

APPENDIX D

SCHEDULES FOR OCCUPATIONAL STANDARD (OCCSTD) REVISIONS

OCCSTDs are reviewed on a periodic basis. OCCSTD revision schedules can change based on the complexity of the rating, warfare sponsor requests, and the needs of the Navy. The OCCSTD revision schedules are shown below. (NOTE: “X” indicates the year a rating is projected for Periodic Review (PR); “(**)” indicates in progress; “●” indicates PR completion; “EBR(**)” indicates Event Based Review (EBR) (i.e., an out-of-cycle review) in progress; and “EBR(●)” indicates EBR completion. ITE, ITN, and ITR rating leads have requested 2-year periodicities for 3 consecutive cycles before transitioning to 3-year periodicities.
