

The Surface Limited Duty Officer Command Qualification Program For Command Ashore, COMNAVSURFPAC/COMNAVSURFLANT INSTRUCTION 1412.3A, dtd 27 May 14, is available at: <https://flankspeed.sharepoint-mil.us/sites/CPF-CNSP-HQ/directives/Forms/Active.aspx>

(It will be under the joint instructions tab)

You should be able to access the site as long as you choose your PIV (Authentication) certificate (If you have windows 10 be sure to click on the More Choices link). Also, please ensure that TLS settings are all checked.

If you cannot access the website to retrieve the instruction, you may request to troubleshoot with CNSL Team, CNSL_NRFK_SURFLANTWEB@navy.mil

Thank you – PERS-414 Team
