b. This instruction has been completely revised to incorporate changes made to reference (a) to include changes for electronic submission of the DD 214 when available. This instruction should be reviewed in its entirety.

2. Cancellation. BUPERSINST 1900.8D.

3. Scope and Applicability

a. This instruction applies to all active duty and Navy Reserve Service members and the total work force responsible for delivery of pay and personnel services and includes, but is not limited to:

(1) Commanding officers (CO), commanders, heads of activities, and officers in charge (OIC) with responsibility of executing the certification of Navy military pay and personnel functions.

(2) Command administrators and Navy career counselors responsible for the administration of human resources services to Navy military personnel assigned to commands within their area of responsibility.

(3) Navy operational support centers (NOSC), Navy Reserve activities, and Reserve Component (RC) commands responsible for the administration and execution of reserve pay and personnel services.

(4) Navy afloat and shore personnel support detachments (PSD) and fleet personnel services responsible for the delivery, administration, and execution of pay and personnel services.

(5) Navy headquarters organizations responsible for the administration, execution, and oversight of pay and personnel services.

b. All commands with Navy military personnel assigned must become familiar with the contents of this instruction and comply with all policies and procedures issued for the management of personnel and pay services that fall within the scope of this instruction and its references.

4. Background

a. Per reference (a), the Department of Defense (DoD) prescribes the DD 214, DD 214C, DD 214WS, and DD 215 for use by all Military Services. Reference (b) provides separation and discharge reasons.

b. Enclosures (1) through (5) are used for the preparation and distribution of the DD 214, DD 214C, and DD 215. Separation orders will be issued from Commander, Navy Personnel Command (COMNAVPERSCOM) to the separation activities via the Navy Standard Integrated Personnel System (NSIPS) Order Writing module.

c. The DD 214 is designed to provide a short-form original which excludes “Special Additional Information” and a long-form copy with additional information selectively included based on the recipient’s needs.

d. DD 214 provides Military Services with information necessary for administrative processing and enlistment and reenlistment determination, as well as data required by separatees for personal use.

5. Intent of the DD 214. The DD 214 is a brief, clear-cut record of a period or term of active military service that provides:

a. Military Services with a readily available source of information used to determine eligibility for enlistment or reenlistment;

b. Service members with a brief record of active service; and

c. Appropriate governmental agencies with an authoritative source of information which they require in the administration of Federal and State laws.

6. Control of the DD 214, DD 214C, DD 214WS, and DD 215. These forms are documents containing sensitive information and are vulnerable to fraudulent use. DoD has directed the following procedures to prevent unauthorized use of the form:

a. Command Responsibilities. Each command must establish internal accountability procedures for use and destruction of forms. The CO or OIC will appoint, in writing, an individual of grade E7, GS-7, or above to control and issue the DD 214, DD 214C, and DD 214WS and when appropriate, the DD 215. The CO or OIC of designated separation activities listed in reference (b), MILPERSMAN 1910-812, may authorize an E6, GS-7, or above to serve in this capacity, if so designated in writing. Letter of appointment should not be sent to Navy Personnel Command (NAVPERSCOM), but must be maintained in the command files.

b. PSD. When a command is supported by a PSD, responsibility for issuance of the DD 214 lies with the PSD.

c. Security. The following procedures for the security of electronic forms are provided as follows:

(1) COs must ensure appropriate security measures are in place to safeguard unauthorized use of the electronic portable document format (PDF) file DD 214, DD 214C, DD 214WS, and DD 215 by placing the forms on a separate directory, using local area network security and restricting access only to authorized personnel creating the actual form.

(2) For commands using the Retirements and Separations (R&S) module within NSIPS, a serial number and transaction code will be auto-generated upon finalization (digital signature of the authorizing official). For units not yet using the R&S module, assign a serial number in block 18 of the DD 214 (block 5 of the DD 215), and maintain these serial numbers in either an electronic or paper log. The manually-generated serial number consists of four elements (16-17 characters), to include command unit identification code (UIC), last two-digit calendar year, four-digit consecutive number, and initials of the preparer (e.g., SER: 62981-17-0001-DWC).

(3) For commands using the R&S module, a report can be generated with the following: serial number, transaction code, name of person discharged or separated, effective date of discharge or separation, processed date, separation code (SEP CODE), separation clerk, and member's command. For units not using the R&S module, the command's log will consist of at a minimum, all matching information in the preceding sentence regarding NSIPS R&S report. Commands may add additional elements, as desired, to the log.

d. Destruction of Forms. Obsolete, blank, partially completed, and reproduced copies of the DD 214, DD 214C, DD 214WS, and DD 215 to be discarded must not remain intact but must be destroyed by shredding or burning. No form will be discarded intact.

7. Records Management. Records created as a result of this instruction, regardless of media and format, must be managed per Secretary of the Navy (SECNAV) Manual 5210.1 of January 2012.

8. Review and Effective Date. Per OPNAVINST 5215.17A, NAVPERSCOM, Pay and Personnel Management Department (PERS-2), will review this instruction annually on the anniversary of its issuance date to ensure applicability, currency, and consistency with Federal, DoD, SECNAV, and Navy policy and statutory authority using OPNAV 5215/40 Review of Instruction. This instruction will be reissued by the 5-year anniversary date if it is still required, unless it meets one of the exceptions in OPNAVINST 5215.17A, paragraph 9. Otherwise, if the instruction is no longer required, it will be processed for cancellation as soon as the cancellation is known following guidance in OPNAV Manual 5215.1 of May 2016.

9. Forms

a. NAVPERSCOM, Directives, Printing, and Publications Branch (PERS-532) will provide authorized separation activities with current electronic versions of the DD 214, 214C, 214WS, and 215.

**INSTRUCTIONS FOR ISSUANCE OF DD 214,
CERTIFICATE OF RELEASE OR DISCHARGE
FROM ACTIVE DUTY AND RELATED
DOCUMENTS**

INSTRUCTIONS FOR ISSUANCE OF DD 214, 215 CERTIFICATE OF RELEASE OR
DISCHARGE FROM ACTIVE DUTY AND RELATED DOCUMENTS

1. Criteria for Issuance of DD 214. The DD 214 is prepared to cover periods of service on active duty, active duty for training (ADT), full-time support (FTS) duty, active duty for special work (ADSW), certain periods terminated by a change of status not concurrent with separation from active service, and release from a status that is legally determined to be void. The DD 214 will be issued to members in conjunction with their release from active duty (RELACDU) and prior to final departure from their command or separation activity on permissive temporary additional duty, terminal leave, and associated travel.

a. Eligible Personnel. The DD 214 will be issued to the following personnel:

(1) RELACDU. The DD 214 will be prepared for each member at the time of separation from a period of active naval service as specified below or a period of service determined to be void. The DD 214 will be provided to officers dismissed under the sentence of a general court-martial or dropped from the rolls. (NOTE: Members who are placed on appellate leave are not RELACDU. Appellate leave is a statutorily authorized non-pay leave status. Do not, in such cases, issue a DD 214.)

(2) RELACDU for ADT, FTS, or ADSW. The DD 214 will be prepared for personnel being separated from a period of ADT, FTS, or ADSW when the period of service was 90 days or more or when required by the SECNAV for shorter periods. The DD 214 will also be prepared for personnel being separated for cause or for physical disability, regardless of length of time served on active duty. In the case of disability, the DD 214 will show active duty for only the period for which the member was ordered. The period of hospitalization subsequent to that period may be shown in block 18.

(clarification for DD 214 issuance)

NOTE 1: DD 214 will be issued if the period of service is 90 days or more without a break in active duty service, whether on one or more different types of consecutive orders (ADT, ADSW/ADOS (other than training), or MOB).

a. For seamless consecutive orders:

(1) Record dates in the remarks section (block 18) consecutively, e.g.:

ADT SERVICE THIS PERIOD 2018 02 01 TO 2018 03 31
ADSW SERVICE THIS PERIOD 2018 04 01 TO 2018 05 15
MOB SERVICE THIS PERIOD 2018 05 16 TO 2018 09 30

(2) Use the standard "Release from Active Duty" verbiage in the type of separation (block 23).

(3) For blocks 24, 26, 27 use appropriate entry that is applicable at time of separation.

b. If issued contingency operations orders, refer to paragraph 1a(2)(a). If necessary, contingency operations orders may be added to complete the 90-day consecutive active duty service; only one DD 214 will be issued to cover this period of active service.

c. This guidance is retroactive for active duty service performed on or after 27 August 2018, the original release of BUPERSINST 1900.8E.

(a) RC personnel ordered to active duty for a contingency operation greater than 30 days will be issued a DD 214. A contingency operation is defined in reference (d), section 101, subparagraph (a) (13), and will be annotated as such in the mobilization orders issued by NAVPERSCOM Full-Time Support Distribution and Augmentation Division (PERS-46) under the "Billet Information Section" immediately after the "Ultimate Activity Section."

(b) The DD 214 issuance requirement also applies to recalled retirees reverting to retired status, regardless of the period of active duty served.

(3) RELACDU Following Call-up, Partial Mobilization, or Full Mobilization. Personnel ordered to active duty in time of national emergency declared by either the President or Congress, or war declared by Congress will be provided a DD 214 upon RELACDU. The DD 214 will be issued regardless of the length of time served on active duty.

(4) Personnel Continuing on Active Duty. The DD 214 will be prepared and furnished to members while serving on active duty when they have a change of status or component as follows:

(a) Enlisted Personnel. Discharged to accept permanent appointment to either warrant or commissioned status for continued active duty.

(b) Officers

1. Temporary appointment terminated to accept a permanent warrant or commission in the Regular Navy or Navy Reserve.

2. Appointment terminated to accept appointment in another branch of the Military Services.

3. Upon termination of temporary appointment when enlistment contract expires concurrently.

4. Officers retired and continued on active duty in a retired status will not be issued a DD 214 until the actual date of separation (e.g., an officer placed on the retired list of the Navy on 30 June 2016 and continued for 2 years will not be issued a DD 214 until 30 June 2018, the actual date of separation).

(5) Enlisted Personnel Released to Become Midshipmen or Cadets. The DD 214 will be issued for enlisted personnel on active duty who fall under one of the following categories:

(a) Appointed midshipmen, U.S. Navy.

(b) Appointed midshipmen, U.S. Navy Reserve, or accepted as College Program students in Naval Reserve Officers Training Corps (NROTC) Program.

(c) Upon acceptance of commission.

(6) Midshipmen and Cadets. The DD 214 will be prepared and issued at time of release to those midshipmen and cadets, including those serving concurrently as enlisted members, at the Naval Academy, Air Force Academy, Coast Guard Academy, or the Military Academy, released per reference (b), MILPERSMAN 1910-184, and MILPERSMAN 1531-020.

b. Ineligible Personnel. The DD 214 will not be prepared or issued to the following personnel:

(1) Discharged for immediate enlistment or reenlistment on active duty;

(2) Found physically disqualified upon reporting for active duty and who do not perform active duty under orders;

(3) Died while on active duty, ADT, FTS, or ADSW;

(4) Released from ADT of less than 90 days unless separated for physical disability or from a period of special ADT under a call for mobilization;

(5) Received a temporary officer appointment in the Naval service, or when temporary officer status is terminated and reverted to enlisted status to complete an enlistment contract;

(6) Midshipmen, Naval Academy, accepting a permanent commission in the Navy or Navy Reserve;

(7) Midshipmen, NROTC, upon graduation;

(8) Removed from the Temporary Disability Retired List (TDRL);

(9) Enlisted personnel transferred to the Fleet Reserve and concurrently retained on active duty;

(10) Discharged from Fleet Reserve inactive status; or

(11) Officer personnel retired and concurrently retained on active duty.

c. Times of Issuance. The DD 214 will be completed for eligible personnel at time of release, transfer, change of status, or discharge except as stated below.

(1) Personnel in "Awaiting-Orders" Status. In the case of personnel who have appeared before a physical evaluation board (PEB) and have been placed in an awaiting-orders status pending final action by the SECNAV, the command responsible for administering the member's records and accounts will complete blocks 1 through 8a, 10, 11, 12a, 12i, 13, 14, 19 through 22, and 30 prior to the departure of the member. The DD 214 will not be distributed until final action is directed by NAVPERSCOM, Career Progression Department (PERS-8). In those cases where retirement or discharge is directed, the remaining blocks will be completed and all copies of the form distributed promptly per instructions set forth in enclosures (3) and (4). If the member is returned to active duty instead of being retired or discharged, the original and all copies of the DD 214 will be destroyed.

(2) Personnel Transferred to Department of Veterans Affairs Medical Center (DVAMC). When a member is transferred to a DVAMC for further treatment pending final action on the report of the PEB, the naval activity affecting such transfer will complete as much of the DD 214WS as possible with the information available prior to the member's transfer. The

worksheet will be forwarded to the PSD serving the area in which the designated DVAMC is located. When retirement or discharge is directed by PERS-8, the PSD will complete the DD 214 for immediate distribution or electronic transmission. If electronic submission capability is not available, a locally produced *VETERANS ADMINISTRATION-3* copy of the DD 214 will be forwarded to the DVAMC in which the member is a patient.

(3) Personnel Retired or Transferred to the Fleet Reserve and Retained on Active Duty. When an officer or enlisted member is retired or transferred to the Fleet Reserve, but retained on active duty, the DD 214 will not be issued until final separation from active service is accomplished.

(4) Members Separated While on Separation Leave. For those members whose separation will become effective while on separation leave authorized per reference (b), MILPERSMAN 1050-120, the DD 214 will be prepared and *MEMBER-1* copy delivered prior to the member's departure. The remaining copies will be distributed per enclosures (3) and (4) appropriately.

(5) Void Enlistment. A DD 214 will be provided to enlisted members being released from a status which has been judicially determined to be void. Complete the DD 214 per paragraph 3 below and with the following supplemental entries:

(a) Enter "NA" in blocks 9, 11, 13, 14, and 16;

(d) Enter "VOID ENLISTMENT" in block 23;

(e) Enter "UNCHARACTERIZED" in block 24;

(f) Enter authority currently in effect in block 25;

(g) Enter "YDN" in block 26;

(h) Enter "RE-4" or "RE-3E," as appropriate, in block 27; and

(i) Enter "DEFECTIVE ENLISTMENT - LACK OF JURISDICTION" in block 28.

2. Preparation of the DD 214

a. Sources of Information. Data to be entered on the DD 214 will be obtained from NSIPS Electronic Service Record (ESR), Official Military Personnel File (OMPF), and Service treatment records (STR), as appropriate.

b. Accuracy and Completeness. The DD 214 is an important record of service. It must be accurate and complete. Only authorized items may be entered and abbreviations should be avoided except as indicated in instruction.

(1) Period Covered. All entries relate only to the current period of active duty unless otherwise noted; i.e., from the date of entry as shown in block 12a through the date of separation as shown in block 12b. Dates will be entered as follow:

(a) Four-digit year (e.g. 2016);

(b) Two-digit abbreviation for the month (e.g. 08); and

(c) Two-digit day (e.g. 01).

(2) Use of DD 214WS. The DD 214WS will be used in all cases to ensure accuracy and allows member's verification for completeness prior to the final preparation and signatures of the DD 214.

(3) Completion of Items. Block-by-block instructions for the entries made on the DD 214 are contained in paragraph 3 below. No block will be left completely blank and no marginal entries will be made. When information is not available or more space is needed, the following instructions apply:

(a) Information Not Applicable. Information in some blocks may not be applicable to the member being separated. When this is the case, enter "NONE" or "NA" (not applicable) in the block.

(b) Information Not Available. If information to complete a block is not available, enter "SEE REMARKS" and enter in block 18. If supporting documentation is provided, a DD 215 will be issued to provide missing information." For those enlisted personnel being discharged on appellate leave, enter "REFER TO DD 215" in the appropriate blocks, and the CO will issue the DD 215 when the needed information has been received from PERS-8. Note: The DD 215 will be eliminated as capabilities evolve to reissue an electronic DD 214 to correct errors in the DD 214 discovered after the original has been delivered or copies of the form have been distributed, and to furnish to separating member information not available when the DD 214 was prepared. Separation activities or servicing PSD may continue to issue the DD 215 until full capability for reissuance of electronic DD 214 data exists. For commands using the NSIPS R&S

module, functionality exists for reissuance of electronic DD 214 for those initiated via NSIPS R&S module.

(c) Unused Space. Whenever there is unused space in blocks 11, 13, 14 and 18, type a diagonal line of “X’s” below the last typed line.

(d) More Space Required. When more space is required to complete or clarify the information, enter “SEE REMARKS” and complete or explain the information in block 18. If this space is insufficient, required information will be continued on a DD 214C, and will reference information from blocks 1 through 3 and the appropriate block(s) being continued, the member’s signature, date, and authorizing official’s signature. No entries may be made on the back of the DD 214. The use of plain bond paper as a continuation sheet is not authorized.

c. Legibility. Each copy of the DD 214 must be legible and will be printed with a reproducible screen tint using appropriate security ink on blocks 1, 3, 4a, 4b, 12, and 18 through 30. Blocks 1, 3, 21, and 22 of the DD 214C and blocks 1, 3, 5, 6, and 8 of the DD 215 will be similarly printed to make alterations readily discernible. No corrections will be permitted in the screened areas.

d. Errors and Alterations. The use of the DD 214WS should prevent errors from appearing on the DD 214. No changes or corrections may be made to the official signed DD 214. The recipient will be informed that making any unauthorized change or alteration to the DD 214 will render it void.

DISTRIBUTION OF DD 214 UNDER RETIREMENTS & SEPARATIONS (R&S) MODULE
IN NAVY STANDARD INTEGRATED PERSONNEL SYSTEM (NSIPS)

1. Distribution of DD 214 of Printed or Electronic Copies. Upon the electronic transmission of DD 214 data to Defense Manpower Data Center (DMDC), Military Services will no longer be required to produce and distribute *VETERANS ADMINISTRATION-3*, *SERVICE-7*, and *SERVICE-8* printed copies of the DD 214. DMDC is the official distribution source of Military Services authoritative and certified information for all periods of active duty that are completed on or after 1 January 2015. Distribution of *DEPARTMENT OF LABOR-5* and *STATE DIRECTOR OF VETERANS AFFAIRS-6* copies of the DD 214 will be eliminated when capabilities to transmit the data to Department of Labor (DOL) and State Veterans Affairs offices are in place. The distribution of all copies of DD 214 must be made without delay.
2. The *MEMBER-1* and *MEMBER-4* copies, if requested, are to be given to the member in conjunction with their separation or discharge and prior to final departure from their command on permissive temporary additional duty, terminal leave, and associated travel. Other copies are to be distributed no later than the day following the effective date of separation or discharge. Expedient distribution of the DD 214 will assist Service member in obtaining benefits and will also preclude invalid unemployment compensation payments. (The Service member cannot file for unemployment in any week before the 5th week beginning after the week Service member was separated or discharged.)
3. Preparation of the DD 214 will not be delayed because information is not available for completing all pertinent items. Rather, it will be prepared as completely as possible and a DD 215 will be completed to supplement it. For commands using NSIPS R&S, a corrected DD 214 will be issued. Members will be advised that they will be provided the DD 215 or updated DD 214 without having to request it. For those enlisted personnel being discharged on appellate leave, enter "REFER TO DD 215" in the appropriate blocks, and the CO will issue the DD 215 for commands not using NSIPS R&S or a corrected DD 214 for commands using NSIPS R&S when the needed information has been received from PERS-8. In all other cases where incomplete DD 214s are issued, PERS-312 will be advised that a DD 215 or updated DD 214 will be necessary.
4. Distribution of the DD 214 will be made as follows:
 - a. MEMBER-1. Deliver to the members in conjunction with their separation or discharge and prior to final departure from their command on permissive temporary additional duty, terminal leave, and associated travel. This will be mailed under conditions precluding physical delivery or when the member departs well in advance of normal departure time; e.g., at home awaiting orders, or transferred to a DVAMC. If the member is discharged as an alien deserter, a reproduction of this copy, with the place of birth entered in block 18, must be sent to: U.S. Department of State, Visa Office SCA/VO, State Annex Number 2, Washington, DC 20520, to assist the Visa Office in precluding the unwarranted issuance of visas to discharged and alien deserters per DoD Instruction 1325.02.

b. SERVICE-2. This will be electronically sent to NAVPERSCOM, Records Management Policy Branch (PERS-313) the day following separation or upon authorizing official's digital signature, whichever occurs later.

(1) Concurrently, submit ESR close-out documents, the original DD 2648 (Active Duty) or DD 2648-1 (Reserve Component Members Released From Active Duty) Preseparation Counseling Checklist, a copy of the separation physical (DD 2808 and DD 2807-1), and any required NAVPERS 1070/613 entries. For separating officers, also submit a copy of the officer's separation orders and endorsement.

(2) For officer candidate or midshipman discharged with an entry-level separation, submit the Midshipman Oath of Office, separation orders and endorsement, documentation authorizing discharge, and other required service record documents.

(3) For naturalized Service member separated with an Under Other Than Honorable Conditions characterization of service before serving honorably for 5 years, forward locally reproduced copy of *SERVICE-2* to:

USCIS NEBRASKA SERVICE CENTER
MILITARY UNIT
850 S STREET
LINCOLN NE 68508

c. VETERANS ADMINISTRATION-3. If member elected "YES" in block 20a, it will be automatically sent to DVA.

d. MEMBER-4. Ensure member initials block 30 and deliver to the member. It should be delivered at the same time as *MEMBER-1* copy. Members will be advised that should they subsequently request unemployment compensation; it may be delayed until service date can be verified.

e. DEPARTMENT OF LABOR-5

(1) Personnel Continuing on Active Duty. When an individual is in Service and enlisting or reenlisting in an active duty status or otherwise continuing on active duty in another status, this will not be forwarded to the DOL.

(2) Personnel RELACDU, Discharged, Retired, or Transferred to Fleet Reserve. As stated in paragraph 1 of this enclosure, once the capability to transmit electronic DD 214 is in place, this is automatically transmitted to DOL, otherwise immediately mail to:

US DEPARTMENT OF LABOR
FEDERAL CLAIMS CONTROL CENTER
PO BOX 785070
ORLANDO FL 32878-5070

f. STATE DIRECTOR OF VETERANS AFFAIRS-6. For personnel RELACDU, discharged, retired, or transferred to the Fleet Reserve, forward to the appropriate DVA State director (see enclosure (5), if the member so requests by checking “YES” in block 20 of DD 214). The member must specify the State. If the member does not request a copy to be mailed, this will be destroyed. Distribution of this copy will be eliminated as capabilities to transmit the data is in place.

g. SERVICE-7. As discussed in paragraph 1 of this enclosure, no action required.

h. SERVICE-8. As discussed in paragraph 1 of this enclosure, no action required.
