

# EOD WARFARE OFFICER COMMUNITY MANAGER FLEET OFFICER CANDIDATE SCHOOL (OCS) APPLICATION CHECKLIST FOR EOD WARFARE TRAINEE (1190)

(Updated 6 November 2024)

**PURPOSE:** This checklist is to be used as an additional guide to the overall Navy Recruiting Command (NRC) checklist for fleet applicants to use when submitting your OCS application to NRC. Do not include these checklists with your application. Use these checklists as a guide when submitting your OCS application for EOD Warfare Officer Program.

EOD Warfare accesses a limited number of OCS candidates per fiscal year. Due to the number of candidates typically received per board, the EOD Warfare OCS selection is extremely competitive. A board of active duty EOD Warfare Officers convene once a year in September to select candidates for OCS and follow-on EOD Warfare training. Ensure you work with your Command Career Counselor, the NRC EOD Warfare Program Manager, and the EOD Warfare Officer Community Manager (OCM) to ensure your package is complete. Applicants are required to be interviewed by an EOD Executive Officer.

**\*\*Packages are due 30 April 2025\*\***

**If your Bachelor degree graduation is scheduled after the due date, please communicate that with EOD OCM Team.**
