1. **Policy**. Officers assigned to training instructor billets must be sent to instructor training (COI A-012-0077) en route to their assignment. Only officers with high potential for promotion will be assigned to instructor billets.

2. **Screening for High Risk Training**. Assignment to training instructor billets is classified as high-risk, requiring in-depth medical screening. Completion of enclosures (1) through (3) of reference (a) for high-risk courses is required. It is the responsibility of the receiving activity to notify the detaching activity of the requirement.
