

FY-27 O-5/O-6 INFORMATION WARFARE LINE COMMAND / MILESTONE SCREEN BOARD ANNOUNCEMENT

The FY-27 O-5/O-6 Information Warfare Community Command/Milestone Screen Board (#27425) will convene on **09 September 2026**. Those eligible for selection will be published in early August 2026 following approval of all third look eligibles for O-5 Milestone and O-5 Line selection results. Please refer to MILPERSMAN 1301-237 for the most up to date guidance on IWL board eligibility.

O-5 Milestone Board Information

For O-5 Milestone, eligibles consist of CDR Year of Selection (YOS) for the first look and YOS+1 for the second look (Promotion Year Group (PYG) 2027 and 2026, respectively). 1800/1810/1820/1830/1870 officers are eligible for a consecutive third O-5 Milestone look by request. The third look provides officers the opportunity to balance career timing with family considerations and personal needs. It also provides an additional year for officers who need to strengthen their records to remain eligible for milestone and continued career progression. Please note, officers will receive a maximum of three looks for O-5 Milestone. Request templates will be posted to each designator's Microsoft Teams and Intelink sites. Final submissions should be received via email to your Detailer **no later than 2359 CST 31 July 2026**. Approval authority for third look requests resides with Director, PERS-47. All officers who screen positively for O-5 Milestone will automatically "waterfall" to be considered for O-5 Command on the FY-27 board.

O-5 Command Board Information

For O-5 Command, eligibles who screened for O-5 Milestone on their first or second look will receive three opportunities at YOS +1, +2, and +3 (PYG 2024, 2025 and 2026), while those who screened on their third Milestone look receive only two command looks.

O-6 Command Board Information

From this year forward, O-6 eligibles will include YOS +1, +2, and +3 totaling a maximum of three looks for O-6 Major Command and IWC. For this year's board, that includes PYG 2025 and 2026. Of note, PYG 2024 who have already exhausted three looks will not be eligible during this board.

General Board Information

Only eligible officers may communicate with a selection board. Such written communication may be used to draw the board's attention to any matter the officer deems important. The written communication must be in accordance with MILPERSMAN 1420-010 and may include, as enclosures, correspondence from any individual concerning the eligible officer. Correspondence not originated by the eligible officer, including endorsements to the officer's letter and letters written on behalf of that officer, must contain a written acknowledgement by the eligible officer that he or she desires that such correspondence be presented to the board. Correspondence without such acknowledgment is considered third party correspondence and will be returned. Classified correspondence will not be accepted.

Please note, a planned upgrade of BUPERS Online (BOL) requires a temporary outage from 21 August-01 September 2026. Those planning to submit Letters to the Board (LTBs) or other correspondence are highly encouraged to do so before 20 August 2026 because BOL will be offline after

that date. If you have documents (LTB) that need to be submitted after 20 August 2026 you must use MNCC helpdesk or E-mail encrypted LTB packages directly to HRSCSELBOARD@us.navy.mil.

Correspondence must arrive in the board spaces **no later than 2359 CST 28 August 2026** and shall be addressed to: Navy Personnel Command (NPC) MyNavy Career Center (MNCC), President, FY-27 Information Warfare Commander and O-5/O-6 Information Warfare Community Command/Milestone Screen Board #27425. Per NAVADMIN 220/19, Electronic Submission for Selection Board Documents (ESSBD) is the preferred method of submitting a Letter to the Board (LTB). To utilize ESSBD, candidates must access document services through MyNavy Portal (MNP) at <https://www.mnp.navy.mil/group/my-record> or the BOL main menu. From the BOL main menu, select "Navy Personnel Command Document Services," "Start Process", "Selection Board" and LTB. On-screen instructions will direct the submitter thereafter. You may also submit your correspondence via encrypted email to cscselboard@navy.mil. Please note that Navy Personnel Command members (such as detailers) are expressly prohibited from delivering correspondence to the board. Any eligible Officer who prefers not to be considered for a Milestone or Command assignment should submit a written statement to the President of the Board requesting to be removed from consideration and board eligibility. A sample "Don't Pick Me" letter is available under Board Prep Info located on the NPC PERS-47 site (link below). A "Don't Pick Me" letter must be provided each year of board eligibility. Officers desiring to be removed from consideration may include in their statements their reasons for doing so, if desired.

Eligible officers are encouraged to carefully review their OSR/PSR and FITREP continuity before the board convenes to identify and resolve any discrepancies. Please contact your detailer with any questions or concerns, allowing sufficient time for feedback and administrative changes to be made. If corrections were submitted via a previous year's board through a LTB, there is no guarantee that those changes were carried over to your permanent record. It is your responsibility to ensure your official record is accurate and up to date.

Once approved for release, results will be posted to the NPC PERS-47 site at <https://www.mynavyhr.navy.mil/Career-Management/Detailing/Officer/Pers-47-IWC/>. Only last look non-selects will be notified by their respective detailers following the board.
