Transfer of Post-9/11 GI Bill

Best Practice

Transfer education benefits to eligible dependents listed in DEERS as soon as you are eligible.

If you have at least 6 years of AD or SELRES service AND obligate 4 more years on AD or SELRES, you can provide your dependents the chance of a lifetime – a funded college education!

Follow the steps in OPNAVINST 1780.4, Encl (2) and you can't go wrong!

Transfer as soon as you can to have maximum flexibility with your benefits. You can always reclaim them for yourself at a later date.
