RECRUITING DUTY

- **Subpara 4a(5)**, removed "alcohol-related incident" and replace with "alcohol misuse"
- **Subpara 4a(6)**, removed "a history of stress-related problems such as depression, suicidal ideations, nervous breakdowns, and anger management issues" and replace with any conditions related to mental health conditions, cognitive impairments, or other affective liabilities"
- Article has been revised throughout and should be reviewed in its entirety.
