SELECTION BOARD QUOTAS

Encl: (1) FY-21 Reserve LDO Selection Quota Plan
(2) FY-21 Reserve CWO Selection Quota Plan
(3) FY-21 Reserve LDO/CWO Primary Discrete Requirements

1. This memorandum provides policy guidance and quota authorizations for the FY-21 Reserve Limited Duty Officer (LDO) and Chief Warrant Officer (CWO) In-service Procurement Selection Board that convenes on 9 January 2020. Selectees will be commissioned 1 October 2020 through 1 September 2021.
2. The board is authorized to select numbers specified in enclosure (1) for appointment to LDO in the grades of lieutenant junior grade and ensign, and to select numbers specified in enclosure (2) for appointment to CWO2. The board will rank primary and alternate selects on separate LDO and CWO lists in descending order. Alternate selects are required to satisfy officer requirements should a primary select later decline to accept or is found not eligible for appointment, and to satisfy emergent billet growth requirements in specific designators or to meet other community needs as determined by Director, Military Personnel Plans and Policy (OPNAV N13). Enclosure (3) contains discrete selection requirements to be considered for specific designators.
3. Eligible candidates may apply for both LDO and CWO. If selected as a primary or alternate, the candidate's name may appear on either the LDO or CWO primary/alternate list, but not both.
4. Selection to the full quota of either primary or alternate numbers, within specific designators, may not be possible if the board finds there are not enough fully qualified applicants. In that event, after the board has submitted its report and should the needs of the Navy so dictate, the Deputy Chief of Naval Operations (Manpower, Personnel, Training, and Education) (N1) may move candidates recommended by the board as alternates to the primary list within the same designator. Transferring of primary or alternate quotas by the board from one designator to another is not authorized.
5. Release of quota numbers to other than selection board members is not authorized until after the board has been convened. In addition, disclosing the name of alternate selects not moved to primary status is not authorized at any time.
