## **Frequently Missed Items**

**All forms REQUIRE patient identifiers on all pages, dates, and signatures where applicable**

### **DD2807**

- Missing date
- Current medications/drug allergies
- Questionnaire answers (block 10-29) incomplete
- Missing physician signature

### **DD2808**

- Missing date of exam
- Missing dental class
- Medical evaluation incomplete (blocks 17-44)
- Missing anatomical stickman documenting neuro exam or annotation of valsalva
- Insufficient ancillary study documentation (not including full visual acuity or refraction, dates of labs without results or results without dates)
- Block 74 not marked PQ/NPQ
- Block 75 signature of member or annotation that "member is aware but unavailable for signature" if requiring waiver

**Accession Waivers** If a member requires/ receives a waiver for entering service, they must also be waived for the same condition for the special duty in which they are screening, even if not normally disqualifying in that community.

**SF-600** Generated by the co-signing physician (UMO, AMS, FS/NFD as applicable) when a waiver is required.

### **NAVMED 6224/8**

- Travel to country in 3A and no response to 3C.
