REF/A/DOC/OPNAVINST 1500.22J/11SEP2025//
REF/B/SECWAR MEMORANDUM/30SEP2025//

NARR/REF A IS OPNAVINST 1500.22J, COMMON MILITARY TRAINING PROGRAM.
REF B IS SECRETARY OF WAR MEMORANDUM REDUCTION OF MANDATORY TRAINING
REQUIREMENTS TO RESTORE MISSION FOCUS.

RMKS/1. In line with reference (a), this NAVADMIN announces that Fiscal Year 2026 (FY26) Common Military Training (CMT) topics are available at MyNavyPortal <https://www.mnp.navy.mil/group/training-education-qualifications/cmt>

2. In accordance with reference (b), FY26 CMT requirements have been reduced and optimized, prioritizing command-delivered, in-person training to align with the CNO's "Total Sailor: Fit to Fight" vision and the Foundry's focus on warfighting readiness. These changes provide critical knowledge necessary for mission success, secure operations, and personal resilience while respecting your time.

3. Streamlined Approach. Your feedback drove smarter training that cut redundant topics, reduced frequency (e.g. Controlled Unclassified Information now biennial), and provided alternative materials saving time and maintaining effectiveness. As directed by reference (b), integrated multi-topic training review and development continues. Updates will be communicated via MyNavyPortal.

4. Mandatory CMT Topics (Required for All):

- a. Naval Criminal Investigative Service Counterintelligence and Insider Threat Awareness and Reporting
- b. Department of War Cyber Awareness Challenge 2026
- c. Operations Security Annual Training
- d. Sexual Assault Prevention and Response Awareness
- e. Suicide Prevention
- f. Records Management in the Department of the Navy: Everyone's Responsibility

5. This NAVADMIN will remain in effect until superseded or 30 September 2026, whichever occurs first.
