Notes:

1. "A" School is not required.
2. BM is a sea intensive rating (refer to Sea/Shore Flow front page).
3. A tour at PERS as a "BM" Rating Detailer is a highly competitive tour requiring a thorough understanding of the rating, manning, and manpower policies. Special consideration should be given if SCVM is fulfilling and has documented performance in this position.
4. A tour at BUPERS-3 as an Enlisted Community Manager (ECM) is for high-performing E8s or E9s. It is a highly competitive tour requiring a thorough understanding of the rating and manning and manpower policies. Special consideration should be given if SCVM is fulfilling and has documented performance in this position.
5. LCAC Navigator, and Craftmaster is a special program that requires an arduous and extended training program to qualify, with billets that have increased responsibility.
6. Consideration should be given to Sailors who have displayed sustained superior performance while serving in Naval Special Warfare (NSW) assignments. These assignments include, but are not limited to, Naval Special Warfare Command, NSW Groups, NSW Units, SEAL Teams, Boat Teams, and NSW Logistical Support Units. Such assignments may not be typical of the traditional career path, yet still provide unique leadership and career-enhancing opportunities valuable to a well-rounded naval career.
