<p>Culinary Specialists (Submarines) (CSS). CSSs operate and manage Navy messes and living quarters established to subsist and accommodate Navy personnel. They prepare menus, manage and account for subsistence inventories and prepare and maintain financial records. Navy Culinary Specialists provide food service for Admirals and senior government executives and run the White House Mess for the President of the United States. Responsible for all aspects of the dining (mess decks) and living areas, Culinary Specialists work in the "heart of the ship" and are vital in maintaining high crew morale on the submarine and every shore base.</p>
