab and add any necessary remarks.
EXAMINER	4.4.4.8	Complete the Remarks tab, if required	Examiner completes the Remarks tab, if required  After adding the accounting lines to a Request for Settlement, the user may want to add some optional Remarks to the printed travel voucher, the traveler's historical record, or both. Refer to the Help topic, "Remarks - tab", for additional instructions. If no remarks are needed, click the OK button to return to the Request Selection screen.  Use the following steps to "complete" the Remarks tab:  Click on the Remarks tab and make the desired entries.  Remarks in History: If wishing to add remarks to the traveler's historical record, click in this box and type the desired remarks.  Remarks on Voucher: If wishing to add remarks to the traveler's printed voucher, click in this box and type the desired remarks.  If examiner wishes to add a standard remark from the Standard Voucher Remarks table, click on the Get Standard Voucher Remarks button. The Standard Voucher Remarks screen appears.  At the Standard Voucher Remarks screen, click on the down arrow to display a list of remarks and then click on the desired remark. The selected remark will be displayed in the Remarks text box. If examiner is satisfied with the remark, click on OK.  Repeat above two steps if examiner wishes to add additional standard remarks.  Tip: Any remarks typed in the "Remarks in History" box are automatically copied to the "Remarks on Voucher" box if the examiner selects the Copy button.  Note: Remarks are intended as an aid to the Auditor, Travel Office processing the settlement claim, and/or the Traveler to draw attention to any out of the ordinary settlement processing.

EXAMINER	4.4.7.3	Delete a request for settlement from the block	ADDITIONAL TEXT  Examiner deletes a request for settlement must be deleted from a block. For example, a claim may have been logged to the wrong block, or was computed, but cannot be disbursed because of a missing receipt. Complete the following steps to "delete" a Request for Settlement:  1. At the Examiner View screen, select a block through one of the following methods:  Method 1: - Double click on the desired block listed under the To Do section or by clicking on the block once and then clicking the Process Block button.  Method 2: - Click on the desired block listed under the To Do section and then click on the File menu at the top left corner of the screen. A drop-down menu appears listing several options. Click on the Process Block option.  Note: After selecting a block using one of the (2) methods listed above, the Request Selection screen appears. At this screen, all requests assigned to the block are listed under the Select Request(s) section.  2. At the Request Selection screen, click on the request to be deleted.  3. When the correct request is highlighted, click the Delete button. The Delete this Request for a Settlement Against an Order screen appears.  4. At this screen, click the Delete button. A message will appear asking if you are sure you wish to delete the request. Click the Yes button.  5. If the option in the IATS Maintenance module has been activated to generate the "Deleted Details Report", the Reason For Deletion of Claim screen appears.  Note: The Reason for Deletion of Claim screen only appears when the option "Reason for Delete" has been enabled in the Maintenance module. If this screen does not appear, proceed to step 10.  6. At the Reason for Deletion of Claim screen, you have the option of placing up to four reasons for deleting the request by clicking on the Down arrow button at the Reason fields.  Tip: At the Reason for Deletion of Claim screen, you have the option of either selecting a reason, or simply entering a remark into the Remarks text box. One or the other is required.

	4.4.8	Release block for auditing	Examiner releases block for auditing  From the Request Selection screen, select done, which returns examiner to their queued work screen.  Select (highlight) block for release. Select "Release Block" button Enter Confirmation Code Print block number, attach all travel claim settlements in block to block number and deliver to the auditor	
	4.5	Log out of IATS	Examiner logs out of IATS, if appropriate  Refer to Step 4.3 if required.	
EXAMINER	5	Audit Travel Claim Settlement Request	Audit Travel Claim Settlement Request  Note: Current NPPSC policy requires 100% audit and certification so the entire block of travel claim settlement requests must be audited before the block can be released for further processing by an individual with Auditor Function capabilities.  Auditing Overview:  After a settlement is entered into IATS, an audit is required before the transaction can be released for further processing. Travel claims are often complex and voucher examiners are not always experienced. For these reasons, it is a good idea to have a supervisor, or experienced voucher examiner audit certain claims prior to payment.  Since NPPSC policy requires 100% audit and certification of all advances and settlements after a block is released by the voucher examiner, the status of the block changes to "Awaiting Audit". Before a block can be audited, however, it must be grabbed by the auditor or assigned to the auditor by the System Administrator.  Then, if any errors are found, the auditor must reassign the block back to the voucher examiner for corrections. After the corrections are made, the voucher examiner must again release the block for further processing.  Once all claims in a block are audited and any required corrections are made, the block must be released by the auditor for further processing. Releasing blocks in the status Awaiting Audit and the audit function, can only be performed by individuals with auditor privileges. This privilege is established when the usernames and passwords are assigned by the System Administrator.	
	5.4	Perform a forced audit	Auditor performs a forced audit.  Using the forced method, the auditor must view all of the input screens for the settlement request flagged for audit. If the auditor discovers an error requiring correction, the block must be returned to the examiner and the examiner must modify the previously entered request for settlement.  CONTINUE TO NEXT PAGE

ROLE STEP#		ADDITIONAL TEXT  Audit Travel Claim Settlement Request
		Audit Travel Claim Settlement Request
		Note: Current NPPSC policy requires 100% audit and certification so the entire block of travel claim settlement
5 Au		requests must be audited before the block can be released for further processing by an individual with Auditor Function capabilities.  Auditing Overview:  After a settlement is entered into IATS, an audit is required before the transaction can be released for further processing. Travel claims are often complex and voucher examiners are not always experienced. For these reasons, it is a good idea to have a supervisor, or experienced voucher examiner audit certain claims prior to payment.  Since NPPSC policy requires 100% audit and certification of all advances and settlements after a block is released by the voucher examiner, the status of the block changes to "Awaiting Audit". Before a block can be audited, however, it must be grabbed by the auditor or assigned to the auditor by the System Administrator.  Then, if any errors are found, the auditor must reassign the block back to the voucher examiner for
AUDITOR		corrections. After the corrections are made, the voucher examiner must again release the block for further processing.  Once all claims in a block are audited and any required corrections are made, the block must be released by the auditor for further processing. Releasing blocks in the status Awaiting Audit and the audit function, can only be performed by individuals with auditor privileges. This privilege is established when the usernames and passwords are assigned by the System Administrator.
<u> </u>		Auditor logs in to IATS in the Auditor View mode or changes the View to Auditor, if necessary.
5.1 mode	e or change the View to Auditor,	
		Refer to Step 4.1, as required
5.2		Auditor selects block for audit.  Before a block of requests can be audited the block must be assigned to an auditor. The most common method of assigning a block is for the auditor to "grab" the desired block from those available. After in-coming claims are logged to a block or when a block is released for further processing, the block resides in a pool awaiting assignment. Alternatively, the block requiring audit is assigned to the auditor. The process begins at the Auditor View screen. At this screen, select the block requiring audit.  Complete the following steps to "grab" a block:  At the Auditor View screen, click on the Grab Blocks button and the Block Selection screen appears.  Select a block by double clicking on the desired block or by clicking on the block once and then clicking the OK button.  Tip: Users may select all of the blocks listed by clicking on the Select All button. To void a selection, click the Unselect All button.  After selecting a block, the Confirmation Password screen appears. Complete the process by typing your assigned Confirmation Password at the Enter Password field and then click the OK button or press Enter.

	AUDITOR CONTINUED			
ROLE	STEP#	FLOW TEXT	ADDITIONAL TEXT BACK	
	5.3	Select requests for audit	Auditor selects requests for audit.  Note: After selecting a block the Request Selection screen appears. At this screen, all requests assigned to the block are listed under the Select Request(s) section. Current NPPSC policy requires a 100% audit and certification of all advance and settlement requests.  At the Request Selection screen, select a request through one of the following methods:  . Method 1: Double click on the desired request.  . Method 2: Click on the request once and then click the View/Audit button.	
	5.4	Perform a forced audit	Auditor performs a forced audit.  Using the forced method, the auditor must view all of the input screens for the settlement request flagged for audit. If the auditor discovers an error requiring correction, the block must be returned to the examiner and the examiner must modify the previously entered request for settlement.	
AUDITOR	5.4.1	Conduct audit of Travel Claim Settlement requests	Auditor conducts audit of Travel Claim Settlement requests.  Complete the following steps to "audit" previously entered settlement requests by viewing the input screens:  Once a request from the block is selected for audit. The Request for Settlement Against an Order screen will appear.  View all the input screens and verify data entries against the source documentation in the eCRM travel claim settlement request. These are the seven tabs that have to be viewed in their entirety:  Remit To Advance/Accrual Entitlements (What's Authorized, Itinerary, and Reimbursables) Calculations Financial Remarks Workflow  Note: Auditor must review all input screens in order for WINIATS to allow auditor to complete audit  Make notes of any errors during the review of the entire settlement Note 1: The auditor cannot make corrections to the travel claim settlement request. Corrections can only be made by the examiner.  When finished viewing all the input screens, click on the OK button at the Request for Settlement Against an Order screen. IATS returns to the Request Selection screen.  Note 2: If during a forced audit, the Auditor attempts to exit the travel claim settlement prior to the review of all required screen inputs, WINIATS will prompt the auditor that the audit is not completed and identify the remaining screens that require audit.

AUDITOR	<b>STEP #</b> 5.4.10	Release block to Disbursing Clerk for further processing	Additor releases block to Disbursing Clerk for further processing.  Once the Auditor is certain that there are no outstanding logged requests within the block, the next step is to release it for further processing. Complete the following steps to "release" a block: At the Auditor View screen, click on the listed block that you wish to release.  Note: Before attempting to release a block, it's good idea to determine that all requests on the block have been processed. This is accomplished by double clicking on the desired block. The Request Selection screen appears. Look at the Status field to ensure the status of each request is Entered. If there are any requests in the status "Logged" or "Awaiting Audit", the request must be processed or deleted from the block before the block may be released.  Tip: If there is more than one block you wish to release, multiple blocks can be selected by pressing and holding down the Shift key and clicking on the additional blocks.  When the desired block(s) selection is complete, click on the Release Block(s) button. The Confirmation Password screen will appear.  At the Confirmation Password screen, type your confirmation password at the Enter Password field and then click the OK button or press Enter.  After entering the confirmation password, a message appears asking if you wish to print the block tickets for the blocks being released. Click on Yes or No as desired.  Note: It's a good business practice to always print the block ticket to use as a cover sheet. Settlement requests are sometimes added to the block or deleted during the processing phase and may not reflect the cover sheet originally printed if the block was initially logged into IATS through the logging process. Disbursing clerks can also use the latest block ticket cover sheet to verify that a valid request exists for the transactions that appear in the upload file.			
	5.5	Review blocks for disbursement processing	Disbursing Clerk reviews blocks for disbursement processing.  Once the disbursing clerk has received and grabbed a block for Disbursement Processing, a review should be performed to ensure that the block is ready for disbursement. This best practice will prevent duplicate uploading of claims.	
	6.1	Prepare WINIATS for file upload to disbursing system	System Administrator prepares WINIATS for file upload to disbursing system.  After disbursing clerk has released the block(s) and changed the status to "Released For Disbursement" the following disbursing functions may be performed:  Change to the System Administrator view, expand "Upload to Mainframe", and select "Upload Transactions to Disbursing System". Make sure that the "Upload File of Size" block shows "0". If not, select the "Delete Upload File from Disk" and follow the screen prompts.  Note: Regardless of Upload File of Size status, select "Delete Upload File from Disk" and follow the screen prompts. This best practice ensures that no stray or errant files from the last upload are not inadvertently retransmitted/uploaded to the Disbursing System.	
SYSTEM ADMINISTRATOR	6.2	Append and rename upload file	System Administrator appends and renames upload file.  After the deletion of the previous files is complete, you will be returned to the "Upload Data to ADS Disbursing System" display (below left). Select the "Create/Append Upload File with Blocks Released to Disbursing" button and click in the "Copy/Rename ASCII File" check box (below right). You may now proceed with creating your upload file.	
	6.3	Assign batch number and complete block field file designations for upload	System Administrator assigns batch number and completes block field file designations for upload.  At the "Upload Data to ADS Disbursing System" display, click "OK". The "ADS File & Header Information" display will appear. Assign the next batch number (locally assigned batch number), fill the block field with a zero and your TSC UIC (ex: 042574), and submission number (same as the locally assigned batch number), and click ok. The ADS screen will appear. Print the screen. This has your count and dollar value to upload to the SFTP. If you don't print, the screen will not be available to reprint later. This creates your (#####).tvl file to be transmitted, i.e., 43339126.tvl (UIC and batch#.tvl).	
	6.4	Select blocks for upload	System Administrator selects blocks for upload.  The "Block Selection – Uploading to Disbursing" screen will be displayed. Select only the blocks to be released for payments; all blocks displayed should be blocks intended for upload/payment. If so, you may click on the "Select All" button and click "OK". If not, select each block that will be transmitted by holding the CTRL button and clicking on each block individually; then click "OK". You will be prompted to input your confirmation password. 		Receive acknowledgement file has been created for upload	System Administrator receives acknowledgement file has been created for upload.  Note: The Certifying Official (CO) will be required to retain a copy of the Electronic File Certification screen shot and Travel Voucher Details Pages of WINIATS to evidence the payment approval (outlays/expenditures).	
	6.5		A pop-up will appear showing the file has been successfully created. Click "OK". The "ADS File Totals" display will appear; print the screen and retain it – this has the total number of and amount of payments contained in the upload file that you have created and will transmit via SFTP to the ADS system. Print it prior to clicking the "Exit" button; the screen will not be available to reprint later. This creates your #####XXX.tvl file to be transmitted (##### = UIC and XXX = batch number; ".TVL" is the file extension).	
	6.6	Sign into SFTP and transfer file from local drive to DFAS folder for upload	System Administrator signs into SFTP and transfers batch file from local drive to DFAS folder for upload  Sign into SFTP; on the left side of the SFTP Client window are your local files, the right side are DFAS folders for upload and download of data. Open the "Upload" folder from the C:\ drive, locate the batch file to be uploaded, and click and drag it to the DFAS folder labelled "ITS" on the right side of the window.	
SYSTEM ADMINISTRATOR	6.7	Receive acknowledgement from DFAS	System Administrator receives acknowledgement from DFAS.  Within a few minutes of uploading the file to the ITS folder, an acknowledgement file will be available for download from the DFAS "ACK" folder. Open the "Download" file from the C:\ drive; then open the "ACK" folder on the DFAS side. Locate the acknowledgement file by UIC and Julian date. The file name will be ######XXX.ACT (##### = UIC, XXX = Julian date, and ".ACT" is the file extension. Click and drag the acknowledgement file to the C:\Download\ACK folder.	
	6.8		System Administrator compares and verifies WINIATS and DFAS files.  Open the acknowledgement file and compare it to your ADS file print; ensure the number of transactions matches. Once verified that DFAS has received the file for processing, go back to WINIATS and delete the upload file.  Note: It is a good business practice to ensure that the upload file is deleted each day immediately following receipt of the DFAS acknowledgement file showing that DFAS has received the upload file for processing. This best practice will prevent duplicate uploading of claims.	
	7	process files from DFAS ADS system via SFTP to make corrections and	Download and process files from DFAS ADS system via SFTP to make corrections and update WINIATS.  After ADS has processed the uploaded IATS payments, files must be downloaded from ADS to make corrections and pass the disbursing information back to IATS.	
	7.1	Log into SFTP secure server	System Administrator logs into SFTP secure server

	7.8.5	Process corrections to both undelivered and delivered EFT transaction(s) in IATS, as required	System Administrator processes corrections to both undelivered and delivered EFT transaction(s) in IATS, as required.  Within System Administrator View  Select Tools Select Traveler Profile Select Traveler Account (Enter SSN) Make corrections, as required based upon source documentation
SYSTEM ADMINISTRATOR	7.9	Download ADS transaction file(s) from ADS	System Administrator downloads ADS transaction file(s) (ordinarily previous day Block/Batch number) from ADS:  Once logged into SFTP, the IATS user must select the appropriate file location. On the left side of the SFTP Client window are your local files, the right side are DFAS folders for upload and download of data.  Open the NOT folder (DFAS folders) on the right-hand side of the screen, if not already open. After specifying the desired directory, the download file(s) will appear in the right portion of the screen.  Scroll to UIC and locate the download file(s) (UIC.Batch#.NOT) within the NOT folder.  Click on the desired download file(s).  Move file(s) from right side (V:\ drive) to left side (C:\ drive) of the window
	7.10	Process ADS Download File(s) in IATS	System Administrator processes ADS Download File(s) in IATS  Complete the following steps to "process" the ADS Download File(s) in IATS:  At the System Administrator View screen, click on the plus sign to the left of the word, "Download from Mainframe". An expandable menu appears listing the options. Click on the Download Transactions from Disbursing System option. The Download from ADS screen appears.  After the desired download file(s) are selected, click the Download button. IATS processes the download file and displays the results.  Tip: If rejects occur, the errors are written to the error file. A pop-up appears asking if you wish to view the log file. It is a good idea to view the download error report. This report should be analyzed to determine the cause of the reject. Click on the Yes or No button to view the log file as desired.  When finished processing the ADS download file, click the Exit button to return to the System Administrator View screen. CONTINUE TO NEXT PAGE
