1	The Navy Enlisted Classification (NEC) 0000, commonly referred to as quad zero, is listed here to establish that Sailors in these ratings/career fields can hold any or no NEC and still be qualified for the SRB provided they meet all other applicable non-NEC related criteria.
2	An SRB approval for all CT, IS, IT and ITS ratings will be contingent upon the Sailor having a current Single Scope Background Investigation (SSBI) or Tier 5 investigation, an active SSBI/Tier 5 or recent submission of an SSBI/Tier 5 package. Commands must verify the Sailor has a current SSBI/Tier 5, active SSBI/Tier 5 or has submitted an SSBI/Tier 5 package and make a note of this in the comments section of the precertification request.
3	E-3 to E-6 Sailors only. Sailors selected for E-7 advancement are not eligible for SRB.
