-------------------	--

1. **Purpose.** To provide policy and guidance for accelerated advancement of students in pay grades E-4 and E-5 who graduate from an independent duty corpsmen (IDC) "C" school, as authorized per reference (a).

2. **Discussion**

a. Hospital corpsmen (HM) may be authorized accelerated advancement upon graduation from one of the following IDC "C" schools:

- (1) HM-L01A, Submarine Force IDC
- (2) HM-L02A, Fleet Marine Force Reconnaissance IDC
- (3) HM-L10A, Surface Force IDC
- (4) HM-L28A, Deep Sea Diving IDC

b. E-4s approved to attend an IDC "C" school will be authorized automatic advancement to pay grade E-5 upon successful completion of "C" school.

c. E-5s graduating from one of the IDC "C" schools listed in subparagraphs 2a(1) through 2a(4) above and who meet the following criteria may be advanced to pay grade E-6:

(1) Have 3 years time in rate (TIR). TIR requirement is waived for L01A graduates.

(2) Have a current recommendation for advancement and are not pending any military or civilian disciplinary actions.

(3) Have passed the most recent physical fitness assessment (PFA), including body composition assessment (BCA), per reference (b).

(4) Have been determined to be "fit for full duty" and are "world-wide assignable."

d. E-4 candidates must meet all requirements of references (c) and (d) and must reenlist for a period of 5 years upon graduation. The following additional requirements also apply:

(1) Have 2 years TIR as an HM3.

(2) Have a current recommendation for advancement and are not pending any military or civilian disciplinary actions.

(3) Have passed the most recent PFA, including BCA, per reference (b).

(4) Have been determined to be "fit for full duty" and are "world-wide assignable."

e. The military advisor will notify the education services officer, 60 days prior to school graduation dates, of all students eligible for accelerated advancement.

f. Students who meet all criteria for accelerated advancement, except TIR, will have a temporary [NAVPERS 1070/613](#) Administrative Remarks prepared and verified in their electronic service record (ESR) in the Navy Standard Integrated Personnel System (NSIPS), authorizing advancement when sufficient TIR is obtained.

g. Students who meet all the criteria for accelerated advancement, but are not physically qualified, must have a temporary [NAVPERS 1070/613](#) entry made in NSIPS/ESR reflecting that advancement is authorized upon becoming "fit for full duty."
