1. **Policy**. Members may be separated by reason of convenience of the Government if they are placed on appellate leave awaiting review of a punitive discharge, and their punitive discharge is later set aside, suspended, remitted or disapproved during the review process. Use this reason only if the active obligated service has not expired. If the member's obligated service has expired, the proper basis for discharge will be expiration of obligated service.

2. **Procedures**. The **notification procedure** per [MILPERSMAN 1910-402](#) will be used.

3. **Characterization of Separation**

a. The least favorable characterization is **general (under honorable conditions)**. Use separation program designator "KND".

b. [MILPERSMAN 1910-300](#) provides guidance for characterization.

c. If the member has less than 180 days of service, an entry level separation may be appropriate per [MILPERSMAN 1910-308](#).

d. If commanding officer desires, member may be recalled to active duty and processed for an **under other than honorable discharge**, as appropriate.
