 - Performed twice per year, AFQOL #1 in May and AFQOL #2 in December.
 - Eligible officers may only be considered once per year.
- **All records are screened and reviewed for adverse information**
 - Those who are selected for promotion will be promoted on the first day of the first month following the anniversary of 24 months in grade. The monthly promotion NAVADMIN message released by CNP is the authority for promotion

Promotion to Lieutenant Junior Grade

- **Commanding officers are authorized to make the initial determination as to the basic qualifications of officers under their command to serve in the grade of lieutenant junior grade (LTJG)**
- **Officers may be promoted to LTJG as soon as qualified, but not earlier than the date of completion of 24 months service in grade as Ensign (ENS)**
 - For example, an ENS whose date of rank is 2 October 2017 will complete 24 months in grade on 1 October 2019 and will be eligible for promotion on 2 October 2019
