-------------------	--

1. **Eligibility Requirements**. To receive any of the Information Warfare Officer (IWO) Additional Qualification Designation (AQD) codes, specifically the BIX (Information Warfare) and BOX (Computer Network Operations) series, an officer shall satisfy the criteria established per reference (a).

2. **Request for Assignment of the AQD Code**. When eligibility requirements are met, the requested IWO AQD code will be formally entered in the officer's record. The individual's active duty commanding officer will forward the recommendation and supporting documentation, if required, to Navy Personnel Command (NAVPERSCOM), Information Dominance Corps and Foreign Area Officer Assignments Career Management Branch (PERS-47) for validation with a copy to the Deputy Chief of Naval Operations, Information Dominance (N2/N6C1) who will maintain visibility on all Information Dominance Corps AQD's. Once validated and approved by PERS-47, the AQD will be entered by the appropriate assignment officer at NAVPERSCOM.
