Rota/Naples/Sigonella

Scan for more information on the Career Development Symposium.

The MyNavyHR Career Development Symposium (CDS) aims to empower Sailors with the knowledge and tools they need to successfully manage their careers. CDS events are held all around the world bringing HR information and experts to Sailors so they have the opportunity to learn about the latest MyNavyHR initiatives and personnel policy procedures. Each symposium features trade show booths, town halls and breakout sessions with top MyNavyHR leadership. The tradeshow booths cover the full range of topics highlighting MyNavy Coaching, MyNavy Career Center, eNavFit, Government Travel Charge Card for PCS, Enlisted Community Managers, Detailers, Professional Apprenticeship Career Track (PACT) Fleet Engagement Team, Navy COOL, Recruit Division Commanders, Ready Relevant Learning, OARS, Recruiting, US Naval Community College, Naval Special Warfare representatives, and Navy Apps provided by MyNavyHR IT Solutions.

Sailors are also able to meet face to face with detailers and community managers to discuss career options and ask questions. Chiefs, especially, are encouraged to bring their PACT Sailors to discuss rating assignments. PACT Sailors may potentially leave CDS with a rate.
