1. **Background.** Naval Special Warfare Meteorology and Oceanography Support Team (NSW METOC) billets require duty in arduous/combat field environments. Duty is frequently isolated/independent in direct support to naval special warfare operations.

a. NSW METOC are equipped to provide a wide variety of support including meteorology and oceanography forecasts, observations using portable computers and in situ sensors, communications, and other equipment.

b. Billets are co-located with naval special warfare commands.

c. Duty with NSW METOC is classified as Type 2 sea duty. Tour length is prescribed rating sea tour or Department of Defense (DOD) area tour for overseas assignments.

2. **Requirements/Qualifications**

a. Possession of, or eligibility to obtain, a Top Secret security clearance. Member's command will initiate a Single Scope Background Investigation (SSBI).

b. Complete sections A, B, C, and D2 of NAVPERS 1306/92 (Rev 12-03), Special Program Screening Form, Exhibit 1 of MILPERSMAN 1306-900.

c. Interview with NSW METOC leadership (commanding officer (CO)/senior enlisted advisor (SEA) or designate) for assessment of suitability for program.

d. Member must score Excellent - Low or above on the most recent Physical Readiness Test (PRT) with no failures over the past 3 years.

e. Required obligated service (OBLISERV) for this program is 36 months.
