Notes:

1. "A" School and Security Clearance is required.
2. Must attend an Aegis "C" school and possess an Aegis Navy Enlisted Classification.
3. Deployable Sea and Land components located in the 7th Fleet AOR, 6th Fleet AOR and 5th Fleet AOR are extremely arduous, with deployable units being out of homeport well above CONUS average.
4. Aegis manning structure aboard a ship limits opportunity to serve in Leading Petty Officer positions.
5. Instructor Duty and Training Support Center billets can prevent a member from being in a leadership position. This fact is due to the sheer number of Chief Petty Officer and First Class billets at schoolhouses.
6. Billet base for AEGF E5 imbalanced for shore duty, which may preclude a Sailor's opportunity for an in-rate shore tour. Incentives are in place to increase E5 to E9 manning at sea. Sailors electing to stay at sea might not follow normal sea-shore flow.
7. Tours at NPC and BUPERS require special screening and are highly competitive in nature.
8. Personnel assigned to RTC, OTC and Naval Academy as a Recruit Division Commander, are carefully screened and selected for this high priority assignment.
9. Aegis Ashore Billets count as Sea Duty.
10. Typically, though not mandatory, an Aegis FC can expect to do one overseas tour in a career whether as FDNF or Aegis Ashore. They can also expect to do a shore tour in Dahlgren, VA.
