**AIRCREW AND AVIATION RESCUE SWIMMER PROGRAMS**

- **Para 1**, content added to clarify program requirements (i.e., aeromedical clearance and increased fitness standards)
- Terminology changed throughout the article from full-time support (FTS) to Training and Administration of the Reserve (TAR)
- Removed diversity, equity and inclusion (DEI)-related content throughout article
- **Subpara 2b**, clarified physical standards during training pipeline
- **Subpara 2c**, clarified Personal Reliability Program (PRP) screening requirements and disposition of members that do not maintain PRP eligibility.
- Article has been revised in its entirety
