SUBJ/EVERY NAVY CHAPLAIN IS A RECRUITER CAMPAIGN//

RMKS/1. This NAVADMIN announces the Every Navy Chaplain is a Recruiter Campaign. Based on the success of the Every Sailor is a Recruiter, the Chief of Navy Chaplains is asking all Navy Chaplains, Active and Reserve, to submit at least one prospective applicant name to Navy Chaplain Corps Recruiting by the end of Fiscal Year (FY)

2025 to help fill our ranks. Whether it be for Active Duty (4100), Reserve (4105), or Chaplain Candidate Program Officer (1945), share your story, tell of your experiences, and help find quality applicants this FY.

2. On November 28th, we will celebrate the 250th birthday of the Navy Chaplain Corps. From the first divine service in 1775 to today's core competencies of Providing, Facilitating, Advising, and Caring for All, Navy Chaplains have played a vital role in strengthening the spiritual readiness of our warfighters, at sea and ashore, in times of peace and war.

3. The value and impact of chaplains across the fleet is evident: Commanding Officers consistently request chaplains, we now have chaplains billeted to every DDG, and the Navy has honored chaplains by naming two of its newest ships after them. Chaplains' unwavering commitment to the well-being of our sea service members has changed lives, and their contributions to Spiritual Readiness have a direct impact on mission readiness.

4. The best way to honor the legacy of the Chaplain Corps is to continue recruiting the best and brightest to our Chaplain Corps- those who will be dedicated to delivering spiritual care to the fleet for generations to come.
