RMKS/1. This NAVADMIN announces the notice of convening Fiscal Year
(FY) 2026 Active Duty officer lateral transfer and redesignation boards.
Applications will be accepted from qualified Unrestricted Line, Information
Warfare Line, Restricted Line, Staff Corps, and non-off ramp Limited Duty

Officers (LDO). Officers in LDO off-ramp communities requesting to redesignate within their parent community, must utilize references (a) and (b) vice this board. Furthermore, Training and Administration of the Reserves and Selected Reserve officers are not eligible to apply for these boards.

2. The FY26 Active Duty officer lateral transfer and redesignation board schedules are as follows:

a. February 2026 board:

- (1) 15 December 25 - Application packages are due.
- (2) 12 January 26 - All warfare qualifications are due.
- (3) 17 February 26 - All Fitness Reports (FITREPS) are due.
- (4) 24 February 26 - Board convenes.

b. August 2026 board:

- (1) 15 June 26 - Application packages are due.
- (2) 13 July 26 - All warfare qualifications are due.
- (3) 18 August 26 - All FITREPs are due.
- (4) 25 August 26 - Board convenes.

(NOTE: After the application package deadline dates, the only addendums accepted will be warfare qualifications and FITREPs on the listed dates above. There will be no other addendums allowed.)

3. All officers considering applying for lateral transfer or redesignation through this board are strongly encouraged to familiarize themselves with references (c) through (l). Applicants must meet eligibility requirements detailed in references (c) through (e) and are required to review and comply with any additional community requirements found in the lateral transfer Letter of Instruction (LOI), which can be viewed on the MyNavy HR website at <https://www.mynavyhr.navy.mil/Career-Management/Boards/Administrative/Transfer-Redesignation/>.

a. Officers desiring to apply who do not meet eligibility requirements in line with references (c) through (e) such as time-in-grade, years-of-commissioned service, or time-in-service, must submit a waiver request in addition to, or in conjunction with, their lateral transfer and redesignation application. Waivers will not be accepted after the application deadline date.

b. All application packages must include a letter from the officer's current Commanding Officer, acknowledging their review of the application. It should include their positive or negative endorsement of the officer's application and specifically address any waiver requests by the officer. These letters must be dated within 60 days of the application deadline.

4. Submit applications and waiver requests (as required), in line with the lateral transfer LOI, which can be viewed on the MyNavy HR website.

5. The lateral transfer LOI provides officers with an indication of existing lateral transfer and redesignation opportunities, as well as Year Group (YG) limitations. Designators indicated are authorizing a limited number of Active Duty officers to transfer from their current community. Each YG is subject to change prior to the board convening.

6. Officers are required to list their lateral transfer and redesignation choice(s) by priority in their application. Additionally, officers are required to certify the following statement in their application: "I (am/am not) either the subject of an ongoing criminal or military investigation of any kind, or pending charges for any improper behavior or misconduct."
