#### **Cover Sheet**

<u>General Information:</u> The Career Waypoints (CWAY) system provides a mechanism for matching personnel inventory to requirements with the best-performing Sailors. It is designed as a long-term force management tool, balancing manning across rates, ratings, Active Component (AC), Training and Administration of Reserves (TAR), and Reserve Component (RC) through the Bureau of Naval Personnel (BUPERS) control of reenlistment and enlistment contract extension authority.

<u>Eligibility</u>: Career Waypoints applies to all designated AC, TAR, and RC: E6 and below Sailors for lateral conversions and component conversions. Additionally, CWAY applies to all AC and TAR E6 for reenlistment/extension and rating designation authorization.

Form: SAAR DD FORM 2875

### **Career Waypoints Modules**

- CWAY Application Applies to Active Duty and TAR Sailors E3 to E6 with 14 years or less of active service between Active-Duty Service Daste (ADSD) and Expiration of Active Obligated Service (SEAOS). Application submission options for non 4-2-2 Sailors in the CWAY Application module include TRP and SELRES, in-rate, and conversion. 4-2-2 Sailors may request SELRES, in-rate, and conversion, but not TRP. The TRP submission window is from 16 to 4 months to SEAOS. The SELRES submission window is from 10 to 3 months to SEAOS. CWAY automatically generates SELRES applications for 4-2-2 Sailors starting at 11 or 12 months to SEAOS. Sailors compete for limited openings (quotas) based on career performance.
- MNA Marketplace The MNA Marketplace Module includes web services that send Sailor qualification and
  eligibility information to MNA from CWAY, and web services that send MNA results from MNA to CWAY.
  There is an MNA Marketplace record browser where career counselors can view details about their Sailor's
  Marketplace status. Sailors may view their results in Sailor Self Service Access (SSSA). When records are
  received from MNA, a linked Reenlistment application is created to determine and send NES codes.
- PACT Marketplace The PACT Marketplace module auto-generates records based on Sailor's PRD for CCC to update and submit into the PACT Marketplace. CWAY transmits the records (Sailor identification, qualified jobs data including RIDE score, JOIN score, and the combined RIDE/JOIN score) to MNA. MNA returns results to CWAY of Sailor's request status as decisions are made. References: MILPERSMAN 1306-611
- Conversion (RC) Reserve component (RC) Sailors who desire lateral conversion or who are facing forced conversion may apply via the Conversion module in CWAY. References: MILPERSMAN 1160-140, MILPERSMAN 1440-010, and BUPERSINST 1001.39 (Series).

### **Career Waypoints Modules (Cont'd)**

- Transition (RC to AC/TAR) The Transition (RC to AC/TAR) module supports transition for Reserve Sailors into AC or TAR. SELRES and Voluntary Training Unit (VTU). Sailors use CWAY to apply for either in-rate or conversion into AC or TAR ratings with available quotas provided they meet program policy requirements. Reference: MILPERSMAN 1306-1502.
- Reclassification Utilized by the NETC N3 to reclassify AC and TAR Sailors' attrition from Recruit Training Command (RTC) and class "A" school training.
- **Job Opportunities in the Navy (JOIN)** Applies to all Sailors, matching Sailors' interests with their aptitudes. To take the Assessment, go to BUPERS Online (BOL). The CCC can access the reports in CWAY by selecting "Qualify" and then "JOIN Rating Results."
- Sailor Self Service Access (SSSA) Module Sailor Self Service (SSSA) provides individual Sailor access to their entire Career Waypoints record and all career management functionality, including the Career Exploration Module, via a link in My Navy Portal or BUPERS Online.
- Career Exploration Module (CEM) CEM allows Sailors to see their qualification status for all jobs in the Navy. For those jobs they do not qualify for, it shows why, whether it be mental (ASVAB), medical, or moral. It allows what-if analysis in which the Sailor can override a qualification parameter and rerun the qualification to see additional qualified jobs. It also provides a roadmap for each job.
- Targeted Reentry Program Module (TRP) The TRP module supports the Targeted Reentry Program
  through which Active and Full-Time Support Sailors indicate their intention to separate at the end of their
  current enlistment contract and request authorization for deferred reenlistment. When approved, Sailors
  may reenlist within a specified period in a highly streamlined process. Submission is constrained by quota
  availability and other factors.

# SAAR (DD FORM 2875) is required to gain access and to edit access to Career Waypoints.

All new users requesting access, including those who did not log onto the system for over 90 days and lost access, will be required to submit a SAAR in order to gain access. The SAAR MUST be the original, unaltered, digitally signed form. The form is emailed to BUPERS-33 (Career Waypoints) at <u>career\_waypoints@navy.mil</u>.

Instructions for completing the SAAR can be found on the following two pages and on our website at https://www.mynavyhr.navy.mil/Career-Management/Career-Counseling/CWAY /

The instructions provided are CWAY specific (not Navy-wide) and are not intended to inconvenience the command but to ensure access is granted to Sailors designated by the command TRIAD.

### **How to Remove CWAY Access**

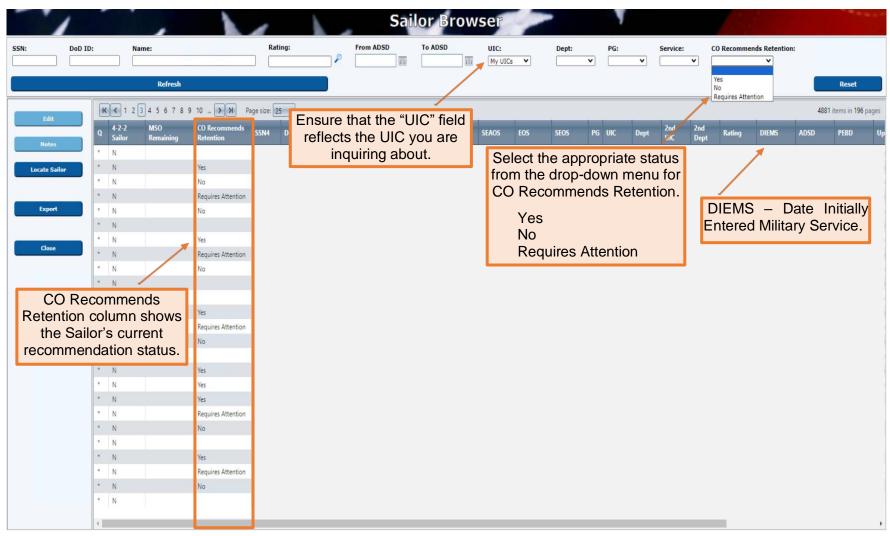

- Command Career Counselor access To disable CCC access, the CMC/SEL or ISIC CCC must contact BUPERS-33 to request removal. This is required because the CMC/SEL directly supervises the CCC and unit CCs per OPNAVINST 1040.11D.
- Departmental Career Counselor access To disable Dept CC access, the CCC must contact BUPERS-33 to request removal.

Note: Once disabled, the Sailor must submit a new SAAR (DD FORM 2875) to regain access.

#### To See a List of Sailors

### To See a List of Sailors (Cont'd.)

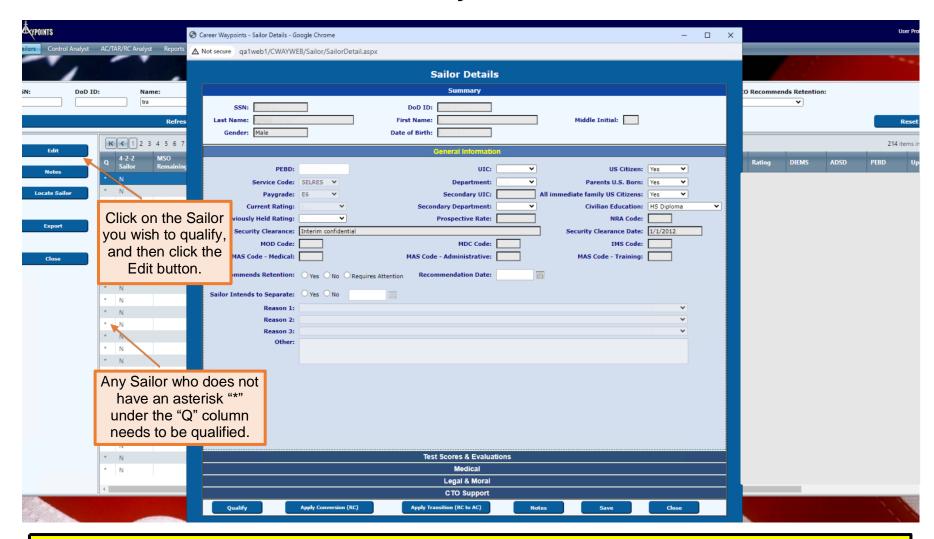

Additionally, on this screen, you can click on a column title, such as SEAOS, and put the Sailors in ascending or descending order accordingly.

#### IA/TAD Sailors

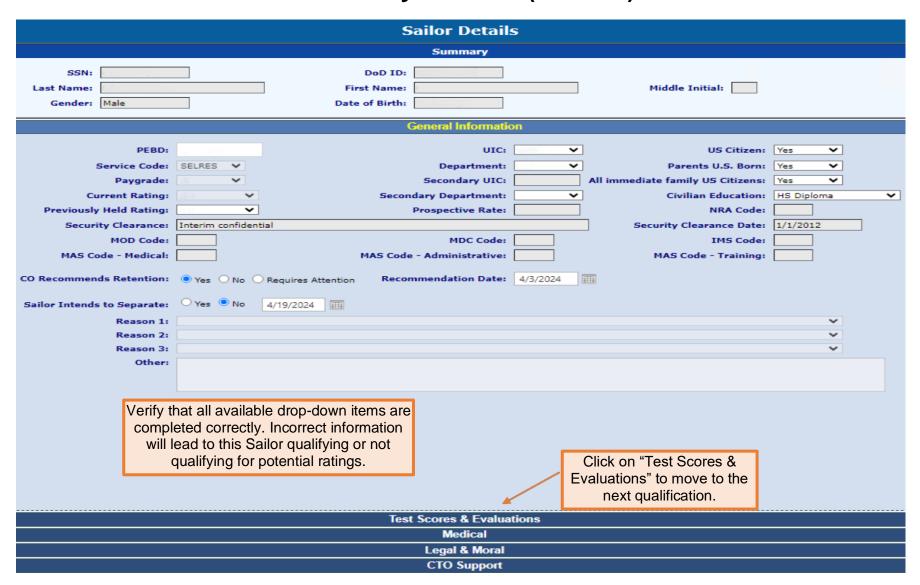

Career Waypoints has the option to assign Sailors a secondary UIC. This is helpful when assisting Sailors on Individual Augmentee (IA) or Temporary Additional Duty (TAD) assignments.

To assign a Secondary UIC, email BUPERS-33 with the Sailor's full name, rate/rank, the UIC for which you have Command Career Counselor access, and the date through which you need access to the Sailor (expiration date). The UIC will automatically be removed the day following the expiration date. Explain that the Sailor is attached to your command for IA or TAD assignment. Do not request access to the UIC to which the IA/TAD Sailor already belongs.

## Submitting an Application through the "CWAY Application Browser"

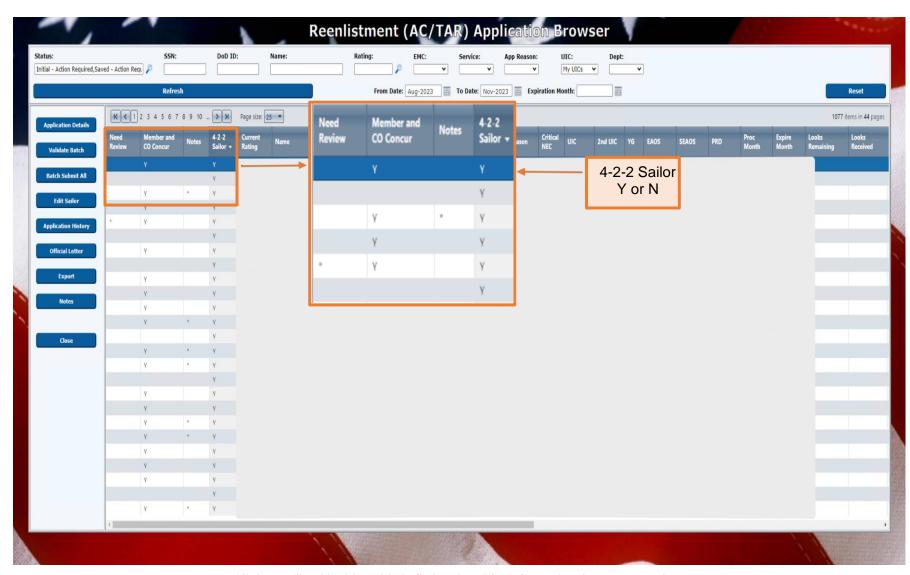

Applications can be submitted under either "Sailors > CWAY Application Browser" or "Sailors > Sailor Browser." Most CCCs utilize the "CWAY Application Browser" to submit CWAY applications. All system-generated applications can be found in this section.

AC/TAR Sailors applying for Reenlistment and Conversion apply in My Navy Assignments during their PRD window.

The SELRES window is 10 to 3 months. CWAY will auto-create a SELRES Application for 4-2-2 Sailors all the way to 3 months prior to SEAOS. If CCC does not submit a required SELRES 4-2-2 application, it will be a "Failed to Submit".  MSO remaining is 6 years minus Service time.  Service time is the time between Date of Initial Entry to Military Service (DIEMS) and SEAOS. This includes time spent in Delay Entry Program (DEP time).

## **Not Applying This Month Application**

If a Sailor has no desire to apply for CWAY during a system-generated application, enter a "Not Applying This Month" application.

If the reason for not submitting is not listed in the drop-down, select "Other" and provide a reason when prompted.

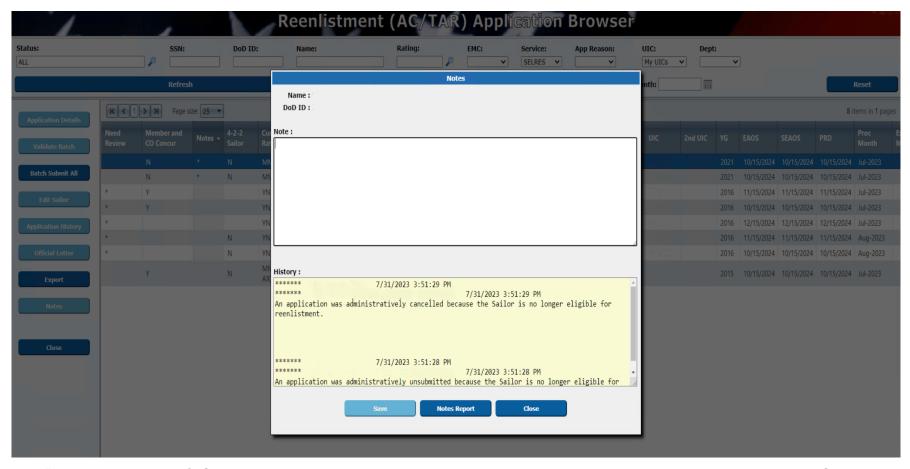

Ensure the Sailor understands they are losing an opportunity for one of their scheduled looks.

Note: These applications are only available for mandatory CWAY applications; otherwise, select "Cancel."

#### **Notes**

The "Notes" section of CWAY is intended as an opportunity to allow communication between the Career Counselors and the Enlisted Community Managers. If the Sailor recently earned his/her warfare device or NEC and it is not reflected in the CWAY "Sailor Details" page, verify receipt and make a note.

**Note:** BUPERS-33 cannot update warfare devices and NECs. If it is missing, contact your Command Pass Coordinator or Personnel Department.

## Submitting an Application through the Sailor Browser

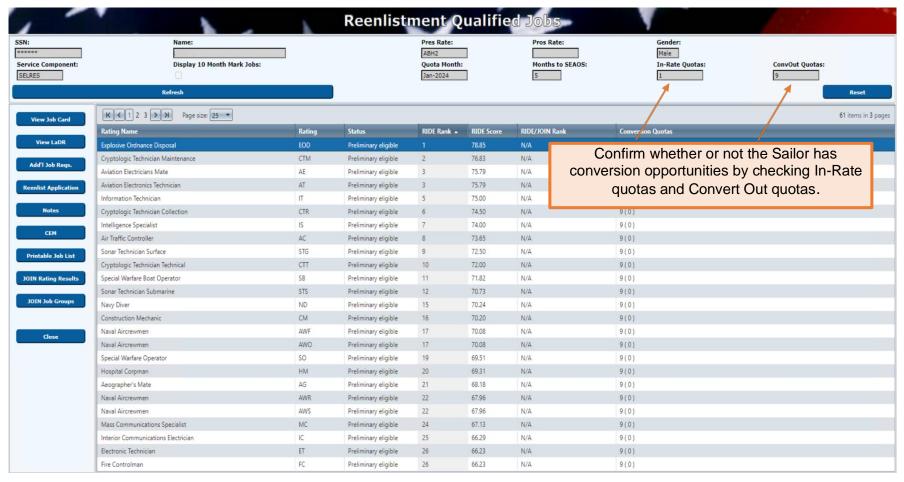

All applications can be submitted under "Sailors" > "Sailor Browser." If CWAY does not automatically generate the application, then the TRP and SELRES application has to be entered via "Sailors" > "Sailor Browser."

The Career Counselor can return an approved quota when a Sailor chooses to separate or when losing eligibility. When a Sailor is under orders and refuses to obligate for additional service as required by the orders, the CWAY quota must be returned via the return button. Commands are advised that a NAVPERS 1306/7 must be forwarded to PERS-4 indicating that the member has refused to OBLISERV. PERS-40BB will Flag the record as appropriate. See MILPERSMAN 1306-125.

## To Check the Status of a CWAY Application

## **Targeted Reentry Program (TRP)**

NAVADMIN 047/18 empowers COs to identify and recommend ACDU and TAR officers and enlisted personnel, who are the best and brightest, the option for expedited reentry to Active Duty in the Navy. CWAY applies to enlisted personnel; therefore, we will only discuss the enlisted Sailors (see NAVADMIN for officer info). Important details are as follows:

- 1. Two options.
  - Golden Ticket Sailors are guaranteed an expedited return to ACDU within one year from separation from ACDU. Sailors who do not use their Golden Ticket within one year are automatically converted to a Silver Ticket for one additional year. Sailors must remain fully qualified.
  - Silver Ticket Sailors are afforded an expedited return to ACDU within two years of separation. This
    opportunity is subject to the Needs of the Navy (NOTN), provided the Sailor remains fully qualified.
- 2. To be considered, the Sailor:
  - Must have completed their initial active-duty requirement.
  - Must be a paid E4 E6 with under 14 years of service.
  - Must not be a 4-2-2 Sailor.
  - Must be 16 4 months from SEAOS.
     Note: No Exception to Policy (ETP) if Member is less than 4 months to SEAOS.
  - Must not have an approved SELRES quota.
- 3. BUPERS-3 is the approving authority.
- 4. TRP-approved Sailors who have completed their Military Service Obligation (MSO) and accept TRP will be transferred to the Navy Reserve (Standby Reserve Inactive, USNR-S2) for two years. Sailors will only be required to maintain accurate recall information with PERS-9, no drilling requirements or ability to earn retirement points.

5. TRP-approved Sailors who have not completed their MSO and accept TRP will be transferred to the Navy Reserve (Ready Reserve). If the Sailor has not utilized the TRP option within the two years, the Sailor will remain in the Navy Reserve until they fulfill their MSO requirement.

# Career Waypoint-Reenlistment Checklist for Success

	Learn and understand MNA reenlistment policies. Utilize MILPERSMAN 1160-140, this user guide, and our
	website.
	Correctly identify reenlistment-eligible (SEAOS/PRD) Sailors and track them on your monthly report to the TRIAD.
	Do not rely solely on CWAY-generated emails for your report. Utilize the Career Counselors Handbook (NAVPERS 15878L).
	Track the Sailor's reenlistment date.
	Conduct Career Development Boards (CDB) properly. Document career intentions.
	Properly qualify all Sailors. Do your job, and DO NOT enter information that has not been verified! Doing so could have severe repercussions on a Sailor's career. See pages 18-24 of this guide.
	Monitor CWAY weekly and get your applications submitted early.
	Plan accordingly. Counsel and encourage reenlisting Sailors to NOT reenlist within the final week of when the quota expires. This policy will help ensure PSDs have appropriate time to release the contract before the quota
	expires. If the quota expires, it will have to be reinstated and LOPG updated again. You're the counselor
	counsel them!
	Review your monthly RackNStack results via the "Reports" tab in CWAY.
	Ensure counseling is conducted for all Sailors not selected for INRATE/Conversion approval after two reviews/looks.
	Ensure proper command-level notification is being done for those being separated.
	Ensure Sailors not selected for reenlistment are provided counseling on the benefits of Reserve Affiliation.
	Ensure CWAY training is conducted during Quarterly/Monthly Career Development Team Meetings.

# **Important Sailors and Applications**

4-2-2 Sailors are Active Component or TAR Sailors that have a DIEMS of October 1, 2020, or later, that enlisted into a 4YO or 5YO contract, and owe up to 24 months or less, of service in the Selected Reserves after completing their Active obligation.

# DO NOT WAIT UNTIL THE LAST DAY OF THE MONTH TO SUBMIT YOUR SAILORS' 4-2-2 APPLICATIONS IN CWAY!!!

You are strongly encouraged to have all your applications submitted by the 21st of the month. This will allow you approximately 10 days to ensure the quality and accuracy of applications and to avoid internet failures and other mishaps on the month's final day (i.e., inability to submit an application due to lack of connection). Any applications not submitted by the last day of the process month will result in a **Failed to Submit.** 

# Important Deadline for Legacy Sailors and Legacy Quotas

Legacy Sailors are Sailors who were either in a CWAY Application window or already had an application with an adjudicated status, i.e., Approved - In Rate (Active or SELRES), Intends to Separate, etc., prior to February 1, 2024. These Sailors are unable to obtain OBLISERV authorization MNA and must use CWAY for their current OBLISERV.

Legacy Quotas are quotas that were either approved in the CWAY Application Browser prior to February 1, 2024, or issued to a Legacy Sailor after that date, due to being unable to obtain authorization via MNA.

Legacy Quotas are valid for 16 months from the processing month and can only be extended for a maximum of 6 months for a total of 22 months.
