-------------------	---

1. **Program Details.** Navy Information Operations Detachment (NIOD) Jacksonville, Florida, unit identification code (UIC) 53282, manages a screening program to evaluate personnel prior to their assignment to UIC 53282. In coordination with Navy Personnel Command (NAVPERSCOM) Cryptologic Technician, Intelligence Specialist, and the Information Systems Technician Assignments Branch (PERS-408) detailers, UIC 53282 conducts record screening and personal interviews to assess the initial qualification criteria.

a. NIOD Jacksonville provides cryptologic expertise and augmentation to maritime patrol and reconnaissance forces commands at Naval Air Station (NAS) Jacksonville, Florida. UIC 53282 manning consists of the cryptologic technician (interpretive) (CTI), cryptologic technician (collection) (CTR), and the cryptologic technician (technical) (CTT) ratings. Candidates can expect to deploy in a supervisory role with little to no oversight. Therefore, candidates must be mature and meet the highest standards of personal conduct, physical fitness, and reliability.

b. Billets are located at NAS Jacksonville, Florida.

c. Candidates must have either experience or the aptitude and motivation to operate emerging technologies and cryptologic equipment outside of their traditional source ratings. These billets require duty in dynamic environments worldwide (many times isolated and independent). Additionally, Sailors must

attain qualifications that are beyond the scope of their regular ratings' duties.

2. **Requirements and Qualifications**

a. Volunteer. All candidates must be volunteers and must make and sign the following entry on [NAVPERS 1070/613](#) Administrative Remarks per [MILPERSMAN 1220-020](#) prior to transfer to Air Operations Department, NAS Jacksonville:

<p>"I, [Member's Name], volunteer for duty involving flying and understand that I must maintain those qualifications specified by Chief of Naval Operations and Chief of Naval Personnel during the periods I am actively assigned to such duties. This agreement will remain valid until such time as it is rescinded by me or that I am no longer qualified for such duties."</p> <p style="text-align: right;">_____ Member's Signature</p> <p>Witnessed: _____ Name Rank USN</p>
--

If member refuses to sign this entry or is not a volunteer, hold orders in abeyance and notify PERS-408 via record message.

b. Service Obligation. UIC 53282 billets are classified as type 2 sea duty. Due to an extensive training pipeline, candidates must obligate service for a period of 36 months. The training pipeline includes the Naval Aircrew Candidate School (NACCS) and Survival, Evasion, Resistance, and Escape (SERE). Credit will be given to personnel that have previously attended this training.

c. Rate and Rating. The following criteria are required for initial training or assignment to duty at Air Operations Department NAS Jacksonville:

- (1) Be in pay grades E-4 through E-7, and
- (2) Source ratings:

RATING	NEC	DESIGNATION	REQUIREMENTS
CTI	N/A	Cryptologic Technician - Interpretive	Supervisor qualified. May be waiverable with interview.
CTR	0000	Cryptologic Technician - Collection	Supervisor qualified. May be waiverable with interview.
	C18A	Intermediate signals analyst	Supervisor qualified. May be waiverable with interview.
CTT	0000	Cryptologic Technician - Technical	Technical, Electronic Intelligence (TECHELINT) experience recommended. Supervisor qualified. May be waiverable with interview.
	C17A	TECHELINT Analysis Technician	Supervisor qualified. May be waiverable with interview.

(3) Navy Enlisted Classification (NEC) Code C06A. Candidates with previous duty as an airborne cryptologic technician operator/analyst (NEC 8296) are preferred for assignment to the Air Operations Department NAS Jacksonville, but highly qualified candidates without prior airborne experience will be considered.

(4) NACCS, SERE, and SERE 220. Candidates will attend NACCS, SERE, and SERE 220 before reporting to Air Operations Jacksonville. Waiverable for previous attendance.

d. Physical Qualifications. All candidates must physically qualify for duty involving flying.

(1) Candidates must have no physical fitness assessment failures in the last 2 years.

(2) Must be physically qualified for duty involving flying per reference (a), article 15-69.

(3) Physicals must be successfully completed prior to execution of orders. Physical examinations more than 1 year old will not be accepted.

(4) A flight physical must specifically state "Qualified or "Not Qualified for Duty Involving Flying" in block 77 on [DD 2808](#) Report of Medical Examination.

e. Security Clearance

(1) Possess current, final top secret (sensitive compartmented information) clearance per reference (b).

(2) Current counter-intelligence polygraph must be successfully completed prior to execution of orders.

f. Performance

(1) Candidates must have no non-judicial punishment or civil offenses in the last 3 years, and

(2) No alcohol-related incidents in the last 3 years.

g. Other Requirements. Due to operational training and deployment requirements, language training is not always available; therefore, CTI personnel must have maintained minimum language proficiency standards of L2/R2 on the Defense Language Proficiency Test or equivalent assessment for the past three years.

h. Application Information. Detailed application information may be obtained by calling Air Operations Department NAS Jacksonville at (904) 542-2702 or (904) 542-3590.
