OBLISERV Tracker

MyNavy Assignment Release 4.9a2

Changes introduced in MyNavy Assignment (MNA) Release 4.9a2 will include the debut of the OBLISERV Tracker. The OBLISERV Tracker will send notification emails to Sailors who have received orders and are in the 30-day window to execute required OBLISERV. The Sailor's CCC and Detailer will receive the same emails. This will affect all Sailors using the system to submit OBLISERV requests, as well as their Detailers and Command Career Counselors (CCCs).

CCCs can track the status of each Sailor's required OBLISERV on their home page.

As the end of the 30-day execution window approaches, Sailors, CCC, and Detailers will receive the following email:

AO1 DOE JOHN JOSEPH
Sailor has an outstanding Obligated Service (OBLISERV) requirement in their PCS orders that is nearing its 30 day expiration date IAW MILPERSMAN 1306-106. Please verify the Sailor's OBLISERV intentions and update on the MNA Command Career Counselor (CCC) Homepage accordingly. Contact their respective Detailer should more time be necessary to execute their OBLISERV obligation.

Upon expiration of the 30-day window, the Sailor, CCC, and Detailer will receive the following email:

AO1 DOE JOHN JOSEPH
Sailor's PCS orders OBLISERV obligation has not been met. IAW MILPERSMAN 1306-106, PCS orders OBLISERV must be executed within 30 days of receipt of orders. Please verify the Sailor's OBLISERV intentions and update on the MNA Command Career Counselor (CCC) Homepage accordingly. Failure to update the Sailor's OBLISERV intentions could potentially affect their order's status. Contact their respective Detailer if assistance is required or a deadline extension is desired.

Sailors who wish to get an extension of the 30-day window should contact their CCC directly. CCCs and Detailers are advised to act in accordance with MILPERSMAN 1306-106 Time On Station (TOS) and Retainability Obligated Service (OBLISERV) in order to ensure Sailors are not transferred in error.
