1. Security of Information

a. Personnel records are designated "For Official Use Only" and information will be divulged from these official personnel records only under references (a) and (b). In any area where these directives conflict, reference (a) will apply. The personnel records must be safeguarded against loss and against access by unauthorized persons.

b. The personnel records are the property of the United States Government and not of the member concerned. Entries are made in accordance with current directives and only by personnel with proper authorization.
