3. Each applicant should take pride in knowing that the superior performance documented in the evaluations reviewed by the board required the members to dedicate long hours in making hard choices to ensure only the best and fully qualified applicants were selected. I am confident that each selectee will justify their selection time and again in their new career as naval officers.

Those not selected are highly encouraged to seek out an LDO/CWO in your area for advice on ways to grow professionally and improve opportunity for future selection. Bravo Zulu to all who were willing to answer the call.
