2. AC Master Chief Petty Officers (MCPOs) selected by the CMDCM selection board shall make contact with the AC CSEL Detailer to negotiate for orders and to request a quota for the Command Master Chief/Chief of the Boat (CMC/COB) Course. Once a CMDCM is in receipt of orders, they must obligate the required length of service within 30 days. Failure to OBLISERVE within the prescribed 30 days, will result in immediate cancellation of orders. To avoid delays in the order negotiation process, Master Chief Petty Officers must ensure their MyNavy Assignment account is updated, EFMP data is current, Spouse Co-Location is on file, and they are Fully Medically Ready (Code 100). Incomplete prerequisites will postpone negotiations. MCPOs selected by the CMDCM screen board will have their rating changed to CMDCM after the 8CMC Navy Enlisted Classification (NEC) is awarded following completion of the CMC/COB course.
