# Chief of Naval Personnel Process Name: Temporary Lodging Allowance (TLA) Document ID: End to End Document Owner: Approval: Revision Date: MNCC HRSC , Navy Personnel Command Navy Pay and Personnel Support Center (NPPSC) 3/10/2023

## PURPOSE:

The purpose of this standard operating procedure (SOP) is to provide a common process for Customer Commands and Roles and Responsibilities:

TSC/Personnel Office Clerk: The role of 'CLERK' as used in this SOP refers to a civilian MILPAY or MILPERS Clerk, a contractor, or a Command Pay and Personnel Administrator (CPPA) authorized to \*create\* NSIPS transactions.

TSC/Personnel Office Supervisor: The role of 'SUPERVISOR' refers to a civilian MILPERS or MILPAY Supervisor/Lead/Auditor or a senior Personnel Specialist who is normally designated as a person authorized to \*release\* NSIPS transactions.

Note: "If the designated supervisor is not a MILPAY lead/auditor, then a TSC Deputy Disbursing Officer (DDO) or other senior designated pay/personnel service representative properly authorized will be required to audit NSIPS transactions and supporting documentation impacting military pay PRIOR to releasing them, so as to ensure accurate and correct DJMS information is transmitted for inclusion into the Master Military Pay Account (MMPA)."

Command Leadership: CO/XO/CMC and key representatives (on large afloat command may include DHs, Dept LCPO, DIVOs, LCPOs, LPOs depending on organizational structure of the command).

CPPA: Serves as the primary customer service link between command members and the supporting TSC or Regional Support Center (RSC). Duties and responsibilities are defined in MPM 1000-021. The term CPPA identifies personnel assigned the Navy Enlisted Classification (NEC) code of 791F, but for the purposes of this SOP may include Admin representatives who liaise directly with the ship's Personnel Office/TSC.

Note: Recent and future NSIPS programming releases will continue to expand CPPA roles and capabilities within NSIPS. As such, CPPAs may accomplish TSC Clerk assigned steps within this SOP consistent with expanded NSIPS roles and capabilities and servicing TSC/RSC authorization.

Service Member: A person serving in the Armed Forces who may be eligible for the entitlements listed in this SOP.

# **Best Practices:**

- BACK
- DoD FMR Vol 7A, Chapter 68, Cost of Living Allowance Outside the Continental United States (OCONUS COLA) and Temporary Lodging Allowance (TLA), is a new chapter. The policy for Cost of Living Allowance Outside the Continental United States and TLA was relocated from the Joint Travel Regulation, Chapter 9.
- Important Document Retention Action: IAW Department of the Navy Memo dated 30
  June 2020 "Revised Record Retention Requirements to Support Department of the
  Navy Financial Statement Audits" financial record retention requirements are now ten
  years.
- In addition to SOP steps that identify specific documentation requirements, refer to Navy MILPAY Key Supporting Documents (KSD) Matrix, if required, to determine Key Supporting Documentation necessary to support the transaction. Current KSD matrix is maintained by FIAR at following website: https://www.mynavyhr.navy.mil/About-MyNavy-HR/Commands/Navy-Personnel-Command/Organization/BUPERS/FIAR/MILPAY/.
- Important Internal Control Action: MMPA verification steps within this SOP reflect important internal control actions that cannot be over-emphasized. This applies to the entire transaction process from its initiation and authorization through the final verification of the proper processing of the transaction in summary records. These particular SOP process steps are built-in management design control activities to ensure that all transactions are properly completed and accurately recorded.

A	All personnel are required to comply with all PII/CUI policy guidance per required annual GMT. For further information, refer to the DON CIO website: https://www.doncio.navy.mil/ Systems:

1.	Defense Joint Military Pay System (DJMS) Master Military Pay Account (MMPA)	<ul> <li>DJMS MMPA is a data base file that contains current and historical data pertaining to a Service Member's pay. All leave and pay activity for Active duty Service Members is recorded in this file. The individual accounts contain current entitlements, deductions (including allotments), payments, leave balances, collections, status information, and 11 months' history. MMPA enables authorized users to monitor and verify the status of requested pay and personnel actions submitted by the TSC for processing.</li> <li>MMPA Read Only View enables authorized users to verify the status of requested pay and personnel actions submitted to the TSC for processing.</li> <li>Login to MMPA via the Multi-Host Internet Access Portal (MIAP) at <a href="https://miap.csd.disa.mil/portal.html">https://miap.csd.disa.mil/portal.html</a> using CAC and CAC-enabled computer.</li> </ul>			
2.	Navy Standard Integrated Personnel System (NSIPS)/ Electronic Service Record (ESR)	NSIPS enables authorized personnel to submit pay and personnel transactions for officer and enlisted, Active and Reserve.  The NSIPS ESR provides a display of an individual's pay and personnel information.  Login to NSIPS and ESR at <a href="https://www.nsips.cloud.navy.mil/my.policy">https://www.nsips.cloud.navy.mil/my.policy</a> using CAC and CAC-enabled computer.  When asked to verify your PKI, choose the DoD CA-XX authentication certificate, not the email certificate.			
3.	Defense MilPay Office (DMO)/ Defense MilPay Repository (DMR)	· DMO/ DMR is a Windows-based relational pay application that interfaces with the Defense Joint Military Pay System (DJMS) to create, audit and submit military pay transactions, and receive feedback from DJMS. It supports the Active and Reserve Components of the Army, Navy, and Air Force at DFAS Central Sites and military installations worldwide. The software suite is organized into Input, Reports, Inquiry, Navy Financial Reporting, Security and System Administration modules. DMO/DMR also provides master pay account inquiry capability, reports and query features, transaction results, pay products, management information, customer service tools, an audit trail, expanded edits and pre-filled screens for error rate reduction, and a comprehensive on-line user's manual to support maintenance of military pay accounts and processing of pay transactions.

NOLL	2.6.1	Determine Availability of Food Preparation facilities.	Determine Availability of Food Preparation facilities  TLA Authorized for Limited Kitchen Facilities  A Service member may be authorized TLA to cover the cost of restaurant meals when kitchen facilities are limited and any of the following apply:  The Service member or dependent occupies Government quarters while the kitchen is being renovated.  The Service member or dependent occupies Government quarters or private-sector housing during utility loss.  The Service member or dependent initially occupies permanent Government quarters or private-sector housing without a stove or refrigerator and meals cannot be prepared.  Calculate TLA for meals by multiplying the applicable percentage by the meals portion of the locality M&IE per diem rate.  Temporary Quarters Contain Facilities for Preparing and Consuming Meals. The presence of a stove and oven, work area, refrigerator, sink, water, table, chairs, and cooking and eating utensils is evidence of adequate cooking and eating facilities. When temporary lodging has adequate cooking and eating facilities, the daily TLA rate for lodging does not change, but the M&IE amount is reduced by one half. That reduced M&IE amount based on adequate cooking facilities does not apply when a friend or relative provides lodging or to the first and last days of TLA. When the Service member shows the official designated in the local TLA regulations that the facilities for preparing and consuming meals are inadequate or, for other reasons, may not be used for all or part of the period involved, the Service member may be authorized TLA without the M&IE reduction.
