1. Policy

a. The following members are placed on the active duty list of precedence under provisions contained in MILPERSMAN 1320-150 and references (a), (b), and (c):

(1) Staff Corps appointees (e.g., Medical Corps, Dental Corps, Medical Service Corps, Nurse Corps, Judge Advocate General (JAG) Corps, Chaplain Corps) ordered to active duty with constructive time.

(2) Officers who have transferred into the Navy from other military services.

(3) Officers recalled to active duty.

b. Placement on the Active Duty List (ADL) may often result in eligibility for consideration of these officers for promotion, in zone or above zone, by an active duty promotion selection board within 1 year. This consideration may not always be in the best interest of individual officers.

c. Officers, except Judge Advocate General Corps and Chaplain Corps lieutenants junior grade, who would be eligible for consideration by a promotion board as an in zone or above zone eligible within 1 year of placement on the ADL will be informed that their eligibility for such

consideration will be deferred unless they specifically request consideration. Deferment of eligibility is intended to provide officers who otherwise would have been in zone or above zone an opportunity to obtain active duty experience, qualifications, and significant evaluation before being considered by a promotion selection board. The officer may waive this deferment and request consideration for promotion, in writing, to the following:

Navy Personnel Command (NAVPERSCOM)
5720 Integrity Drive
Millington TN 38055-0801

The request must be received by NAVPERSCOM (PERS-4802) no later than the convening date of the board.
