Summary of Changes (02 April 2021)

d. Conspicuous. Obvious to the eye, attracting attention, striking, bright in color. Should blend with (not stand out from) a professional appearance in uniform. What is conspicuous on one person may not be noticeable on another. If attention is naturally drawn to or detracts from the professional appearance, it is conspicuous.

e. Conservative. Not conspicuous or detracting from the professional appearance while in uniform.

f. Faddish. A style followed for a short period of time with exaggerated zeal. Styles are enduring, fads are generally short in duration and frequently started by an individual or event in the civilian community. Fads are generally conspicuous and detract from a professional appearance.

g. Complements Skin Tone. A conservative color which contributes to the wearer's natural skin tone. Conservative colors are generally inconspicuous and do not detract from a professional appearance in uniform.

h. Phase-Out. Discontinue wear.

2101. GENERAL INFORMATION

1. GENERAL. **The primary consideration is to have a neatly groomed appearance while wearing naval uniforms.** Grooming standards are based on several elements including neatness, cleanliness, safety, military image and appearance. The standards established here are not intended to be overly restrictive nor are they designed to isolate Navy personnel from society. The limits set forth are reasonable, enforceable, and insure that personal appearance contributes to a favorable military image. The difference between men's and women's grooming policies recognizes the difference between the sexes; sideburns for men, different hairstyles and cosmetics for women. Establishing identical grooming and personal appearance standards for men and women would not be in the Navy's best interest and is not a factor in the assurance of equal opportunity.

2. NAVY PERSONNEL ASSIGNED TO MARINE CORPS. Sailors assigned to U.S. Marine Corps units who wear the Marine Corps uniform will abide by Marine Corps grooming standards except for the requirement of a zero fade hairstyle for male Sailors. See article 6501.4.

3. SMARTNESS

a. Image. United States Navy personnel must set and maintain the high standards of smartness in uniform appearance. The military image reflected by attention to detail, while wearing your uniforms, is a key element in the public image of the Navy.

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

b. Cleanliness. Uniforms shall be kept scrupulously clean, with lace, devices and insignia bright and free from tarnish and corrosion.

c. Articles.

(1) NO ARTICLES SHALL PROTRUDE FROM OR BE VISIBLE ON THE UNIFORM, including such items as, pencils, pens, watch chains, key chain fobs, pins, jewelry, combs, large wallets, cigars, cigarettes, pipes, or similar items (Jewelry, tie clasps, cuff links, shirt studs and earrings shall be worn as prescribed elsewhere in these regulations). Communication devices (e.g. cell phones, blackberries, pagers, etc.) are authorized for use and wear while in uniform (to include walking) in the manner prescribed as follows:

(a) Communication devices shall be conservative in color and design and shall not distract from the appearance of the uniform.

(b) Only one communication device is authorized for wear and can only be worn on the belt of working and service uniforms aft of the elbow.

(c) Wearing of communication devices on service dress uniforms is not authorized.

(d) Communication devices will not be visible from the front and worn in such a manner as to impede the normal wear and appearance of the uniform (e.g. sagging, bunching, bulging, protruding etc.).

(h) The use of an earpiece, blue tooth technology, headsets or hands-free device while in uniform indoors or outdoors is prohibited unless specifically authorized for the execution of official duties (e.g. NSW, security personnel, detailers, etc.).

(i) The use of blue tooth technology, headsets and other hands-free devices are only allowed in uniform in a vehicle when authorized by local, state and federal law. Regional commanders may further restrict on base use of hands-free devices.

(2) Civilian bags (e.g. computer bags/briefcases), this does not include women's handbags/purses, may be worn with the working and service uniforms as prescribed in the manner below:

**U.S. Navy Uniform Regulations

2201. PERSONAL APPEARANCE. Because it is impossible to provide examples of every appropriate or unacceptable hairstyle or of "conservative" or "eccentric" grooming and

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

personal appearance, the good judgment of leaders at all levels is key to enforcement of Navy grooming policy. Therefore, hair/grooming/personal appearance while in uniform shall present a neat, professional appearance. Commanding officers will ensure facial hair does not impede the ability to safely wear and properly utilize emergency equipment when required.

1. HAIR

a. Men. Keep hair neat, clean and well groomed. Hair above the ears and around the neck shall be tapered from the lower natural hairline upwards at least 3/4 inch and outward not greater than 3/4 inch to blend with hairstyle. Hair on the back of the neck must not touch the collar. Hair shall be no longer than four inches and may not touch the ears, collar, extend below eyebrows when headgear is removed, show under front edge of headgear, or interfere with properly wearing military headgear. The bulk of the hair shall not exceed approximately two inches. Bulk is defined as the distance that the mass of hair protrudes from the scalp. Hair coloring must look natural and complement the individual. Faddish styles and outrageous multicolored hair are not authorized. The unique quality and texture of curled, waved, and straight hair are recognized, and in some cases the 3/4 inch taper at the back of the neck may be difficult to attain. In those cases hair must present a graduated appearance and may combine the taper with a line at the back of the neck. **One** (cut, clipped or shaved) natural, narrow, fore and aft part is authorized. Varying hairstyles, including afro, are permitted if these styles meet the criteria of maximum length and bulk, tapered neck and sides, and do not interfere with properly wearing military headgear. Plaited or braided hair shall not be worn while in uniform or in a duty status. Keep sideburns neatly trimmed and tailored in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be of even width (not flared) and shall end with a clean shaven horizontal line. [Figure 2-2-1](#) refers. "Muttonchops", "ship's captain", or similar grooming modes are not authorized.

b. Women. This policy applies to female Sailors while wearing the Navy uniform and when wearing civilian clothes in the performance of duty.

(1) Acceptable Hairstyle Criteria. Hairstyles and haircuts shall present a professional and balanced appearance. Appropriateness of a hairstyle shall be evaluated by its appearance when headgear is worn. All headgear shall fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. Hairstyles will not interfere with the proper wearing of headgear, protective masks or equipment. When headgear is worn, hair shall not show from under the front of the headgear. Hair is not to protrude from the opening in the back of the ball cap, except when wearing a bun or ponytail hairstyle. All buns and ponytails shall be positioned on the back of the head to ensure the proper wearing of all headgear.

Lopsided and extremely asymmetrical hairstyles are not authorized. Angled hairstyles will have no more than a 1-1/2 inch difference between the front and the back length of hair. Layered hairstyles are authorized provided layers present a smooth and graduated appearance.

Hair length, when in uniform, may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. With jumper uniforms, hair may extend a maximum of 1-1/2 inches below the top of the jumper collar. Long hair, including braids, shall be neatly fastened, pinned, or secured to the head. When bangs are worn, they shall not extend

U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)

below the eyebrows. Hair length shall be sufficient to prevent the scalp from being readily visible (with the exception of documented medical conditions).

Hair bulk (minus the bun) as measured from the scalp will not exceed 2 inches. [Figure 2-2-2](#) refers. The bulk of the bun shall not exceed 3 inches when measured from the scalp and the diameter of the bun will not exceed or extend beyond the width of the back of the head. Loose ends must be tucked in and secured.

Hair, wigs, or hair extensions/pieces must be of a natural hair color (i.e. blonde, brunette, brown, red, gray, or black). Hair extensions/pieces must match the current color of hair. Wigs, hairpieces and extensions shall be of such quality and fit so as to present a natural appearance and conform to the grooming guidelines listed herein. Tints and highlights shall result in natural hair colors and be similar to the current base color of the hair.

(2) Hairstyles. Hairstyles shall not detract from a professional appearance in uniform. Styles with shaved portions of the scalp (other than the neckline), those with designs cut, braided, or parted into the hair, as well as dyed using unnatural colors are not authorized. The unique quality and texture of curled, waved and straight hair are recognized. All hairstyles must minimize scalp exposure. While this list shall not be considered all inclusive, the following hairstyles are authorized.

a. Three strand braids and two strand braids (also referred to as twists) are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein.

b. Multiple braids. Multiple braids consist of more than 2 braids and encompass the whole head. When a hairstyle of multiple braids is worn, each braid shall be of uniform dimension, small in diameter (no more than 1/4 inch), and tightly interwoven to present a neat, professional, well-groomed appearance. Foreign material (e.g., beads, decorative items) shall not be braided into the hair. Multiple braids may be worn loose, or may be pulled straight back into a bun, within the guidelines herein.

c. Two individual braids. One braid worn on each side of the head, uniform in dimension and no more than one inch in diameter. Each braid extends from the front to back of the head near the lower portion of the hair line (i.e., braids are closer to the top of the ear than the top of the head to prevent interference with wearing of headgear). A single French braid may be worn starting near the top of the head and be braided to the end of the hair. The end of the braid must be secured to the head and braid placement shall be down the middle of the back of the head.

d. Corn rows. Must be in symmetrical fore and aft rows, and must be close to the head, leaving no hair unbraided. They must be no larger than 1/4 inch in diameter and show no more than approximately 1/8 inch of scalp between rows. Corn row ends shall not protrude from the head. Rows must end at the nape of the neck and shall be secured with rubber bands that match the color of the hair. Corn rows may end in a bun conforming to the guidelines listed herein, if hair length permits.

e. Rolls. Two individual rolls, one on each side of the head, must be near the lower portion of the hair line (i.e., rolls are closer to the top of the

U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)

ear than the top of the head and will not interfere with wearing of headgear). Rolls must be of uniform dimension and no more than one inch in diameter.

f. Locks. Lock hairstyle (Locks) for the purpose of Navy Uniform Regulations grooming standards consists of one section of hair that twists from or near the root to the end of the hair and creates a uniform ringlet or cord-like appearance. Locks may be worn in short, medium, and long hair lengths in the following manner:

(1) Locks must continue from the root to the end of the hair in one direction (no zig-zagging, curving, or ending before the end of the lock to dangle as a wisp or loose hair) and should encompass the whole head. Locks partings must be square or rectangle in shape in order to maintain a neat and professional appearance.

(2) Locks can be loose (free-hanging where no hair is added to the lock once it is started other than hair extensions that are attached to natural hair). When worn loose, locks will be spaced no more than three-eighths of an inch apart, diameter/width will not exceed three-eighths of an inch, and locks will be tightly interlaced to present a neat and professional military appearance. Locks may also be worn in a bun provided all hair grooming requirements are met. Faux locks are authorized provided the hairstyle worn is in compliance with female hair grooming requirements. Locks may not be worn in combination with other hair styles (e.g. twists, braids).

(3) New growth (defined as hair that naturally grows from the scalp and has not yet been locked) will not exceed one-half inch at any time.

(4) Locks that do not meet the above standards and do not present a neat and professional military appearance will not be worn in uniform. Commanding Officers have the ultimate responsibility for determining when hairstyles are eccentric, faddish, or out of standards.

g. Ponytails. A ponytail is a hairstyle in which the hair on the head is pulled away from the face, gathered and secured at the back of the head with an approved accessory. Hair extending beyond the securing accessory may be braided or allowed to extend naturally. The wear of a single braid, French braid, or a single ponytail in Service, Working, and PT uniforms is authorized. The following criteria pertain to the wearing of ponytail hairstyles while wearing a U.S. Navy uniform. Ponytail hairstyles will not interfere with the proper wearing of military headwear and equipment nor extend downward more than three inches below the lower edge of the collar (shirt/blouse, jacket or coat) while sitting, standing or walking. Additionally, ponytails will not extend outward more than three inches behind the head as measured from the securing accessory, nor shall the width exceed the width of the back of the head or be visible from the front. In spaces or environments where there are operational hazards such as rotating gear, etc., the hair may not be worn below the bottom of the collar.

(1) Hair Accessories. When hair accessories are worn, they must be consistent with the hair color. A maximum of two small barrettes, similar to hair color, may be used to secure the hair to the head. Bun accessories (used to form the bun), are authorized if completely concealed. Additional hairpins, bobby pins, small rubber bands, or small thin fabric elastic bands may be used to hold hair in place, if necessary. The intent is for pinned-up hair to be styled in a manner that prevents loose

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

ends from extending upward or outward from the head. For example, when using barrettes or hairpins, hair will not extend loosely from the head; when hair is in a bun, all loose ends must be tucked in and secured. Hair accessories shall not present a safety or foreign object damage (FOD) hazard. Hair nets shall not be worn unless authorized for a specific type of duty. Headbands, scrunchies, combs, claws and butterfly clips, are examples of accessories that are not authorized; this list is not to be considered all inclusive.

(2) Unauthorized Hairstyles. While this list shall not be considered all inclusive, the following hairstyles are not authorized: Pigtails; braids that are widely spaced and/or protrude from the head.

(3) Grooming Standards Exception.

a. During group Command/Unit physical training, Commanding Officers are authorized to standardize unit policy for the relaxation of female hair grooming standards with regard to having hair secured to head (e.g., ponytails). Hair restraining devices, if worn, will be consistent with the current hair color.

b. Relaxed Hair Requirement with Dinner Dress Uniforms. Female Sailors are authorized to wear their hair below the lower edge of the collar of the blouse, jacket, or coat of the Dinner Dress Uniform being worn. All other Navy grooming requirements will remain in effect per the guidance promulgated by this instruction.

2. SHAVING AND MUSTACHES (Men). The face shall be clean shaven unless a shaving waiver is authorized by the Commanding Officer per BUPERSINST 1000.22 or a religious accommodation has been granted per BUPERSINST 1730.11. Mustaches are authorized but shall be kept neatly and closely trimmed. No portion of the mustache shall extend below the lip line of the upper lip. It shall not go beyond a horizontal line extending across the corners of the mouth and no more than 1/4 inch beyond a vertical line drawn from the corner of the mouth. The length of an individual mustache hair fully extended shall not exceed approximately 1/2 inch. Figure 2-2-1 refers. Handlebar mustaches, goatees, beards or eccentricities are not permitted. If a shaving waiver is authorized per BUPERSINST 1000.22 or BUPERSINST 1730.11, no facial/neck hair shall be shaved, manicured, styled or outlined nor exceed 1/4 inch in length. **Supervisors of individuals with medical shaving waivers shall actively monitor and ensure treatment regimen is followed.** The following personnel are not authorized to wear any facial hair except when medical waivers or religious accommodation have been granted:

- a. Brig prisoners.
- b. Brig awardees.
- c. Personnel in a disciplinary hold status (i.e., who are serving restriction or hard labor without confinement or extra duties as a result of a court-martial or NJP).
- d. Personnel assigned to a transient personnel unit who are awaiting separation:

(1) By reason of a court-martial sentence.

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

(2) To benefit the service (MILPERSMAN 1910-164).

(3) Pursuant to the recommendation or waiver of an administrative discharge board, for misconduct (MILPERSMAN 1910-140).

3. HAIRPIECES. Wigs or hairpieces shall be of good quality and fit, present a natural appearance and conform to the grooming standards set forth in these regulations. They shall not interfere with the proper performance of duty nor present a safety or FOD (Foreign Object Damage) hazard.

a. Men. Wigs or hairpieces may be worn by active duty personnel while in uniform or duty status only for cosmetic reasons to cover natural baldness or physical disfigurement. Wigs may be worn by Naval Reserve personnel engaged in inactive duty for training.

b. Women. Wigs or hairpieces meeting women's grooming standards are authorized for wear by personnel while in uniform or duty status.

4. COSMETICS (Women). Cosmetics may be applied in good taste so that colors blend with natural skin tone and enhance natural features. Exaggerated or faddish cosmetic styles are not authorized with the uniform and shall not be worn. Care should be taken to avoid an artificial appearance. Lipstick colors shall be conservative and complement the individual. Long false eyelashes shall not be worn when in uniform.

a. Cosmetic Permanent Makeup. Cosmetic Permanent Makeup is authorized for eyebrows, Eyeliner, lipstick and lip liner only. Permanent makeup shall be in good taste and blend naturally with the skin tone to enhance a natural appearance. Exaggerated or faddish cosmetic styles are not authorized and shall not be obtained. b. Requesting Procedures.

(1). Female Service Members assigned to their permanent duty station shall submit a Special Request Authorization Form (NAVPERS 1336/3) to their Commanding Officer expressing their desire to obtain permanent makeup. Added:

2201. PERSONAL APPEARANCE. Because it is impossible to provide examples of every acceptable or unacceptable hairstyle or "conservative" grooming and personal appearance example, the good judgment of leaders at all levels is key to enforcement of Navy grooming policy. Therefore, hair/grooming/personal appearance while in uniform shall present a neat, professional military appearance. Commanding Officers will ensure facial hair does not impede the ability to safely wear and properly utilize emergency equipment when required.

1. HAIR

a. Men. Keep hair neat, clean and well groomed. Hair above the ears and around the neck shall be tapered from the lower natural hairline upwards at least 3/4 inch and outward not greater than 3/4 inch to blend with hairstyle. Hair on the back of the neck must not touch the collar. Hair shall be no longer than four inches and may not touch the ears, collar, extend below eyebrows when headgear is removed, show under front edge of headgear, or interfere with properly wearing military headgear. The bulk of the hair shall

U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)

not exceed approximately two inches. Bulk is defined as the distance that the mass of hair protrudes from the scalp. Hair coloring must look natural and present a complementary appearance. Multicolored hair styles are not authorized. The unique quality and texture of curled, waved, and straight hair are recognized, and in some cases the 3/4 inch taper at the back of the neck may be difficult to attain. In those cases hair must present a graduated appearance and may combine the taper with a line at the back of the neck. **One** (cut, clipped or shaved) natural, narrow, fore and aft part is authorized. Varying hairstyles, including afro, are permitted if these styles meet the criteria of maximum length and bulk, tapered neck and sides, and do not interfere with properly wearing military headgear. Plaited or braided hair shall not be worn while in uniform or in a duty status. Keep sideburns neatly trimmed and tailored in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be of even width (not flared) and shall end with a clean shaven horizontal line. Figure 2-2-1. "Muttonchops", "ship's captain", or similar grooming modes are not authorized.

b. Women. This policy applies to female Sailors while wearing the Navy uniform and when wearing civilian clothes in the performance of duty.

(1) Acceptable Hairstyle Criteria. Hairstyles and haircuts shall present a professional and balanced appearance. Appropriateness of a hairstyle shall be evaluated by its appearance when headgear is worn. All headgear shall fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. Hairstyles will not interfere with the proper wearing of headgear, protective masks or equipment. When headgear is worn, hair shall not show from under the front of the headgear. Hair is not to protrude from the opening in the back of the ball cap, except when wearing a bun or ponytail hairstyle. All buns and ponytails shall be positioned on the back of the head to ensure the proper wearing of all headgear.

Lopsided and extremely asymmetrical hairstyles are not authorized. Angled hairstyles will have no more than a 1-1/2 inch difference between the front and the back length of hair. Layered hairstyles are authorized provided layers present a smooth and graduated appearance.

Hair length, when in uniform, may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. With jumper uniforms, hair may extend a maximum of 1-1/2 inches below the top of the jumper collar. Long hair, including braids, shall be neatly fastened, pinned, or secured to the head. When bangs are worn, they shall not extend below the eyebrows. Hair length shall be sufficient to prevent the scalp from being readily visible (with the exception of documented medical conditions).

Hair bulk (minus the bun) as measured from the scalp will not exceed 2 inches. Figure 2-2-2. The bulk of the bun shall not exceed 3 inches when measured from the scalp and the diameter of the bun will not exceed or extend beyond the width of the back of the head. Loose ends must be tucked in and secured.

Hair, wigs, or hair extensions/pieces must be of a natural hair color (i.e. blonde, brunette, brown, red, gray, or black). Hair extensions/pieces must match the current color of hair. Wigs, hairpieces and extensions shall be of such quality and fit so as to present a natural appearance and conform to the grooming guidelines listed herein. Tints and highlights shall result in natural hair colors and be similar to the current base color of the hair.

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

(2) Hairstyles. Hairstyles shall not detract from a professional appearance in uniform. Styles with shaved portions of the scalp (other than the neckline), those with designs cut, braided, or parted into the hair, as well as dyed using unnatural colors are not authorized. The unique quality and texture of curled, waved and straight hair are recognized. All hairstyles must minimize scalp exposure. While this list shall not be considered all inclusive, the following hairstyles are authorized.

a. Three strand braids and two strand braids (also referred to as twists) are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein.

b. Multiple braids. Multiple braids consist of more than 2 braids and encompass the whole head. When a hairstyle of multiple braids is worn, each braid shall be of uniform dimension, small in diameter (no more than 1/4 inch), and tightly interwoven to present a neat, professional, well-groomed appearance. Foreign material (e.g., beads, decorative items) shall not be braided into the hair. Multiple braids may be worn loose, or may be pulled straight back into a bun, within the guidelines herein.

c. Two individual braids. One braid worn on each side of the head, uniform in dimension and no more than one inch in diameter. Each braid extends from the front to back of the head near the lower portion of the hair line (i.e., braids are closer to the top of the ear than the top of the head to prevent interference with wearing of headgear). A single French braid may be worn starting near the top of the head and be braided to the end of the hair. The end of the braid must be secured to the head and braid placement shall be down the middle of the back of the head.

d. Corn rows. Must be in symmetrical fore and aft rows, and must be close to the head, leaving no hair unbraided. They must be no larger than 1/4 inch in diameter and show no more than approximately 1/8 inch of scalp between rows. Corn row ends shall not protrude from the head. Rows must end at the nape of the neck and shall be secured with rubber bands that match the color of the hair. Corn rows may end in a bun conforming to the guidelines listed herein, if hair length permits.

e. Rolls. Two individual rolls, one on each side of the head, must be near the lower portion of the hair line (i.e., rolls are closer to the top of the ear than the top of the head and will not interfere with wearing of headgear). Rolls must be of uniform dimension and no more than one inch in diameter.

f. Locks. Lock hairstyle (Locks) for the purpose of Navy Uniform Regulations grooming standards consists of one section of hair that twists from or near the root to the end of the hair and creates a uniform ringlet or cord-like appearance. Locks may be worn in short, medium, and long hair lengths in the following manner:

(1) Locks must continue from the root to the end of the hair in one direction (no zig-zagging, curving, or ending before the end of the lock to dangle as a wisp or loose hair) and should encompass the whole head. Locks partings must be square or rectangle in shape in order to maintain a neat and professional military appearance.

(2) Locks can be loose (free-hanging where no hair is added to the lock once it is started other than hair extensions that are attached to natural

U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)

hair). When worn loose, locks will be spaced no more than three-eighths of an inch apart, diameter/width will not exceed three-eighths of an inch, and locks will be tightly interlaced to present a neat and professional military appearance. Locks may also be worn in a bun provided all hair grooming requirements are met. Faux locks are authorized provided the hairstyle worn is in compliance with female hair grooming requirements. Locks may not be worn in combination with other hair styles (e.g. twists, braids).

(3) New growth (defined as hair that naturally grows from the scalp and has not yet been locked) will not exceed one-half inch at any time.

(4) Locks that do not meet the above standards and do not present a neat and professional military appearance will not be worn in uniform. Commanding Officers have the ultimate responsibility for determining when hairstyles are out of standards.

g. Ponytails. A ponytail is a hairstyle in which the hair on the head is pulled away from the face, gathered and secured at the back of the head with an approved accessory. Hair extending beyond the securing accessory may be braided or allowed to extend naturally. The wear of a single braid, French braid, or a single ponytail in Service, Working, and PT uniforms is authorized. The following criteria pertain to the wearing of ponytail hairstyles while wearing a U.S. Navy uniform. Ponytail hairstyles will not interfere with the proper wearing of military headwear and equipment nor extend downward more than three inches below the lower edge of the collar (shirt/blouse, jacket or coat) while sitting, standing or walking. Additionally, ponytails will not extend outward more than three inches behind the head as measured from the securing accessory, nor shall the width exceed the width of the back of the head or be visible from the front. In spaces or environments where there are operational hazards such as rotating gear, etc., the hair may not be worn below the bottom of the collar.

h. Hair Accessories. When hair accessories are worn, they must be consistent with the hair color. A maximum of two small barrettes, similar to hair color, may be used to secure the hair to the head. Bun accessories (used to form the bun), are authorized if completely concealed. Additional hairpins, bobby pins, small rubber bands, or small thin fabric elastic bands may be used to hold hair in place, if necessary. The intent is for pinned-up hair to be styled in a manner that prevents loose ends from extending upward or outward from the head. For example, when using barrettes or hairpins, hair will not extend loosely from the head; when hair is in a bun, all loose ends must be tucked in and secured. Hair accessories shall not present a safety or foreign object damage (FOD) hazard. Hair nets shall not be worn unless authorized for a specific type of duty. Headbands, scrunchies, combs, claws and butterfly clips, are examples of accessories that are not authorized; this list is not to be considered all inclusive.

i. Unauthorized Hairstyles. While this list shall not be considered all inclusive, the following hairstyles are not authorized: Pigtails; braids that are widely spaced and/or protrude from the head.

j. Grooming Standards Exception.

(1) During group Command/Unit physical training, Commanding Officers are authorized to standardize unit policy for the relaxation of female hair grooming standards with regard to having hair secured to head (e.g., ponytails). Hair restraining devices, if worn, will be consistent with the current hair color.

**U.S. Navy Uniform Regulations
Summary of Changes (02 April 2021)**

(2) Relaxed Hair Requirement with Dinner Dress Uniforms. Female Sailors are authorized to wear their hair below the lower edge of the collar of the blouse, jacket, or coat of the Dinner Dress Uniform being worn. All other Navy grooming requirements will remain in effect per the guidance promulgated by this instruction.

Mustaches are authorized but shall be kept neatly and closely trimmed. No portion of the mustache shall extend below the lip line of the upper lip. It shall not go beyond a horizontal line extending across the corners of the mouth and no more than 1/4 inch beyond a vertical line drawn from the corner of the mouth. The length of an individual mustache hair fully extended shall not exceed approximately 1/2 inch. Figure 2-2-1. Handlebar mustaches, goatees, beards or chin hair are not permitted. If a shaving waiver is authorized per BUPERSINST 1000.22 or BUPERSINST 1730.11, no facial/neck hair shall be shaved, manicured, styled or outlined nor exceed 1/4 inch in length. **Supervisors of individuals with medical shaving waivers shall actively monitor and ensure treatment regimen is followed.** The following personnel are not authorized to wear any facial hair except when medical waivers or religious accommodation have been granted:

3. HAIRPIECES. Wigs or hairpieces shall be of good quality and fit, present a natural appearance and conform to the grooming standards set forth in these regulations. They shall not interfere with the proper performance of duty nor present a safety or FOD (Foreign Object Damage) hazard.

a. Men. Wigs or hairpieces may be worn by active duty personnel while in uniform or duty status only for cosmetic reasons to cover natural baldness or physical disfigurement. Wigs may be worn by Naval Reserve personnel engaged in inactive duty for training.

Additionally, Commanding Officers will ensure requests for permanent makeup are annotated in member's medical record and medical entries are made after permanent makeup is obtained. Counseling of Sailors should include and might not be limited to the following topics: Personal financial impact of obtaining procedure. Qualification of provider of permanent makeup such as a qualified, licensed electrologist, esthetician or state board certified technician. The permanency and risks associated with procedures. The procedure cannot interfere with performance of military duties; planned leave to facilitate healing and return to full duty. The possible Non-availability of Military Treatment Facilities. The possibility of administrative separation if permanent makeup is non-compliant with Cosmetic Policies.

(3) Commanding Officers of members who have obtained Permanent Makeup that is not in accordance with existing policies shall document the condition on a NAVPERS 1070/613.
