1. **Policy and Procedure.** Unless a written waiver is obtained, per references (a) and (b), commands must process all Service members who incur a second or greater substantiated incident of driving under the influence (DUI) or driving while intoxicated (DWI) during their military careers for administrative separation (ADSEP). Process Service members' multiple incidents of DUI and DWI under misconduct per [MILPERSMAN 1910-142](#) or [1910-144](#) (as appropriate).

**Note:** The second or greater DUI/DWI which occurred in a Service member's career must have occurred after 04 June 2009 to be processed under this article.

**Note:** A court's acceptance of a deferment program or plea bargain to a lesser offense (e.g., reckless driving) does not cancel the requirement for mandatory ADSEP processing.

2. **Separation Authority (SA).** Refer to [MILPERSMAN 1910-704](#) to determine SA. When an ADSEP board is held, refer to [MILPERSMAN 1910-710](#) for guidance in determining the SA.

3. **Characterization of Separation.** The characterization of separation for multiple incidents of DUI and DWI will be determined by the severity of incidents per [MILPERSMAN 1910-142](#) or [1910-144](#) (as appropriate).

4. **Waiver Requests.** Submit waiver requests per reference (a), enclosure (1). Waiver requests will be submitted to Navy Personnel Command (NAVPERSCOM) Enlisted Performance and Separations Branch (PERS-832) or Reserve Enlisted Personnel Branch (PERS-913) via Office of the Chief of Naval Operations (OPNAV) Navy Alcohol and Drug Abuse Prevention Office (OPNAV-N170A).
