

## WAIVER OF DEFERMENT

Officers placed on the Active Duty List within one-year of being eligible for promotion in zone or above zone will be automatically deferred from consideration unless they specifically request consideration. Examples include new accession officers (i.e. medical professionals) provided entry grade credit and officers transferring to Active Duty from the Navy Reserve.

The officer may waive this deferment and request consideration for promotion, in writing, to Navy Personnel Command (PERS-802). This request may be sent via mail to:

Commander, Navy Personnel Command (PERS-802)  
5720 Integrity Drive  
Millington, TN 38055-0801

The request may also be scanned to PDF and sent via e-mail to:
