1. **Policy.** The major fleet readiness center (FRC) commanding officers (COs) will be afforded greater exposure to the industrial manufacturing process and environment prior to assuming command by serving as executive officers (XOs) at the FRCs at which they are slated to command.

2. **Procedures**

a. Officers screened for command will spend 24 months in the XO billet followed by 24 months as CO.

b. Selection for major FRC command will be via Naval Air Systems Command Acquisition Corps assignment slating panel.

c. The Major Command Leadership course will be required as part of the command training pipeline for the FRCs.
