

FY-26 O-5/O-6 INFORMATION WARFARE COMMUNITY COMMAND, MILESTONE SCREEN BOARD ANNOUNCEMENT ** UPDATE – 23 JUL 25 **

The FY-26 O-5/O-6 Information Warfare Community Command/Milestone Screen (#26425) will convene on **08 September 2025**. **A list of those eligible for selection, including rescreens, is published below.**

1800/1810/1820/1830 are eligible for a consecutive third O-5 Milestone look by request. The third look provides officers the opportunity to balance career timing with family considerations and personal needs. It also provides an additional year for officers who need to strengthen their records to remain eligible for milestone and continued career progression. Please note, officers will receive a maximum of three looks for O-5 milestone. Final submissions were due via email to your Detailer **at 2359 CST 21 July 2025**. Approval authority for third look requests resides with Director, PERS-47. Consistent with last year's administrative board, 1810 and 1820 officers no longer need to be in or complete with O5 milestone assignment to be eligible for command screening.

The Maritime Space Officer (1870) and Maritime Cyber Warfare Officer (1880) designators continue to evolve with their second O-5 Milestone Screening and O-5 Leadership Screening, respectively. For 1870, eligibles for the FY26 board will consist of Promotion Year Group (PYG) 2025 and 2026 (CDR YOS for the first look and YOS+1 for the second look). All 1880 CDRs previously screened for O-5 Leadership (or equivalent in their prior community) will be re-screened. 1880 eligibles for the FY26 board will consist of PYG 2023, 2024, and 2025 (CDR YOS +1, +2, and +3), consistent with the rest of the Information Warfare Line (IWL) communities. Future eligibility will follow the model of YOS +1, +2, and +3, totaling 3 looks for O-5 Command. MILPERSMAN 1301-237 is currently under revision and will reflect all updates to IWL board eligibility.

Only eligible officers may communicate with a selection board. Such written communication may be used to draw the board's attention to any matter the officer deems important. The written communication must be in accordance with MILPERSMAN 1420-010 and may include, as enclosures, correspondence from any individual concerning the eligible officer. Correspondence not originated by the eligible officer, including endorsements to the officer's letter and letters written on behalf of that officer, must contain a written acknowledgement by the eligible officer that he or she desires that such correspondence be presented to the board. Correspondence without such acknowledgment is considered third party correspondence and will be returned. Classified correspondence will not be accepted.

Correspondence must arrive in the board spaces **no later than 2359 CST 28 August 2025** and shall be addressed to: Navy Personnel Command (NPC) MyNavy Career Center (MNCC), President, FY-26 Information Warfare Commander and O-5/O-6 Information Warfare Community Command/Milestone Screen Board #26425. Per NAVADMIN 220/19, Electronic Submission for Selection Board Documents (ESSBD) is the preferred method of submitting a Letter to the Board (LTB). To utilize ESSBD, candidates must access document services through MyNavy Portal (MNP) at <https://www.mnp.navy.mil/group/my-record> or the BOL main menu. From the BOL main menu, select "Navy Personnel Command Document Services," "Start Process," "Selection Board" and LTB. On-screen instructions will direct the submitter thereafter. You may also submit your correspondence via encrypted email to cscselboard@navy.mil. Please note that Navy Personnel Command members (such as detailers) are expressly prohibited from delivering correspondence to the board.

Any eligible Officer who prefers not to be considered for a Milestone or Command assignment should submit a written statement to the President of the Board requesting to be removed from consideration and board eligibility. A sample "Don't Pick Me" letter is available under Board Prep Info located on the NPC PERS-47 site (link below). A "Don't Pick Me" letter must be provided each year of board eligibility.

Officers desiring to be removed from consideration may include in their statements their reasons for doing so, if desired.

Eligible officers are encouraged to carefully review their OSR/PSR and FITREP continuity before the board convenes to identify and resolve any discrepancies. Please contact your detailer with any questions or concerns, allowing sufficient time for feedback and administrative changes to be made. If corrections were submitted via a previous year's board through a LTB, there is no guarantee that those changes were carried over to your permanent record. It is your responsibility to ensure your official record is accurate and up to date.

Once approved for release, results will be posted to the NPC PERS-47 site at <https://www.mynavyhr.navy.mil/Career-Management/Detailing/Officer/Pers-47-IWC/>. Only last look non-selects will be notified by their respective detailers following the board.
