Notes:

I-1	Must hold NEC 8RDC or 9999 and be detailed (permanent or temporary) to a billet coded with a RDC or assistant RDC "I" billet distribution NEC at listed UICs. Reservists called to Active Duty to fill the requirement of NEC 8RDC or 9999 can receive SD-7.
I-2	Must hold the 802R NEC and be filling a valid classifier NEC 802R billet at one of the following: NRC HQ, Navy Recruiting District Activity, Navy Talent Acquisition Group (NTAG), Talent Acquisition and Onboarding Center (TAOC), Military Entrance Processing Station, or at listed UIC.
I-3	NEC 802R members at Operational Support Center and Reserve Component Command (RCC) are not eligible for this SDAP.
I-4	Non-rate specific SDAP positions (NEC 8xxx) require a Sailor to work outside his/her normal community-specific expertise, typically resulting in an extended period of time between report date and full qualification for the assigned position. In accordance with SDAP policy, Commanding Officers will not submit a Sailor's application to receive SDAP in a 8xxx position until all qualifications, including Personal Qualification Standards and Under Instruction watches, have been completed and the member is fully qualified and serving in the special duty billet.
I-5	Recruiters who have graduated from ENRO, been awarded a qualifying NEC and completed the basic Personnel Qualification are eligible for SDAP.
