Greetings from Millington,

- Good news!! SRB is back for Zone A. Please contact your CCC if you have any questions about eligibility.

- RC to AC quotas are still available.

- Convert in/out opportunities are still available. As a reminder, PLEASE make sure that the respective ECM is willing to accept you prior.

- Billets for our community is expected to increase to over 500. Even though we are still accepting convert out opportunities, this is likely to go away soon.

Very Respectfully,

LCDR Williams
