1. **Purpose**. To issue qualification requirements and assignment policy for Sailors ordered to instructor billets within the naval information warfare training groups (NIWTG) and naval information warfare training detachments (NIWTD). This article applies to all enlisted members of the Active Component (AC) and full-time support.

2. **Program Background**

    a. An NIWTG is responsible for advancing the fleet's information warfare (IW) warfighting readiness through operational-based training and assessment, tailored education, targeted skills training in support of surface, subsurface, air, and ashore commands, delivering decisive advantages in the full range of military operations.

    b. NIWTG Norfolk, unit identification code (UIC) 55722, subordinate commands, activities, and detachments are listed below:

        (1) NIWTG Norfolk (UIC 47752)

        (2) NIWTG Gulfport (UIC 3239A)

        (3) NIWTG San Diego (UIC 55721, 44597)

        (4) NIWTD Norfolk (UIC 65781)

(5) NIWTD Dam Neck (UIC 4119C)

(6) NIWTD San Diego (UIC 66466)

(7) NIWTD Whidbey Island (UIC 4990F)

(8) NIWTD Yokosuka (UIC 37400)

3. **Requirements and Qualifications**

a. Personnel identified for assignment to NIWTG or NIWTD fleet training billets must be in paygrade E-5 or above. They must have completed a recent tour of duty in which operational and technical expertise was maintained within the required training program to which they are screening.

b. Pay grade substitutions are not authorized unless approved by the gaining command.

c. Possess the appropriate warfare designator required of program to which they are screening.

d. Due to surface, subsurface, and airborne operational requirements, both in-port and underway, assignment to NIWTG and NIWTD fleet training billets are not available to personnel in a limited duty status or serving on a pregnancy tour.

4. **Cryptologic(CRY) and Electronic Warfare (EW), Meteorological and Oceanographic (METOC), and Intelligence Training Group Requirements and Qualifications (UICs 3239A, 37400, 44597, 47752, 55721, 55722, 65781, and 66466)**

a. During the optimized fleet response plan, fleet readiness training plan, and forward-deployed naval forces training cycles, the IWTG CRY and EW, METOC, and intelligence training groups are the primary afloat and ashore unit-level mission area training and certification resources for a unit's commanding officer and immediate superior in command.

b. Eligible ratings and Navy enlisted classification (NEC) codes are listed below:

RATING	NEC	DESIGNATION
AG	J00A	Meteorological and Oceanographic (METOC) Forecaster
CTM	C26A	AN/SSQ-137 Maintenance Technician
	C28A	Ships Signal Exploitation Equipment (SSEE) Increment (INC) F Maintenance Technician
CTR	C08A	Command and Control Tactical Analyst
	C13A	Afloat Cryptologic Manager
	C20A	SSEE INC E Operator
	C21A	SSEE INC F Operator
CTT	C00A	AN/SLQ-32A/B (V)2 Technician
	C01A	AN/SLQ-32(V) Electronic Warfare Operations Technician
	C02A	Electronic Warfare Systems Technician (AN/SLQ-32(V)3)
	C03A	Electronic Warfare Systems Maintenance Technician (AN/SLQ-32(V)4)
	C04A	AN/SLQ-32(V)6 Electronic Warfare Systems Maintenance Technician
	C05A	Electronic Warfare Technician (Advanced Application)
IS	K24A	Operational Intelligence (OPINTEL) Analyst
IT	741A	Information System Security Manager
	742A	Network Security Vulnerability Technician
	746A	Information Systems Administrator
	H08A	Advanced Network Analyst
	H04A	Transmission System Technician
	H09A	Consolidated Afloat Network Enterprise (CANES) AN/USQ-208(V) System Administrator/Maintainer
	T47A	Submarine Local Area Network (SUBLAN) Technician

c. In addition to meeting eligibility requirements outlined in paragraph 3 above, candidates must meet the following requirements:

(1) Hold NEC 805A (instructor) or complete instructor training school en route, as required.

(2) Member must have a current, adjudicated single scope background investigation (SSBI) and have completed a counter-intelligence scope polygraph (CSP) prior to transfer. For members transferring to billets in UICs 55721, 55722, 47752, 44597, and 65781, they must possess a current top secret (TS)/sensitive compartmented information (SCI) clearance. For members

transferring to billets in UICs 3239A, 37400, and 66466, they must possess a current secret clearance.

5. **Cryptologic Subsurface Carry-on Equipment (COE)/Mobile Training Team (MTT) Requirements and Qualifications (UIC 4119C)**

a. Program Details. The COE/MTT is a specialized unit tasked with training direct support operators on highly-advanced subsurface COE. Personnel assigned to the MTT receive advanced systems training from partner organizations and are required to obtain certification to train in national organization curricula, in addition to developing and maintaining program-focused curriculum. Assigned personnel work hand-in-hand with in-service engineering agents to rapidly develop and integrate training programs for new COE systems and capabilities.

b. Eligible ratings and NECs are listed below:

RATING	NEC	DESIGNATION
CTRC	C18A	Intermediate Signals Analyst
	C24A	Cryptologic Subsurface Augmentee Supervisor
CTR1	C14A	Subsurface Augmentee Operator
	C18A	Intermediate Signals Analyst
CTT1	C15A	Subsurface Augmentee Electronic Intelligence (ELINT) Operator
	C17A	Intermediate Technical ELINT (TECHELINT) Analysis Technician
CTMC CTM1	C27A	Submarines Carry-on Equipment (COE) Technician

c. In addition to meeting the eligibility requirements outlined in paragraph 3 above, candidates must meet the following requirements:

(1) Be physically qualified for submarine duty and approved within 12 months of application by an undersea medical officer, per reference (a).

(2) Most recent tour of duty must have been a successful cryptologic direct support submarine tour where operational and technical expertise was maintained.

(3) Be a U.S. citizen with current, adjudicated TS/SCI clearance and eligible for Controlled Access Program security

clearance. Member must have a current SSBI and have completed a CSP prior to transfer.

(4) In coordination with Naval Personnel Command (NAVPERSCOM) Information Warfare Community (PERS-408) detailers, MTT leadership will conduct records screening and personal interviews with personnel who meet the initial qualification criteria.

6. **Weapons and Tactics Instructor (WTI) Requirements and Qualifications (UIC 4990F)**

a. Program Details. A weapons and tactics unit (WTU) is a specialized unit tasked with evaluating Commander Tenth Fleet (C10F) commands with airborne cryptologic direct support elements (ACDSE) on their training programs and recommending program certification to naval information forces. Additionally, members of the WTU serve as the C10F liaison to the aircraft model manager, Patrol Squadron 30 and Naval Air Systems Command. Personnel assigned to the WTU receive advanced training and work with other units throughout their tour.

b. Eligible ratings and NECs are listed below:

RATING	NEC	DESIGNATION	REQUIREMENTS
CTRC **CTR1**	777A	Weapons and Tactics Instructor	C06A, 805A, ACTC level 400 designation
	C18A	Intermediate Signals Analyst	
CTI	777A	Weapons and Tactics Instructor	805A, ACTC level 400 designation
	C06A	Airborne Cryptologic Technician Operator/Analyst	

c. Additional Eligibility Requirements. In addition to meeting the eligibility requirements outlined in paragraph 3 above, candidates must meet the following:

(1) Most recent tour of duty must have been a successful airborne direct support element tour onboard the Airborne Reconnaissance Integrated Electronic System (EP-3E), where operational and technical expertise was maintained.

(2) Be physically qualified for flight duty and approved within 12 months of application by an aeromedical officer per reference (b).

(3) Hold NEC 805A (instructor) or complete instructor training school enroute as required.

(4) Be a U.S. citizen, eligible to receive top secret and Controlled Access Program security clearance. Member must have a current adjudicated SSBI and completed a CSP prior to transfer.

(5) There are no language-specific requirements for WTIs. All linguists must have achieved at least a 2/2 on the most recent Defense Language Proficiency Test in their primary language.

(6) In coordination with PERS-408 detailers, WTU leadership will conduct records screening and personal interviews with personnel who meet the initial qualification criteria. Pay grade and NEC substitutions may be authorized with PERS-408 and the gaining command's approval.

7. **Transferring Command Requirements**

a. Complete all sections of NAVPERS 1306/92 Special Program Screening and submit suitability/unsuitability message using exhibit 1 of MILPERSMAN 1306-900.

b. Complete NAVMED 1300/1 Medical, Dental, and Educational Suitability Screening for Service and Family Members (sea duty screening). Required for UICs 44597 and 47752.

c. Required obligated service for these programs is 36 months.

d. Report to receiving command, via message, any derogatory entries in section A of NAVPERS 1306/92 and whether member's record contains any instances of the following for the past 36-month period if found suitable:

(1) One or more physical fitness assessment failures,

(2) NEC 805A instructor school failure, or

(3) Failure to maintain security clearance.

e. Report suitability/unsuitability determinations to NAVPERSCOM Enlisted Distribution Division (PERS-40) rating detailers and receiving command utilizing MILPERSMAN 1306-900, exhibit 2, within 30 days of receipt of Bureau of Naval Personnel

orders. If warranted, submit waiver utilizing MILPERSMAN 1306-900, exhibit 3.

    f. Submit completed NAVPERS 1306/92 to servicing personnel support detachment for entry into the electronic service record.
