Para 1, changed permissive temporary additional duty (TAD) to house hunting temporary duty (PTDY) to mirror the definition of TDY from the JFTR and language from DoDI 1327.06

Para 2, clarified the PTDY 5 days can be any work days prior to checking out from the command as long as PCS orders have been issued

Para 2, added PTDY may be authorized after reporting to the gaining command when government quarters are not immediately available or, if available, are not required to be occupied at the gaining command

Subpara 12a, table (1), clarification, applicable to Sailors who have not reported to their first PDS

Subpara 12a, table (2), added Skillbridge non-eligibility criteria

Changes made throughout, review article in its entirety
