#### CONVALESCENT LEAVE

- Updated contact information
- Updated references
- **Paras 4-6**, updated policy to match DODI 1327.06 and DTM 23-001
- **Para 4**, 42-day Maternity Convalescent leave replaced with non-stand amount of convalescent leave for childbirth recommended in writing by health care provider and approved by the commanding officer
- **Para 5**, convalescent leave changed to periods not to exceed 30 days per period of hospitalization
- Changes made throughout, review article in its entirety

(COG: OPNAV N130)
