1. **Policy.** Pilots accepting orders to Reserve fleet logistics support squadrons (VR) are assigned to transition training in **C-37, C-40, and C-130** aircraft.

a. Acceptance of orders by active duty pilots for initial training in **C-37, C-40, and C-130** aircraft constitutes their agreement to remain on active duty for a period of time equal to a normal squadron tour (36 months). Fulfillment of this agreement, for which the officer agrees to remain on active duty (GREEMAIN), will commence upon reporting to his or her ultimate duty station following completion of his or her transition training.

b. Training and Administration of the Reserve (TAR) officers who accept assignment to another VR platform after their initial 36-month tour will incur a 30-month GREEMAIN to commence upon reporting to their ultimate duty station following completion of their transition training.
