

BOOTH DESCRIPTIONS

Enlisted Community Managers and Detailers

Sailors will have an opportunity to sit down one-on-one with their community managers and/or detailers to explore different career opportunities within their rating and the various sea and shore special programs the Navy has to offer.

PACT (only at NAVSTA Rota)

Professional Career Apprenticeship Track (PACT) Sailors are now being offered a clearer path to designation through MyNavy Assignment (MNA), announced in NAVADMIN 275/19. This initiative follows the same basic order negotiation process as rated Fleet Sailors. PACT Sailors will begin applying for billets 12 months prior to their projected rotation date (PRD) and remain eligible until they are selected for a billet or until their Soft End of Active Obligated Service (SEEOS).

Naval Special Warfare Development Group (DEVGRU)

Come learn about a career enhancing opportunity to support an elite unit. All DEVGRU Sailors are able to support a very unique mission set directly applicable in their rate. These orders are not available on MyNavy Assignment. This is for Sailors of all paygrades in the following rates; AD, AE, AG, AM, AT, AW, BU, CE, CM, CTI, CTM, CTR, CTT, CWT, EA, EM, EN, EO, ET, FC, FCA, GM, HM, IC, IS, IT, LS, MA, MC, NC, ND, PR, PS, RP, RW, SW, UT, YN and PACT Sailors.

Naval Special Warfare Group (NSW)

Naval Special Warfare (COMNAVSPECWARCOM) recruit, organize, train, man, equip, educate, sustain, secure, maintain combat readiness, and deploy Active Component and Reserve Component NSW forces and personnel to accomplish special warfare missions assigned by Commander, United States Special Operations Command (CDR USSOCOM) or, as authorized, combatant commanders (CCDRs) employing special operations forces (SOF). We are looking to engage with Sailors interested in rate conversion into the NSW team and their potential to attend Basic Underwater Demolition/SEAL (BUD/S) or Navy Special Warfare Combat Crewmen (SWCC).

MyNavy Career Center (MNCC)

The Transaction Service Center/Regional Support Center booth allows CPPAs to personally interface with the RSC to learn about the training and support RSCs provide. Additionally, we will have personnel on site with live access to pay and personnel systems, ready to answer Sailors' and CPPAs' pay inquiries on the spot.

The MyNavy Human Resource Service Center (HRSC) booth will assist Sailors with travel claims, retirement, education, healthcare, and other post-service benefits, offering pay and personnel assistance to Sailors. Additionally, we will educate Sailors and CPPAs on career, pay and personnel policies, procedures, and regulations.

DANTES

Whether you are looking to advance in your Navy career or preparing for a seamless transition to the civilian workforce, DANTES offers fully funded resources to help you succeed. Stop by our booth to discover how you can fast-track your degree and save money with College Credit-by-Examination programs (CLEP and DSST). Sailors can also learn about improving foundational knowledge for career advancement through the Academic Skills Training (AST) program and explore post-military career pathways using the Kuder Journey platform. Command Career Counselors are also highly encouraged to visit to gain the tools and training necessary to advocate for these education programs within your command.

Navy COOL/MilGears/OARS/USMAP

The Navy COOL information may assist Sailors in personal and professional development by earning civilian certifications or licenses and inform Sailors of the voluntary funding pathways. The credentialing aspect of Navy COOL (civilian certifications) and USMAP (documented experience) can positively affect Sailors professional goals (OaRS and LaDRS) and post-Navy career goals and opportunities.

Navy College Program/Tuition Assistance/NCPACE

Navy College Program will provide useful information on the Navy's Tuition Assistance (TA) and NCPACE program. Education counselors will be available to chat with Sailors about the Navy's VOLED benefits as well as any questions about the Sailor's educational goals. Come learn about eligible benefits and a wide range of education opportunities at no cost.

Don't have the internet? Have you heard about the Navy College Program for Afloat College Education (NCPACE)? NCPACE is a voluntary education program that provides education opportunities to eligible Sailors at commands with Type 2 & 4 UICs (sea duty) without the Internet requirement.

Parenthood and Pregnancy Office (OPNAV N17)

The Parenthood and Pregnancy Roadmap is now available to provide Sailors and their families with a consolidated, easy-to-use resource while navigating their parenthood journey. This resource outlines the policies and procedures for family planning, pregnancy, and postpartum events. While it is a comprehensive resource, it may not address every potential situation a Sailor might encounter. For guidance on a specific situation, consult your chain of command or email Navy_ParenthoodandPregnancy@us.navy.mil.

US Naval Community College

We are the United States Naval Community College – the official community college of the Navy and Marine Corps--providing fully-funded associate degree opportunities with embedded certificates in Navy-relevant degree programs. Sailors can earn up to 60 credits, including the 15-credit Naval Studies Certificate that translates to any degree program, 100% free and 100% online.

Career Transition

Navy Recruiting Reserve Command (NRRC) focuses on prior service Officer and Enlisted recruiting into the Selected Reserve (SELRES). A unique feature about this command is that it is made up of 65% of the Navy's Canvasser Recruiter (CANREC). This program is for TAR Sailors who are screened and hired from the SELRES to support this recruiting mission. If you are a TAR Sailor who is interested in applying for recruiting duty or transitioning out of the Navy and want more information on benefits of the Navy Reserves, come visit the NRRC Sailors at CDS. The Career Transition Office will discuss policy, procedures, and benefits for Sailors who intend to separate and desire a seamless transition into the SELRES upon expiration of active obligated service (EAOS).
