-------------------	---

1. **Policy**. All submarine designated personnel, including those recruited for or who volunteer for submarine duty, must be found physically qualified for submarine duty per reference (a).

2. **Procedures**

a. Prior to transfer to a submarine or to submarine training, the transferring command must ensure a submarine physical has been completed, or is up to date, and no medical waivers are required or pending.

b. Periodic tests, shots, etc., must be complete.

c. All orders issued by Navy Personnel Command (NAVPERSCOM), Nuclear Power/Submarine Assignment Branch (PERS-403) for submarine duty, or to initial submarine training, must specify the above requirements and be completed **prior to transfer**.

3. **Noncompliance**

a. Personnel transferred without meeting the above physical standards are a detriment to the readiness of the fleet, or may cause the loss of training quotas.

b. The transferring command, receiving command, NAVPERSCOM, Enlisted Personnel Readiness and Support Branch (PERS-4013), and type commander will be notified immediately, by message, of any transfer not in compliance with this article.
