Notes:

- On 1 June 2020 the ETR and ITS ratings were combined into a single ITS rating with two distinct specialized career paths (ITE-COMMS and ITE). On November 2023, The ITS-COMMS and ITS-EW were split into three distinct specialized paths (ITE (ELECTRONIC WARFARE), ITR (RADIO) and ITN (NETWORK)).
- Enlisted Warfare pins are expected when available to include insignias such as the Master Training Specialist, deep submergence pin and small boat officer/petty officer in charge of small craft. As of the release of COMNAVIFORINST 1414.1C, EIWS is not mandatory but should remain a factor of consideration when identifying “Best Qualified” candidates for advancement.
- CYBER TECH (In Port) and CYBER OPS (At Sea) qualification requirements are combined therefore if one or the other is listed, qualifications for both are considered to be met.
- Personnel in Designator-8 status are disqualified from Submarine service, are not eligible for advancement, and are not reassigned to Submarines without prior approval of NAVPERSCOM.

- Hold NEC 742A, AND
- Have a history of sustained superior performance defined as a majority of their Individual Trait Averages ABOVE RSCA.

For candidates whose rating has been affected by the ITS Rate Merger (2020) and subsequent ITS Rate Split (2024), the board MUST take a holistic review of the Sailor's record when determining if they are FULLY and BEST QUALIFIED, since it is understood that not all candidates had the opportunity to meet those qualification or NEC standards. Board members must consider the current or previous duty assignment to determine if the Sailor had the ability to obtain those standards.

Candidates must qualify or re-qualify At Sea watches within the required timeframe per the community Continuing Training and Qualifications Manual (CTQM) COMSUBLANT/COMSUBPACINST 3500.3 (Series) to receive credit for best qualified.

Due to the repetitive nature of the Submarine rating billet profiles, repeat tours of similar assignments should not be viewed negatively towards performance and career progression.

For candidates who have only served on one Submarine, i.e., follow on sea tours were at Special Projects or at a Submarine Tender, the board MUST carefully weigh their achievements and demonstrated leadership when determining if they are BEST QUALIFIED since it is understood they might not have had the opportunity to meet the qualification standard.

For candidates who have converted into the submarine force, the board MUST consider the Sailor's achievements and demonstrated leadership in their previous community when determining if they are BEST QUALIFIED since it is understood they might not have had the opportunity to meet the qualification standard.
