LDO 6180 (SURFACE ELECTRONICS)

DESIGNATOR DESCRIPTION

Surface Electronics Limited Duty Officers serve as officer technical leaders and managers within combat systems, operations, or weapons departments both afloat and ashore across multiple warfare enterprises. They serve in STO, EMO, FCO, Gunner, CSMO, and CSO billets related to the operation, interoperability, maintenance, acquisitions, logistics, training, and program management for weapons, fire control, sonar, tactical data, AA&E, communications, computers, navigation, air traffic control, auxiliary, and space/ballistic missile defense, and other C5I related systems. They may also serve as officer in charge, executive officer, commanding officer, and instructors at various training activities or in various operational staff billets.
