1. **Policy.** A completion of tour (COMPTOUR) is the reassignment of personnel prior to projected rotation date (PRD) from one shore activity to another shore activity for the purpose of resolving a critical manning situation.

a. It is used as a last resort action when manning deficiencies cannot be resolved through the normal process.

b. A nominee for this type of reassignment must be serving in the requested rate and have **12 or more months remaining until PRD.**

c. All attempts will be made to make the reassignments via no-cost permanent change of station (PCS) orders.

d. Reassignments that incur PCS costs must be effected per MILPERSMAN 1306-106.
